PLAQUE LEAVING HONOLULU

Encouraging Reports Come from Associated Press Correspondent in Pacific Islands.

SAN FRANCISCO, March 22.—The steamer Hong Kong Maru arrived today from Hong Kong and Yokohama, via Honolulu.

The correspondent of the Associated Press at Honolulu, writing under date of March 19, says: "But one case of plague has developed during the last eleven days. This encouraging situation has caused the Board of Health to modify a number of its rules and now all classes of American and European goods are allowed to be shipped to the outside islands. Passengers have been allowed to depart for the first time in many weeks."

REPORTS FROM MAUI AND HAWAII ARE TO THE EFFECT THAT BOTH OF THE ISLANDS ARE CLEAR AGAIN.

There have been no fresh outbreaks at either Kahului or Hilo. The expense of fighting the plague has reached over half a million dollars to date. The council of state will be asked to appropriate \$250,000 additional.

TWO HUNDRED AND TWENTY-ONE NATIVE HAWAIIANS, MEN, WOMEN AND CHILDREN, CROUCHED ON THE FLOOR IN THE HALL OF THE EXECUTIVE BUILDING YESTERDAY, IMPORTUNING THE GOVERNMENT FOR FOOD.

Officers of the Hawaiian Relief society addressed Minister Young and Minister Dayton on behalf of the petitioners. Minister Young replied that the hands of the government were tied for the reason that the appropriation was exhausted and it was impossible to have legislation on the subject at present. Not a cent for relief could be given.

FINNS SEEK THEIR FREEDOM

Two Hundred Reach Philadelphia on One Steamer and Come West.

PHILADELPHIA, March 22.—The Red Star line steamship Switzerland, which has arrived here from Antwerp, brought nearly 200 Finns, who are said to be the first of many thousands fleeing from the cruelty of the government of the czar of Russia. The party will locate in Minnesota, Iowa and Montana. They say that the czar, instead of appointing Finns to govern the country, had appointed Russians, who have dealt harshly with all, especially the poor. Rather than submit, it is said, there is to be a general exodus to the United States and certain districts where the land is owned by the royal family are being depopulated. Cosacks were stationed on the frontier to prevent the Finns' departure, but they crossed the border at unguarded points and reached Belgium, whence they sailed for this country.

TWIN FOOTPADS OUT OF LUCK

Two Highwaymen Who Look Alike Engage in a Non-Dividend-Paying Pastime.

Two young men with a revolver and an inclination to be had started out early Wednesday evening to try their fortunes as footpads. They held up two men, one at Twenty-fourth and Michigan avenue, the other near Ninth and Douglas streets, but neither venture netted them enough to buy a round of drinks.

On account of a lack of distinguishing features of person and dress, these ambitious highwaymen are peculiarly well fitted for their chosen line. The victims agree that they look as much alike as two peas in a pod. Both are about 27 years old, both weigh approximately 150 pounds, both are smooth-shaven, and both are about five feet eight in stature. They are distinguished from each other only by their clothes, as No. 1 wears a light and No. 2 a dark suit.

At 8 o'clock they held up John M. Englen, scale dealer, at Twenty-fourth and Michigan avenue. No. 1 pointed a pistol at his face and ordered him to throw up his hands while No. 2 searched his pockets, but they obtained not so much as a canceled postage stamp, for Mr. Englen's money was in the sweatband of his hat.

An hour later they pounced upon John Yager, a cripple, at Ninth and Capitol avenue, and here the program was repeated. The search was more successful than the former, however, as it yielded a bunch of keys and a broken pocket knife.

DON'T WANT BRYAN ELECTED.

Attached to a bill of lading which was on the claim desk of one of the local freight companies yesterday was an invoice of merchandise shipped to the N. C. Foster Lumber company, one of the big Michigan lumber firms. The invoice, before returning to the railroad office, accompanying the bill of lading for some correction, had passed through the hands of the Foster Lumber company and had been accepted and approved. Stamped on it, however, with a rubber stamp, were the following words of significant meaning: "In case W. J. Bryan is elected president in November we reserve the right to return all goods and demand a refund of the purchase price."

