BAR ASSOCIATION MEETING.

Resolutions Favoring Transfer of Harrison County to Fifteenth District.

LITTLE OPPOSITION TO THE MEASURE.

Officers for the ensuing year are elected and several other matters of importance come up for decision.

The Pottawattamie County Bar association at its adjourned meeting yesterday adopted the resolutions offered at the previous session favoring the bill now pending in the state legislature for the transfer of Harrison county from the fourth to the fifteenth judicial district.

Finley Burke, first vice president of the association, presided in the absence of President Bloomer. At the former meeting the resolutions, which had been introduced by Secretary Altheimer, were referred to the committee on legislation, and this committee presented a majority and a minority report.

The majority report, signed by W. H. Ware and S. B. Wadsworth, recommended the adoption of the resolutions, while the minority report, signed by N. M. Pusey, the third member of the committee, opposed the passage of them.

There was a considerable discussion, but finally the recommendation of the majority prevailed and the resolutions were adopted on motion of Emmet Tinley. Letters from a number of Harrison county attorneys and the clerk of the district court of that county were read urging the transfer.

The secretary had been directed to write the four judges of this district for their opinions on the proposed change, but answers only were received from Judge Macy and Judge Green. The former wrote that he respects the reasons proposed for the change, but that he is not prepared to express an opinion, while the latter raised objections to the transfer. Judge Green's letter was as follows:

"My judgment is that it would be against the public interests for the following reasons: There would not be enough business to justify the appointment of another judge, and while we could do the work at present, with four judges, it is business revives, as everyone expects it will, four could not do the business properly."

"The district would simply be of such a size, with the addition of Harrison county, that there would be either too many or too few judges. The number of judges could not be adjusted to it."

Objections were raised to the proposed change on behalf of the court reporters of this district, it being claimed that at present they barely make a respectable living and that if a fifth judge were elected in this district it would mean the appointment of another reporter, which would still lessen their earnings. Against these objections it was stated that there was a bill pending making the office of the court reporter a salaried one at \$1,500 per annum. There was some objection also raised to the proposed transfer on political grounds. At present the Fifteenth district is republican, while Harrison county is strongly democratic. On the resolutions, however, being put to the vote there were only three dissenting voices.

Member Ware brought before the meeting the matter of the removal of the remains of Ansel Briggs, first governor of Iowa, from Omaha to Des Moines. The Pioneer Lawyers' association of Iowa has frequently attempted to have the remains removed to secure the permission of the relatives. This has now been obtained and a bill is now before the state legislature to appropriate \$5,000 to defray the expenses of the removal and for the purpose of erecting a monument. The following resolution was adopted:

"That it is the sense of the Pottawattamie County Bar association in its called meeting that it is in favor of the bill providing for the removal of the remains of Ansel Briggs, first governor of Iowa, to the city of Des Moines and the erection there of a monument to his memory."

Governor Briggs was at that time a resident of Council Bluffs.

The election of officers resulted in the old officers being selected for the next year as follows: President, D. C. Bloomer; first vice president, Finley Burke; second vice president, Spencer Smith; third vice president, Jacob Sims; secretary, E. Altheimer; treasurer, Caroline L. Dodge; grievance committee, C. M. Harl, G. S. Wright, J. M. Galvin.

Mr. Burke reappointed the standing committee. They are: Finance, G. H. Mayne, O. S. Blanchard, J. H. Hess; legislation, W. H. Ware, N. M. Pusey, S. B. Wadsworth; court, A. W. Askwith, A. S. Hazelton, J. N. Baldwin.

DEATH OF HON. D. C. BLOOMER. Prominent Citizen of Council Bluffs Passes Suddenly Out of Life.

Hon. D. C. Bloomer died suddenly at his home, 123 Fourth street, last night about 9 o'clock. He was sitting in a chair preparatory to retiring for the night when he suddenly fell forward dead. He was 84 years of age and about a week ago was thrown from a sleigh while out driving. Although not seriously injured he was severely shaken and bruised and this accident evidently hastened his death. He has no near relatives in this city. A brother lives in New York. No arrangements have been made for the funeral.

Dexter Chamberlain Bloomer was born in Scipio, Cayuga county, N. Y., July 4, 1816. He received his education at the common school and commenced the study of law in 1837 and about the same time took up the study of political affairs. He became the editor of the Seneca County Courier, a Whig organ published at Seneca, N. Y., which position he held for fifteen years. He was admitted to the practice of the law in New York in 1843 and during the last four years of the Taylor-Pilmore administration was postmaster. In 1853 Mr. Bloomer moved to Mount Vernon, where he edited the Western Home Visitor.

April 16, 1855, Mr. Bloomer arrived in Council Bluffs, where he made his home up to the time of his death. With the late John T. Johnson he was one of the most prominent part in the organization of the republican party in western Iowa and filled a number of important offices. For eleven years he was a member of the Board of Education, one of the principal school buildings in the city being named after him. He was prominent in the movement to establish the free public library in Council Bluffs and has been president of the board of trustees for a long term of years. For twelve years he held the position of receiver of public moneys until that office was abolished. He was elected alderman in 1858 and was mayor of the city for two years, 1869 and 1871.

During 1872 and 1873 Mr. Bloomer turned his attention to his law practice and edited the Council Bluffs Republican and also the Northwestern Old Fellow. He compiled a history of Pottawattamie county, which was published in a magazine called Annals of Iowa. For thirty years or more he was a member of the Episcopal church and took an active interest in the work of St. Paul's parish. He was married in 1840 to Miss Amelia Jenks, who until her death in this city a few years ago, was of national prominence as an advocate of woman suffrage, and whose advocacy of dress reform for women during her younger years gave her name to the Bloomer costume.

Despite his 84 years of age he remained in the active practice of law and his mind retained all its clearness and vigor up to the time of his death.

Electric Lighting Case. Attorney McCabe, who appears for Forest Smith in the electric lighting contract injunction suit against the city, has been appearing himself on electricity for the occasion when the several altermen were placed on the stand yesterday he put them through a rigid cross-examination as to their knowledge of electricity. Aldermen Johnson and Schubert admitted that they were not versed in the science and in voting for the awarding of the contract to Bowman did so on the information secured from Electrician Lovett. Alderman Christensen professed to know something about electricity and electric lighting, but when Attorney McCabe got through with him he disclosed there were many things connected with the science that he had yet to learn. F. J. Pearson, an electrical expert from Omaha, was the principal witness for the plaintiff. The hearing was not completed when court adjourned for the day and will be resumed Monday morning.
