PUEBLO, Colo., May 10 .- (Special Tele gram.)-Omaha came down from the north this morning after taking three out of four from Tebeau's men and set out to make a similar record with the Indians this afternoon. It was the best ball put up in Pueblo this senson and save for an inning for each team neither was able to at any time send more than a single man back across the rubber. It was one, two, three almost throughout the game, and the fielding was snappy and accurate.
