Son of G. W. Johnson Not Touched from the Start-Great Day for the Kentucky Spring Opening.

LOUISVILLE, Ky., May 3.-Lieutenant Gibson, the good son of G. W. Johnson, showed this afternoon that the confidence placed in him by the talent had been fully justified, for he won the twenty-sixth Kentucky derby as he pleased, taking threequarters of a second off the track record for one mile and a quarter. This was Derby

that the rawhide and the steel would be plied vigorously during the last eighth of the journey. The promised finish failed to materialize for but one reason, Lieutenant Gibson was so far superior to his field that they could not make a race of it.

Derby day in Kentucky always adds new

ant Gibson, who was second. The positions remained practically the same as they traveled the first quarter, except that Thrive moved up a little nearer the front, while Lieutenant Gibson had been sent to the head of the procession by Boland.

Gibson Takes the Lend.

When they reached the first quarter, after passing the stand, Lieutenant Gibson was showing the way by some three lengths, with Kentucky Farmer second and His Excellency third. It was evident from the very fall of the flag that Boland on Lieutenant Gibson was to make a runaway race of it At the half Lieutenant Gibson was going with an even, steady stride, four lengths in front of Highland Lad, who had moved up to second place, and who was a head in front of His Excellency, three lengths in front of Florizar, while Kentucky Farmer, Thrive and Hindus were strung out for a dozen lengths.

As they rounded the upper turn and came into the stretch Gibson had not relinquished more than half a length. Florizar was second, a length in front of Highland Lad, his stable companion, with His Excellency

But little change was made in the final run, except that Thrive moved up to third GILBERT MAKES WORLD'S RECORD. place, while Highland Lad and His Excellency gave evidence of distress at the killing pace which Gibson maintained to the Brish, for the twenty-sixth Kentucky derby ended as it began, a procession, with Lieutenant Gibson at the head and his field trailing. TWO GOOD EVENTS PROMISED

Omaha's Sporting Contingent Interested in Two Matches of Skill and Strength.

WORLD'S CHAMPION WRESTLER TONIGHT

Abbott-Supples Go to Be Palled Off in Washington Hall Monday Night by the Omnha Athletic Club.

After a period of inactivity, extending over nany months, Omaha's sporting contingent is to be regaled during the next few days with two events of more than ordinary promise. The first will be tonight when Bech-Olsen, champion wrestler of the world, will appear at Washington hall and give an exhibition of his prowess.

The fact that Magnus Bech-Olsen is a native of Copenhagen, Denmark, gives rise to the exceptional interest of the Danes in the appearance of one of their countrymen who has won for himself an enviable reputation in the annals of legitimate athletic sports, They, as well as all lovers of manly sport, will be glad of the opportunity of bidding the great Dane welcome to Omaha and his matches with the well-known local wrestlers, Emil Klank and Michael Crowe, will be of onsiderable interest to the sport-loving pub-Puts Him to Sleep at Louisville in Fifth Round of a Hot Fight.

nted that Culton had told him anything about a plan to bring on a riot and kill Goebel and other members of the legislature. After hearing two or three witnesses whose estimony was unimportant the defense rested and court adjourned till afternoon. Judge Cantrill announced this afternoon that a special term of court, beginning in July, will be ordered for the trial of the defendants who were granted a change of

venue to Scott county. The most important testimony brought out this afternoon was that of two of the physicians who assisted in the autopsy on the body of Goebel. This had never been made public before. Dr. T. R. Welch of Jessamine county, a state senator, who was also one of Goebel's physicians, conducted the to the residence of J. H. Osborne, where a autopsy, assisted by Drs. E. E. Hume and

> ment about the bullet entering the right side and passing out on the left side. Dr. Ely corroborated Dr. Welch. The demonstrations on the map by D. M. Woodson, civil engineer, were made in an effort to show that the shot was fired from
