RUSHING THE NEW MOTOR LINE.

Work is being pushed and trolley poles are all set.

Work on the Omaha, Council Bluffs and Suburban Street railway is being pushed along rapidly. Yesterday marked the completion of setting the trolley poles and the poles are now in the ground all along the line from the terminal bridge to Broadway at Thirtieth street and along Sixth street from Broadway to the junction with the old Lake Manawa line, where the road crosses the creek.

Part of the shipment of steel rails contracted for by the company has arrived and the work of laying the tracks will be commenced as soon as a delayed shipment of this is received here. The laying of steel will be commenced from the Terminal bridge and the work will be pushed as rapidly as possible and as the weather will permit.

All the grading along the new line has been practically completed and the company has just finished a fill of about 150 feet across the slough below Sixteenth avenue between the city and Manawa.

From the point where the new line strikes the old Manawa railway tracks south to the lake the old rails are being taken up and the right-of-way graded up for the new steel and ties.

In connection with the contemplated improvements at Lake Manawa by the new company the Council Bluffs Rowing association is contemplating erecting a new boat-house to replace the two old structures which the club now owns. Plans for the new house have been drawn by a local firm of architects and will be submitted at a meeting of the stockholders to be held Saturday evening at the League rooms in the Grand hotel. RECEPTION TO COMPANY L.

Sanitary Relief Commission Entertains the Returned Soldier Boys.

TWO HUNDRED GUESTS IN ATTENDANCE.

Philippine Veterans and Their Best Girls Pass a Pleasant Evening and Surgeon Macrae is Given a Medal.

The reception given last evening in honor of Company L, Fifty-first Iowa volunteers, by the Women's Sanitary Relief Commission, was a delightful social affair. The men of the company, accompanied by relatives and female friends, turned out in large numbers, many of them wearing their uniforms. They were received at the door by Mrs. J. C. Pryor, mother of Captain Pryor, who in turn introduced the guests of honor to the reception committee, consisting of Dr. Mary Tinley, Mrs. M. L. Kirkland, Mrs. D. W. Bushnell, Mrs. L. I. Edson and Mrs. Anna S. Richardson.

After an hour spent in pleasant reunion Dr. Macrae, at the request of the commission, called the gathering to order and introduced C. M. Harl, who made an eloquent address of welcome to the returned soldiers. He paid an especially beautiful tribute to those who fell during the campaign.

The response was made by Captain Pryor, who expressed the appreciation of the commission for the kindnesses extended by the commission during the company's absence from Council Bluffs.

General G. M. Dodge followed in a short address, in which he eulogized the soldiers' record in Iowa, the work of the sanitary commission and especially the record made by the city-first Iowa as soldiers and as gentlemen.

Then came a surprise to almost the entire assembly, when Mr. Harl presented to Dr. Macrae, Jr., a gold locket, suitably inscribed, from the sanitary commission as a token of its appreciation of his services to their husbands and sons during the Philippine campaign. The popular surgeon was completely surprised and could scarcely frame a suitable reply. He finally responded, however, and told a number of jolly anecdotes of camp life.

The evening closed with an informal dance and light refreshments. The punch bowl was in charge of Mrs. Edson. Fully 200 were in attendance.

"The Pirates of Penzance" has been postponed to Wednesday, November 22, on account of the illness of one of the principals.

Abraham Snyder Tells Why He Wants a Divorce From His Wife.

Abraham Snyder, whose suit for divorce from his aged wife, Zishna Snyder, created more or less surprise in Jewish circles in this city, where both have lived so long and are so well known, filed an amendment to his petition yesterday, in which he makes some sensational charges.

Snyder and his wife were married forty-two years ago in Vishna, Russia, but have not lived together for the last eighteen years, the wife making her home with her son and his family, while Snyder conducts a clothing store on Broadway. In the amendment to his petition, he alleges that on January 1 last Chief Bixby spent a busy morning cleaning up his affairs at headquarters and at noon after having turned over to the city clerk all moneys in his possession, made way for his successor, Albro as chief, filed his bond in the sum of \$8,000 with Mayor Jennings and same was duly approved at the meeting of the city council on Monday night. The appointment of Albro as chief and city marshal will also come up for confirmation by the city council at the same meeting.

