SOUTH OMAHA NEWS.

Chief of Police Carroll has been informed that the Omaha police have George Atkinson in jail and it is understood that several charges of forgery will be filed against him. Ever since the middle of the summer forged checks purporting to have been signed by business men have turned up frequently at the banks, and on August 22 Atkinson was arrested here for passing a check on George Harding, which proved to be worthless. After keeping Atkinson in jail several days Judge Babcock gave him his liberty with the understanding that Atkinson was to turn up his pal. Of course this was never done, and the supposed forger disappeared, only to be heard of from Omaha shortly afterward. It now develops that nine checks aggregating \$49 and bearing the name of Frank Fromka have been thrown out of one of the banks here during the last week or two. Atkinson is suspected of having done the forging, while his pal worked the bogus

paper off on unsuspecting business men. Frank Pivonka is to file complaints against Atkinson, and it is possible that Dan Hannan will follow suit, as it is thought that Atkinson had a hand in the disbursing of the bogus Hannan checks. At the time of Atkinson's arrest here Mr. Harding informed the police that Atkinson was seated in his store when his pal came in and secured the cash on one of Hannan's checks. The two left the store nearly together and stopped on the sidewalk almost in front of the store to divide the amount received on the check. Inquest on John Reid. An inquest is to be held on Tuesday forenoon upon the remains of John Reid, who was accidentally killed at Cudahy's Thursday afternoon. At the time of the accident Reid was engaged in cleaning out the bottom of the elevator shaft, and it is supposed that he neglected to take the usual precautions in such cases. The elevator descended and injured him so that he died eight hours afterward. Mrs. Reid, wife of the deceased, is expected here today. No arrangements for the funeral will be made until after her arrival. Mrs. Reid lives at Hay Springs, Neb. Republican Rally Tonight. The first republican rally of the present campaign will be held at Blum's hall this evening. Among the speakers who have promised to be present are John L. Webster, E. J. Cornish, Charles J. Greene and James H. Van Dusen. The local committee has everything in readiness and a big turnout is expected. All members of the Union Veterans' Republican club and of the Young Men's Republican club have been urged by their presidents to attend and give the speakers a rousing welcome. Magic City Gossp. Next Thursday is the first day of registration. Mrs. T. G. Rice has gone to Chicago for a visit. Don't forget the republican rally at Blum's hall tonight. Ernest Blada has been called to Canada by the death of his father. Mrs. N. M. Tobey of Richmond is the guest of Mrs. N. D. Mann. A school room to relieve Brown Park school has been established at Twenty-first

and T streets. Miss Helen Copeland is the teacher. Mrs. C. D. Gray of the Fourth ward is recovering from a severe illness. Councilman A. R. Kelly left yesterday for Nebraska for a few days' shooting. Sidney White and his brother, DeWitt, have gone on a bicycle trip to Palmyra. The Century club dance at Odd Fellows' hall last night was a very enjoyable affair. J. E. Dalton and sister, Mamie, of Osage, Ia., are in the city, the guests of John C. Carroll. Rev. S. W. Gilkey of Mercer, Pa., will preach at the United Presbyterian church Sunday. The barbers decided, at a meeting held Thursday night, to keep their shops closed on Sunday. It is reported that Councilman Frank Pike is rapidly recovering from his recent illness. A prairie fire on West L street last evening caused the turning in of a fire alarm from box 8. Mrs. J. H. Van Dusen and Miss Coe Hunt are at York attending a meeting of the Woman's Club. A majority of the members of the registration board have appeared before the mayor and qualified. The music committee of the First Methodist Episcopal church will meet at the

pastor's study at 4 o'clock Saturday afternoon. Dr. Wolfe, superintendent of the public schools, is in Lincoln attending a session of the State Superintendent's association. Sneak thieves broke into Nym Long's place, Twenty-seventh and L streets, Friday morning and carried away \$40 in money and a watch. A number of young people gave a farewell entertainment in honor of Miss Edith Gray at the home of Mr. and Mrs. R. Gilchrist Thursday evening. Some one turned out an old horse with a broken leg, near the standpipe, and Sanitary Inspector Montague was called upon to shoot the animal. A lounge at the home of Harry Emery, Twenty-third and H streets, caught fire from a half burned match yesterday and caused a run for the fire department. The loss is trifling. Bids on Sewer Extension. The Board of Public Works Friday afternoon opened bids on the extension of the sewer culvert at Forty-eighth and Leavenworth streets. John F. Daley was found to be the lowest bidder on the bare sewer, at \$11 per foot. Each bid quotes prices on stonework and other details, and the board took the bids under advisement to figure out the lowest bidders on these other items. Bids on the sewer were as follows: John F. Daley, \$11; George R. Crandall, \$12.50; W. K. Tinner, \$12.10; William Brown,

\$13.00. The completed work will cost something under \$50,000. GREETING FOR OLD PASTOR Pleasant Social in Connection with Regular Meeting of Mission Society in Honor of Rev. Gilchrist. A delightful social was given at the home of Mrs. A. D. Charlton, 2222 Miami street, Friday evening, in connection with the regular monthly meeting of the Women's Mission society of the Central United Presbyterian church. The guest of honor was Rev. Alexander Gilchrist, a former pastor, who is on a business trip through the west. The cozy parlors were comfortably filled with guests, the attendance numbering about sixty. The customary program of the society was carried out during the early part of the evening, the topics discussed being grouped under the general head, "Our New Possessions." Miss Emily J. Robinson read an interesting paper entitled "A Historical Survey." "Characteristics of the People" was the subject of a paper by Miss Margaret McAra and the concluding sketch was by

Miss Mary McCullough, who recounted the history of "Christian Influence at Work." The musical part of the program, arranged by Mrs. Charlton, included several entertaining selections, among them being a vocal solo by Miss Lydia McLaughlin and choral music by the church choir. The final number was a reading by Miss Charlton entitled "The Cathedral Bell." A pleasant hour was spent in conversation, enabling Rev. Mr. Gilchrist to renew many of his former friendships and acquaintances. In conclusion dainty refreshments were served for the guests in the dining rooms. Rev. Mr. Gilchrist was pastor of the Central United Presbyterian church for nearly five years, having left a few months ago to accept a position in Pittsburg as secretary of the Board of Home Missions. Brief and to the Point. Mr. N. F. Smith stated the facts briefly when he said: "Chamberlain's Cough Remedy is the best cough medicine I ever used. Last winter I had a cough that the doctor failed to cure. I tried this remedy and it made a complete cure." Mr. Smith is the leading merchant of Meyerstown, W. Va.
