

PORTER'S PLAN IS REJECTED

Proposition to Demand Resignation of Transportation Board Secretaries Voted Down.

PORTER ONLY MAN WHO VOTED FOR IT

Three Hours Consumed in Consideration of the Resolution, After Which the Vote is Taken—Supreme Court Calendar.

LINCOLN, Jan. 30.—(Special.)—The resolution of Secretary of State Porter demanding the resignation of Secretaries Laws, Dahlgren and Edgerton of the State Board of Transportation, was voted down this afternoon by a vote of 4 to 1. Mr. Porter being the only member favoring its adoption.

About three hours' time was consumed in the consideration of the resolution and as the closing of the meeting came time was spent discussing the future course to be pursued by the board and the secretaries. Every member informally expressed the opinion that hereafter wherever rates are found to be too high they should be reduced and the same should be taken by the board or the secretaries to prevent any unjust increase in rates the railroads might attempt to make.

The meeting was called at the instance of Auditor Cornell, chairman of the transportation board, and after a date was set for the hearing of the resolution by Charles H. Johnson, which was published in The Omaha Daily Bee Sunday morning, Secretary Porter made the request that the board go into executive session. There was considerable opposition to this request. Treasurer Meserve announced that he did not think it wise to transfer business to the closed doors. Lane Commissioner Wolfe said that it would be all right to take up in executive session any matter Mr. Porter might wish to bring before the board if it was something the public did not already know about or ought not to know about. Mr. Porter refused to accept the resolution in the form of a resolution, but it was finally brought up by another member and voted down. During the consideration Secretaries Dahlgren and Edgerton remained in the room and Secretary Laws retired.

The secretary of state received very little support during the meeting and it was evident at the outset that the resolution would be voted down almost unanimously. Mr. Porter was questioned by Mr. Edgerton and several members of the board concerning his motive for asking for the resignation of the secretaries. It was intimated that he had a man in mind for an appointment as secretary when he introduced the resolution.

Debate Very Warm. The debate grew very warm toward the close of the meeting and in response to one of Meserve's questions Porter said that he did not propose to be censured by any member of the board. Meserve asked if Porter was willing to stand up and tell a man that he had no ill-feelings against the secretaries, but that it was necessary for him to introduce the resolution for self-protection because of promises he had made to his constituents that had not been fulfilled. Porter replied that he might have made such a remark, but he did not.

Porter moved the adoption of his resolution and Wolfe, through courtesy alone, explained, seconded the motion. A ye and nay vote was called for, which resulted as follows: Ye, Porter; nay, Cornell, Smyth, Wolfe, Meserve.

The complaint of Charles Johnson will be heard by the Board of Transportation and its secretaries on February 9 at Norfolk. It was suggested that any other complaint arising in that section of the state be considered at the same time.

Ed Cooper of Vista, Johnson county, complained that the Burlington railroad refused to furnish a sufficient number of cars to farmers living in his vicinity for the shipment of grain. He asserts that they are compelled to haul to the tracks of another railroad at a loss of several cents per bushel.

Lincoln A. Miller entered a complaint against the Rock Island railroad today, alleging that it violated the terms of a contract by tearing away a bridge over one of its tracks in Lancaster county.

Supreme Court Matters. It is probable that only one sitting of the supreme court will be held during the month of February. The second sitting, if held, would occur during the annual convention of National Creamery Buttermakers' association and as the hotels will be overcrowded at that time, it is likely that the month's business will be combined in the sitting which begins February 6.

Appended is a list of the cases to be called for hearing at that time: Schmidt against Mahoney, Dawes county; Dufrene against Johnson, Douglas county; Upton against Betts, Saline county; Ashland Land and Live Stock Company against May, Saunders county; Fire Association, Philadelphia, against Ruby, Phelps county; Lincoln Street Railway Company against Lincoln, Lancaster county; State ex rel Emerson against Dickinson, mandamus; Norton against Watson, Otoe county; Hancock against Meyer, Douglas county; Alling against Fisher, Dawes county; Elkynburg against Porter, Cass county; Henry against Buggy Company against Ashenfelter, Cass county; Henry Buggy Company against Parlin, Oredorff & Martin Company, Gage county; Denney against Stout, Douglas county; Velth against Bess, Lancaster county; Clifford against Hall county; Hall county; Chamberlain Banking House against Wesley, Johnson county.

TAKES A HIGH PLACE Stands Well in the Estimation of the People. Attention is Naturally Excited When Anything is Praised by People When We Know. A thing that stands high in the estimation of the public, and which is especially recommended by Omaha people, naturally excites our attention more than if our own people did not praise the article. Such a thing is going on right here in this city every day. People are praising Morrow's Kid-Ne-Ole and we are glad to see it. There is no deception, no humbug, they do positively cure, and we furnish the evidence.