With the installation of the new chief a few changes were made in the force. Charley White, who has held the position of day jailer, will henceforth take the place of Officer Stockdale as deputy marshal and bailiff of the superior court. What disposition will be made of Stockdale has not yet been announced.

BOARD WANTS MORE POWER.

Calls Attention to Other Institutions it Would Like to Manage.

INCLUDES ALL THE INSANE ASYLUMS.

County and Private Refuges for Demented Now Declared to Be Criminally Conducted—Money it Needs.

DES MOINES, Nov. 15.—(Special Telegram.)—In its first report, filed with the governor today, the State board of Control asks \$759,572 for the maintenance of the state institutions during the ensuing biennial period and \$89,000 for the purchase of land. The legislature is asked to adopt a uniform system of support for the institutions; the board recommends that all be supported by a general tax, but is willing to have all placed in the county support basis. At present the penal institutions are kept up by general taxation and the insane hospitals are maintained by the counties at a certain rate per inmate.

The board asks the legislature to transform one of the state prisons into a reformatory for young criminals and first offenders, making the other a penitentiary. The establishment of an epileptic colony on the plan of Craig colony is urged.

A law is asked placing the supervision of all county hospitals under the control of the board. A report is made on nineteen such institutions visited by the board recently in which criminal methods are carried on.

Relative to industries in the state institutions, the board does not make a specific recommendation for the establishment of industries on state account, but discusses several, including the making of twine, which might be profitably established. It indorses the contract piece price plan for the employment of the convicts of the penitentiaries and recommends a sewing plant for the girls' reform school.

The following shows the appropriations asked for each of the institutions under the control of the board: Soldiers' Orphan's home, Davenport, \$30,000; Soldiers' home, Marshalltown, \$15,000; College for the Blind, Vinton, \$6,500; Industrial Home for Blind, Knoxville, \$20,000; School for Deaf and Dumb, Anamosa, \$27,000; Institute for Feeble Minded, Glenwood, \$65,534; Industrial School for Boys, Eldora, \$37,550; Industrial School for Girls, Mitchellville, \$33,570; hospital at Mount Pleasant, \$62,500; hospital at Independence, \$23,800; hospital at Clarinda, \$25,800; hospital at Des Moines, \$14,000; penitentiary at Anamosa, \$55,000.

The board asks for land appropriations as follows: Hospital at Independence, \$22,000; hospital at Clarinda, \$30,000; Feeble Minded Institute, Glenwood, \$22,000; Soldiers' Orphan's home, Davenport, \$15,000.

NEW SCHEME TO GET OFFICE. Defeated Populist Candidate Says Legislative District Should Be Divided in His Favor.

SIoux CITY, Ia., Nov. 15.—(Special Telegram.)—An election contest has begun in the Ida-Monona legislative district which promises to become a bitter fight before it is finished. Nathan Lindsey of Onawa in Monona county was the middle-of-the-road populist candidate for representative, but was defeated in the election by W. J. Scott of Ida Grove. Now Lindsey has appeared in the district court with an application for a temporary writ of injunction and for a writ of mandamus compelling the Board of Supervisors of Monona county to certify to his election. Lindsey has a contention on the ground that Monona county has a larger population to entitle it to a representative of its own, and that it should not be made a part of the Ida district. He further alleges that the law under which the legislative appointment was made is unconstitutional and that the only legal resistance is on any ticket for representative who resides in Monona county, and it is his contention that as Monona county is entitled to separate representation it would be illegal for it to be represented by Scott, who lives in Ida county. The court granted a temporary writ of injunction preventing the Board of Supervisors of Monona county from certifying to the election of Scott until the final adjudication of the suit.

LOUISVILLE, Ky., Nov. 15.—Judge Sterling B. Toney, whose mandamus, issued on election day, for the admission of Honest Election League inspectors to polling places caused the principal excitement of that day and the alleged disregard of which caused Governor Bradley to order troops to the polling places on the evening of November 7, was today restrained by the appellate court at Frankfort from taking any further action in the contempt cases growing out of the order.
