PHILADELPHIA, Oct. 4—Sixty black-smiths and machinists arrived here today over the Pennsylvania railroad from New York, having been engaged to work at the Cramps' ship building yards. They were met at Broad street station by a committee of strikers, who informed them of the situation at the ship yards. Thirty of the men deserted immediately, the remainder subsequently yielded to the appeals of the workmen when about to board a tug bound

on which was made in 1896. In both cases trust deeds were given for several thousand acres of fuel land in Illinois, which is ordered sold. The dates for the sale of the property have not been announced.
