Improvements at O'Neill. O'NEILL, Neb., April 11.-(Special.)-A Figures Gleaned from Quarterly Statement hotel project has been under consideration Grew. at a series of business men's meetings. It is proposed to build a hotel with store rooms underneath at a cost of \$25,000. The necessary funds have nearly all been subscribed. The persons in charge of the matter have the affair well in hand and are confident that it will be carried to fruitlon. Preliminary work for the rebuilding of St. Mary's academy, which was burned to the ground in 1890, is under way. The building in which defendant's demurrer was over-will have a frontage of 136 feet and be ruled and defendant given thirty days to file of two stories and basement. The cost will next term. LINCOLN, April 11.-(Special.)-The be slightly over \$30,000. The sieters of the completion of the building. Another improvement that is agitating the public mind is an electric lighting plant, to take the necessary machinery.

Cell Inmate at Auburn Sets Fire to

Clothing and Bed and is Suffocated.

AUBURN, Neb., April 11.- (Special.)-When Marshall Robers went to the cell of Maurice Heddeman, a prisoner in the city jail at this place, for the purpose of deliver ing the evening meal yesterday, he found the bed and bedclothes of the cell in flames and the prisoner suffocated beneath the burn- the auspices of Bellevue college at Clark's ing mass. The man had been arrested earlier in the afternoon on the complaint of several persons who stated that he had entered was a most entertaining address. The subtheir houses unbidden and insisted on being fed. He was arrested at the home of Frank Not; Eyes and They See Not." Richards, where he had forced an entrance and was found sitting at the kitchen table eating while Mrs. Richards was fearfully serving him.

When he was arrested the man made several objections to going to jail, saying pitifully that the arresting officer might some day be old himself. In the dead man's pockets was found a pension certificate which showed that he had served in the Fourth regiment and was drawing a pension of \$10 per month. He was about 60 years old. The body was taken in charge by Undertaker Armstrong and will be buried tomorrow.

First District Republican Convention is Called to Meet at Lincoln

Tonight.

LINCOLN, April 11 .- (Special Telegram.) Delegates to the republican convention of the First Congressional district, which meets here tomorrow evening, began to arwill select two delegates and two alternates to the national convention. Employing Plumbers Take the

Places of Striking

CHICAGO, April 11.-Twelve men in overalls which were spotless and whose hands looked anything but accustomed to manual labor today filed into the Marshall They were employing plumbers, whose aggregate wealth foots well up into the millions. In order to fulfill E. Baggot & Co.'s contract on the building they volunteered last night to step into the breach made by the strikers and with the aid of such skill as remained to them after years spent in watching growing bank accounts to finish the plumbing work in the structure Among them were M. J. Corboy, who, as he placed his soldering iron in the coals, might have been preparing to buy the whole

block, for he is rated a millionaire. And there was Thomas Conlin, whose wealth is estimated at \$500,000. Paul Radieski, an other of the workmen, is worth \$200,000 Frank Falk, Charles Herbert and ex-Alderman Alexander Watson, all credited with liberal fortunes, were others in the volunteer ranks now working against the Building Trades council, which they say must go. All was quiet around the big business block early today. The employers who for sook their desks to take up the soldering irons entered the building through a door guarded by a couple of special policemen and were observed, from a safe distance, by

the strikers whose places they took. Strike at Salt Lake Smelter.