Mr. H. L. Small of 1810 Ohio street, says: "I have suffered from kidney trouble for the past ten years. I had been so badly afflicted lately that I could not do any kind of work. I had a dull heavy pain across the small of my back almost constantly. The pain extended from the region of my kidneys to my shoulders. I was subject to spells of dizziness and urinary disturbances of an alarming nature. I could not sleep well on account of nervousness. Learning about Morrow's Kid-Ne-Ole I decided to try them. I took them according to directions and was greatly relieved in a very short time. I continued to take them and they have completely cured me of all my former troubles."

Morrow's Kid-Ne-Ole are not pills, but Yellow Tablets and sell at fifty cents a box at all druggists and by the Myers-Dillon Drug Co. Mailed on receipt of price. Manufactured by John Morrow & Co., Chemists, Springfield, Ohio.

CRIMINAL CASES AT KEARNEY

Morbid Crowds Present to Hear Evidence in Murder and Assault Cases—Strong's Trial.

KEARNEY, Neb., Jan. 30.—(Special Telegram.)—When the district court convened today a large crowd of morbidly curious people was on hand, expecting to hear evidence in at least one of three cases which have sensational features. In this they were disappointed.

The motion in abatement in the case against Sester, charged with criminal assault, was argued to the court and overruled and the case set for tomorrow afternoon.

The informations against Frank L. Dinsmore, charged with the murder of his wife and Fred Laue, and Theodore Nelson, charged with the murder of his father, were served upon them. Nelson pleaded not guilty and Dinsmore will answer in the morning. Judge Sullivan appointed three doctors to examine Nelson to ascertain whether or not he is insane. Dinsmore's attorneys, it is thought, will ask for a change of venue, as they have been trying to get the case removed to Lincoln.

Lester M. Strong, charged with attempted criminal assault on Caroline Hansen, is 20 years old. He is the adopted son of Mr. and Mrs. H. L. Strong. His adopted mother has been a widow for four years. Sunday night, November 12, when Miss Hansen was on her way to church, he drove up in a buggy and accosted her, saying the woman she was working for wanted her at a certain house to take care of a sick person. Having had similar calls she got into the buggy with Strong to be driven to the place where she was wanted. When near the farmhouse the buggy was stopped, her suspicions became aroused and she asked Strong where he was taking her. The girl by screams attracted the attention of some people passing in a vehicle, when her assailant jumped into the buggy and fled. The girl was taken to the home of her employer, where it was ascertained that she had been assaulted. Strong was arrested two days after the assault. At his preliminary hearing, November 22, he pleaded not guilty and was sent to jail in default of \$20,000 bond. Strong will be defended by H. M. Sinclair, Francis G. Hamer and R. A. Moore.

Trouble for Veterinary Surgeon. PLATTSBOROUGH, Neb., Jan. 30.—(Special.)—Dr. A. B. Barnes, a veterinary surgeon, has resided in this city several years. During that time he secured a divorce from his wife. Last November he removed to Auburn and engaged rooms over a store. About the same time a woman came along, Barnes representing her to be his sister, and the two lived in the same apartment until recently, when the domestic relations were suddenly interrupted by officers of the law, who arrested them on the charge of adultery, a warrant having been sworn out by John W. Rice, who said the woman was his wife. The preliminary examination was before Police Judge Culwell, who being unable to procure bail, they are now in jail. Mrs. Rice is the mother of three children, who live with the father at Elmwood, this county.

Miller Located in Colorado. HASTINGS, Neb., Jan. 30.—(Special Telegram.)—The mystery surrounding the disappearance of Otto Miller, one of Adams county's prosperous farmers, was cleared up this morning when Sheriff H. H. Miller received a dispatch from his brother at Julesburg, Colo., stating that he had found Otto Miller and team all right. The message does not give any information as to Miller's mental condition, but it is generally believed that he became temporarily insane and started westward without any destination in view.

The insanity commission heard the continued case of Ed Barron this morning and adjudged him insane. He will be taken to the Lincoln asylum tomorrow.

To Encourage Sugar Beet Growing. HASTINGS, Neb., Jan. 30.—(Special.)—The pastor of the Methodist church here last night decided that the raising of funds for the encouragement of growing of sugar beets could be best accomplished by a committee, which was instructed to canvass the business interests of the city. V. B. Trimble was elected treasurer of the club. A resolution was passed that the business interests of the city will join most heartily in the move by the B. & M. Railroad company in the erection of a new depot during the year.

