Willoughby Dye of Macedonia was in the city yesterday on his way to bee Moines to attend the republican state convention as a delegate from Pottawattamie county.

Sixteenth avenue should be planted the full width of the street. That the Wabash crossing on and the residents on the outskirts of the Sixteenth avenue should be planked the full city live in daily four of them. These knights width of the street, the Robrer track filled, of the road band together in groups of Maude Myrtle, the infant daughter of Mr. and Mrs. J. L. Walker, 1821 Avenue F died yesterday afternoon of congestion of the lungs, aged 7 months. Notice of funeral The marriage of Mr. Phillip Killian and lower Main street at Fifteenth avenue where solemnized this morning at 8 o'clock at St. the Milwaukee has a dead track and has replaced this morning at 8 o'clock at St. the Milwaukee has a dead track and has replaced the stone with wood paving; that cooking utensils which they steal from the that the stone paving should be replaced on ties and here they wait until they secure Sixteenth avenue should be filled to grade, all pearby houses and they fare well from the

While the establishment of a rock pile in the long run it will eave many dollars to the city and more than rid it of a most undesirable class of transient visitors. An officer will have to be employed to guard the prisoners while breaking stone and they will have to be fed. Chief Albro is in favor of requiring each tramp arrested to break so much stone before he gets a meal. In case ing to the implement district should be a tramp refuses to do the work allotted he planked the full width and sidewalks on is to be placed in a separate cell and given souri river water

The police believe that the committee on track at Sixth street and Tenth avenue streets and alleys will need only to purshould be planked and walks put in on both chase one load of stone, as by the time that sides of the street; that sidewalks should be is broken the word will have gone over the put in at the Union Pacific crossings on country that Council Bluffs is a good place eventh street and Tenth avenue; that the t avoid and that the tramps and hoboes, Rock Island should put in sidewalks on its knowing what is in store for them if they property on Eighth street between Twelfth fall into the clutches of the police here, will

It is a well known fact that this city between Eleventh and Twelfth avenues has been regarded heretofore by the tramp should be taken up; that the Burlington element as a "soft snap," where a man arcrossing at Eleventh avenue and Eighth rested and sentenced to jail has nothing else street should be planked the full width and to do except sleep and eat three good square Building permits were issued yesterday to look after walks and crossings at Tenth the rock pile started with as little delay as possible, and as soon as the first load of stone arrives a general roundup of the railroad yards will be made and every "Wandering Willie" in sight gathered in.

Unruly Prisoners.

The guards from the penitentiary at Fort Madison, who are in the city attending the street, also across railway tracks at Fourth Gregory trial in the district court, report that James Cunningham, the negro sent up from here for ten years for committing a number of burglaries, is the worst prisoner they have had to contend with for some Evans. time. They say he is a most dangerous man as follows: At Twelfth avenue and Sixth and that recently he attempted to kill one street. Eleventh avenue and Sixth street. of the guards, but was prevented by the Tenth avenue and Seventh street, Tenth warden. He has been placed in solitary confinement three times, but seems absolutely impervious to punishment. He is one of the few prisoners who have been able to withstand five days' solltary confinement. The guards also report that Celly Hough, who was committed to the penitentiary by

Judge Woolson for his complicity in disposing of a quantity of postage stamps stolen from a Minnesota postoffice, is also a refractory prisoner and that he has lost nearly all of his good time through his obstinacy. Hough's wife died since his commitment to the penitentiary.

High School Commencement.

Arrangements for the graduating exercises and commencement week of the senior class of the High school are about complete. The commencement exercises will be held Monday night, June 11, at the Dohany opera house when a class of forty-four will gradunte. Dr. A. F. Nightingale, superintendent of the Chicago high schools, has been secured to deliver the address to the gradnates. Rev. George Edward Walk, rector of to the seniors
