Admits Ballot Box Stuffing.

"We are charged with fraud and corruption and ballot box stuffing. Finally, after the bayonets had come to us again in 1876. we rose in righteousness and might. We secretary of war authority to have claims took the government, we stuffed ballot boxes, we buildozed the niggers and we shot 'em. And we are not ashamed of it."

Leaning over toward Mr. Spooner and shaking his finger at him. Mr. Tillman said: What would you have done? You would have done the same thing. I see it in your eyes." (Laughter.)

The amendment offered by Cullom was finally adopted. So, too, was the amendment of Platt of Connecticut, which has been nada; Grenville James of New York at pending for several days, relating to the appointment and tenure of the offices of the judges of the Hawaiian courts.

After the bill had been further amended Butler of North Carolina offered an amendment restoring to Hawaii the postal savings bank system.

The amendment was supported by Butler and by Mason of Illinois, the latter declaring this was the only civilized country in the world which did not receive loans from the poor people of the country-the only government which was absolutely dominated by the banks.

Mr. Allison submitted that it would be impossible to extend the postal savings bank system over a part of the United States express messenger injured is a railroad acwithout making it general in application; and even if it were possible. It would not be equitable to pay 416 per cent interest to postal savings banks depositors in Hawaii. The court held that there was no principle as the proposed amendment provided, when of public policy preventing a man's making a bill was about to be passed by congress such a contract. refunding the interest bearing debt of the United States at 2 per cent.

The witness preserved a smiling fac throughout the investigation.

PITTSBURG, Feb. 26.-John V wardian of Andrew Carnegic Wilson schoonmaker and John Pontefract. Daly said his secretary had made the adalf of themselves and such other stock olders of the H. C. Frick company as may holders of the H. C. Frick company as may choose to Join suit as plaintiffs, filed the much talked-of bill in equily to annul the contract held with the coke company by the Carnegie Steel company, limited, in the common pleas court No. 2 this afternoon. The bill names as defendants the H. C. Frick Coke company, a corporation; Thomas Lynch, H. C. Frick, George Lander, D. M. Clemson, Andrew Morland, James Gayley and Thomas Morrison, com-prising the board of directors, and the Carnegie Steel company, limited. vances to prosecute this case and that after being present at the conference when the agreement to contribute was made he told his secretary to advance the sums to Campbell as it became necessary.

No Limit on His Advances.

He did not place a limit on the advances. He had kept no personal account of it, but three or four days ago he telegraphed from Carnegie Steel company. limited. New York to the bookkeeper at Anaconda and learned that the amount was \$20,000 to

Transport in Had Shape. SAN FRANCISCO, Feb. 25.-An expe-urvey of the United States hospital shi \$25,000. He said his promise to contribute was after Clark had accused him and others of a "villainous conspiracy."

Missouri has revealed a startling state o affairs in the engine room and other part of the vessel, and it will take \$10,000 and a least six weeks to nut the vessel into sea worthy condition. When repairs on th Daly explained his acquaintance with Whiteside, who had built a block at Butte for a firm in which Daly was interested. Missouri are completed it will return to the Faulkner again took the witness over the conversation with Corbett and Daly again denied the conversation. He denied that Clark's friends would be sent to the peni-

tentiary. "I have not the slightest personal feeling against Clark or the members of his family. feclared Daily, "and any statement of that

kind is a villainous lie." A member of the committee suggested hat no testimony had been given that Daly was unfriendly to Clark's family.

"But I am dealing with that chap's ques-

designation of Faulkner as "that chap." Daly declared that he knew nothing of any telegram to State Senator Cullen before the meeting of the legislature, telling him (Cullen) that he (Daly) would be on the train the next day. Cullen was then a conductor on the Northern Pacific railroad and Daly said it was not probable that he would have discussed the senatorial question with him, but he was quite positive that he had never told Cullen that any man who voted for Clark "would be published as a boodler and bribe-taker."

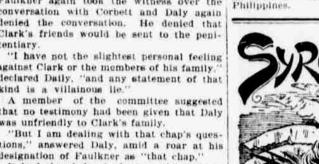

len as he passed through the train, but no reference whatever had been made to the senatorial question.

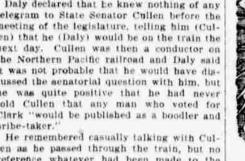

not sufficiently interested in the subject at that time.

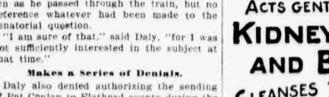

Makes a Series of Denials.

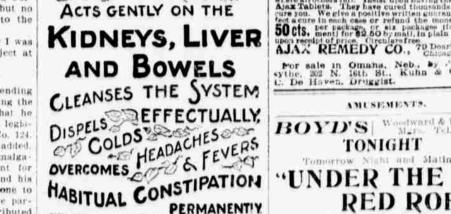

Daly also denied authorizing the sending of Pat Conlan to Flathead county during the state campaign. He also asserted that he knew of no money being spent in the legislature for the passage of house hill No. 124. 'I wish you would go into that," he added. 'Neither the Anaconda nor the Amalgamated Copper company spent a cent for that purpose. I believe that Clark and his friends contributed as much as any one to the parsage of that bill, as they were particularly interested. But that I contributed none I do know, and none was contributed for me. The bills were in the interest of the mining industry. I told our friends to stand up and be counted, but that I would spend no money in that direction.

Daly said he thought 'Toole's estimate of the amount of money expended in behalf of Anaconda in the capital contest in 1894 was about right. He had not handled