Killed in a Runaway. BERTRAND, Neb., Jan. 30.—(Special.)—Charles Malm, a farmer who lived three miles northwest of this place, received injuries from a runaway early yesterday morning from which he died to-day evening. Malm started to come to town, at the request of a neighbor named Power, to inform the doctor of the death of a child and was driving Power's team. The fatal accident occurred within half a mile of the starting point. His head struck the ground with great force, crushing the skull. Malm leaves a widow and several children.

Dr. Hodgetts Closes Revival Meetings. GRAND ISLAND, Neb., Jan. 30.—(Special.)—Dr. Hodgetts has just closed a four weeks' revival meeting at Trinity M. E. church which has been very largely attended and the interest increased up to the time of closing. The pastor conducted these meetings, being ably assisted by the neighboring ministers. Bishop H. W. Warren is to be with this church Sunday, February 11, which is being looked forward to as a high day.

Child Probably Fatally Burned. WINDSIELE, Neb., Jan. 30.—(Special.)—A young child of J. E. Hayes, manager of the American Grain Company's elevator, backed a runaway in the Nebraska Mutual insurance association of mutual insurance companies will be held at the state house Wednesday evening. Delegates from all over the state are expected.

Fremont Boys in the Philippines. FREMONT, Neb., Jan. 30.—(Special.)—Lieutenant J. W. C. Abbott of the Thirtieth United States Infantry, now in the Philippines, has returned to Fremont here and has been promoted from second to first lieutenant. Abbott was second lieutenant of Company F of the Third Nebraska and received his commission as the Thirtieth as reward for his efficient services in Cuba. There are eight Fremont boys in Company H, Thirtieth infantry, in the Philippines, and though they have seen considerable active service they have come out all right. Their families and friends receive frequent letters from them and they seem to be well satisfied with their treatment and army life generally.

PLIGHT OF A NEBRASKA GIRL

Runs Away from Lincoln to Wed and Works as a Boy at St. Joseph.

ST. JOSEPH, Mo., Jan. 30.—(Special.)—A pretty girl of 15 years who gave the name of Muriel Ashton and will her home is at Lincoln, Neb., was found working in a laundry in St. Joseph, Mo., yesterday. She had been masquerading as a boy several days. The boarders noticed that her clothes did not fit well and that her voice was very fine for a boy. They communicated their suspicions to the house keeper and an investigation was made. The girl admitted that she had run away from home dressed as a boy and that she had assumed that attire the better to escape detection. Her intention was to marry a young man of Lincoln who was to come to St. Joseph later and join her. Something happened to prevent him from coming and being out of money the girl was compelled to seek employment. She had no other clothing and had to continue the deception in the laundry house. She was employed at the Franklin boarding house as a waiter. Several of the boarders feel that they have done the girl a wrong in revealing her sex as they have and will make up enough to buy her a modest wardrobe. If the young man who is to marry her comes to town the girl will be sent back to Lincoln.

SIX BELOW AT TWO POINTS

GENEVA, Neb., Jan. 30.—(Special.)—Six degrees below zero was registered this morning, last night being the second coldest this winter. The cold was so severe and sudden on Sunday that the ground cracked open badly and it is feared it has injured the wheat.

KEY TO ROAD TO LADYSMITH

Boiler Tells His Men He Has Found It—Reads a Message from the Queen.

LONDON, Jan. 31.—The Cape town correspondent of the Daily Mail, telegraphing yesterday, says: General Buller yesterday read the following message from the queen to Sir Charles Warren's forces: "The queen desires to express her admiration of the troops during the past week, especially of those regiments who specify, and of the accomplishment of your arduous march." General Buller told the men that they ought not to think because they had retired from their position that all their work was of no avail. It is his opinion, in his opinion, that he retained the key to the road to Ladysmith, in which place he hoped to be within a week.

General Schoeman hastened to the assistance of General Buller. General Schoeman returned to the assistance of General Buller. The British were repulsed and that the Boers were four men slightly and one man severely wounded. The British loss is not known, but must be severe. The bombardment of Kimberley continues.

English Cabinet Considers Mobilization of Fleet—Changes Channel Squadron Orders.

LONDON, Jan. 31.—A p. m.—It is now known that the cabinet devoted much of its discussion on Saturday to the mobilization of the fleet. Nothing was settled except that the fleet should be ready to move at any time. The mobilization of the reserve war ships, if such a course shall be determined upon, would be of the utmost importance. There is nothing in the intelligence possessed by the public to cause the cabinet's prolonged discussion of this matter and the inference is that the fleet may be mobilized as a general warning to other countries to keep their hands off the Transvaal situation, or the military may have definite knowledge that the neutral powers purpose to take some advantage elsewhere while England is busy in South Africa.