"I used Kodol Dyspepsia Cure in my family with wonderful relief. It gives immediate relief, is pleasant to take and is truly the doctor's best friend," says E. Harigerink, Overleit, Mich. Digests what you eat. Cannot fail to cure.

DIED.

ELEVATION OF SEE OF OMAHA

Chancellor of the Diocese Gives Little Credence to Story from Sioux City.

The report from Sioux City of the elevation of Omaha to the position of an archiepiscopal see is received with incredulity by the chancellor of this diocese.

"There is entirely too much guessing going on," said Father Colaneri, yesterday. "Not that the possibility of the see of Omaha is among the possibilities at present. The creation of sees at Sioux City and Des Moines, I think, will take place shortly."

"If I knew who was recommended by the bishops at Davenport I think I could tell who will be the next archbishop of Dubuque, but I do not know."

"Then you do not place much importance to the selection made by the counselors and permanent pastors the other day?"

"Not that, necessarily, but I do not know the names of those who minister in the papers have published three distinct lists with but one name common to all, and that is the name of Bishop Linehan of Cheyenne. I think the published lists are all guesswork. It is generally understood that Bishop Linehan will be removed from Cheyenne because of his health, which suffers from the high altitude of that place, but that he will be made archbishop of Dubuque is another question. He will, more likely, be given one of the new Iowa sees, that of Sioux City or Des Moines."

REMARKABLE CURES OF RHEUMATISM.

From the Vindicator, Rutherfordton, N. C. The editor of the Vindicator has had occasion to test the efficacy of Chamberlain's Pain Balm twice with the most remarkable results in each case. First, with rheumatism in the shoulder from which he suffered excruciating pain for ten days, which was relieved with two applications of Pain Balm, rubbing the parts afflicted and realizing instant benefit and cessation of the pain in short time. Second, in rheumatism in the leg, almost prostrating him with severe pain, which was relieved by two applications of the balm on retiring at night and getting up free from pain.

CARD OF THANKS.

We hereby sincerely thank our many kind friends who have shown their appreciation of good will during the fatal illness of our beloved mother, Mrs. Rebecca Sternsdorf, George J. Max, Mary, Josephine and Barbara, children; John Sternsdorf, husband.

If you have nothing on hand, you can spend an evening very pleasantly at the Orpheum theater, and imagine you are en route to California on the celebrated Overland train of the Union Pacific railroad. These wonderful moving pictures can be seen every night at the Orpheum theater.

Announcements.

It seems to be the consensus of opinion among the patrons of the Creighton-Orpheum theater that the program of this week has never been excelled at this house either for excellence or variety. It includes a comedy, "Domestic Power," produced by Mr. Ellsworth and Miss Burt; Protospapa, the strong man; Esméralda, the slack-wire performer and xylophone player; Gilbert, the comedian, in monologue; Burton and Brooks in humorous dialogue and topical songs; Frank Coffin, the tenor singer; the De Forests in whirlwind dances; and the biograph pictures, all new. There will be a matinee tomorrow.

Sunday night and Monday night Archie Boyd will present at Boyd's theater his pastoral drama, "The Village Postmaster." Mr. Boyd is seen in the role of Beth Higgins, who presides over the destinies of the village postoffice. Mr. Boyd was seen to advantage in the "Old Homestead" and "Shore Acres," but in this piece he is said to be seen at his best.

The attention of the traveling public is respectfully invited to the magnificent equipment offered to patrons of the CHICAGO, MILWAUKEE AND ST. PAUL RAILWAY between Omaha and Chicago. Solid vestibuled, steam heated and electric lighted trains. Palace sleepers and diners, buffet and library cars, free reclining chair cars, fast time and union depots.

Notice.

A series of three of those palatable luncheons served at the First Presbyterian church will be given beginning Friday, March 23, from 11:30 to 1:30 p. m. The ladies hope to see again all those who so kindly patronized them in the winter. Come and bring your friends.
