DENVER, May 5 .- (Special Telegram.) The first game of the season here was won today by the Omaha team. Mayor Henry V. Johnson of Denver threw the first ball over the plate, or tried to, and President Hickey of the league would have caught it if it had come near enough to him. The Omaha team has the stronger battery, plays a better fielding game and has beavier bitters. It outplayed the Denver men in every particular. Tyler's wild throw from the pitcher's box to third let in two runs for Omaha and Holland's wild throw to first was responsible for an

### ST. JOSEPH SKINS THE PUEBLOS. Hulen's Crowd Proves a Snap for the Missouri Pirates.

PUEBLO. Colo., May 5.—(Special Telegram.)—The webfooters from St. Joe won out their first game of the league season here this afternoon, lifting the scalps of the Pueblos to the merry tune of 17 to 11 in a game that was marked by hard hitting and loose fielding, with an inability on both sides to take advantage of fielding or batting chances. The opening of the season was marked by quite a demonstration, including a brass band parade this afternoon through crowded streets. Arrived at the park there was a crowd that filled both bleachers and grandstand to the utmost. Mayor West tossed the first ball to his chief of police, and declared the season formally opened. At the end of the first inning Manager Hulen of the home team was presented with a huge boquet amid the greatest enthusinsm.

asm.
St. Joe came to bat and took the field, giving every evidence of abundant practice, which the Pueblos clearly lacked, it having been impossible for the team to do much outdoor work since rain fell and there was soft ground throughout April. Inexcusable errors on the part of the home team let in six runs for St. Joe after the visitors should have been retired. At times there was sharp and accurate play, but in general both teams showed themselves to be scarcely up to season form. St. Joe plays here tomorrow and Pueblomen are offering their money that the result will be reversed. Attendance, 1,000. Score: PUEBLO.

Boston Bents the Quakers. BOSTON, May 6.—Boston won today's game by hard and consecutive hitting in the last three innings. Willis, who started to pitch for Boston, was wild and ineffective. Lewis, who succeeded him, was fairly steady. In the ninth inning Philadelphia got three men on bases after two were out, but Delehanty could only drive a high fly to right, which was easily taken by Stahi. Score:
