

POYNTER THINKS HIM EASY

Anticipates No Difficulty in Getting Rid of Dr. Lang.

INSTITUTE IS NOW IN A STATE OF SIEGE

Incumbent at the Home for Feeble Minded Youth Has Guarded the Place to Exclude Any of the Governor's Appointees.

LINCOLN, May 16.—(Special.)—Governor Poynter does not anticipate any very serious trouble in ridding the State Institute for Feeble Minded Youth at Beatrice of Dr. E. F. Lang, notwithstanding the fact that the latter has established a picket line around the building and refuses to allow any friend of the governor to enter. The doors and windows of the institution are not only locked, but are kept carefully guarded by Dr. Lang and it is reported here that a state of martial law exists on the grounds.

The order issued by Judge Stull restraining the governor or his appointees from assuming or interfering with the duties of Dr. Lang as superintendent of the institute was, it is asserted, secured by trickery. Judge Stull this morning informed Governor Poynter that he had no idea when he issued the order that Lang had resigned his position. The application for the injunction was filed with the clerk of the court several days ago and was suppressed from publication until Monday evening, after the order was granted.

Dr. W. H. Deering went to Beatrice this morning and Governor Poynter announced that he would appear in court if necessary and answer the injunction. A copy of the document has been received by the governor and when compared with Dr. Lang's resignation it forms most interesting reading. In his application for the order Lang asserted that he was the only legally authorized superintendent and that any attempt on the part of the governor to interfere with his duties would seriously damage the interests of the institution. He asserted that the governor had been seeking to remove him from office, but that he had been unsuccessful in his attempt.

Governor Poynter today denied that he ever tried to remove Lang from office. He said he gave Lang a hearing because of the charges that had been made against him, and the conclusion of which Lang voluntarily tendered his resignation, which was promptly accepted in writing. In the findings written by Governor Poynter after the hearing it was announced that the resignation was accepted in the interests of the welfare of the institute.

Will See the Eclipse. Prof. Sweeney and Stebbins of the astronomical department of the State university will view the approaching eclipse of the sun on May 25 from a point near Atlanta, Ga. They will go armed with the necessary instruments for making observations and will probably join a party of scientists either at Atlanta or the point of observation.

The total eclipse of the sun will last only a very small territory and will last only a few minutes. "A partial eclipse of the sun may be seen in Nebraska," said Prof. Stebbins, "but the total eclipse will be visible only from points in a narrow territory running north and south through the southern states. In Nebraska the eclipse will be visible about 8 a. m. The moon will work gradually in between the sun and the earth and the sun will take on the appearance of a crescent. Scientists all over the country are making extensive preparations for viewing the eclipse and thousands of dollars will be spent in securing photographs and other information concerning it. Should there happen to be any clouds between the sun and the sun which will prevent the eclipse from being seen, the eclipse of course will not be visible.

The cadets of the State university will soon be given a rest of military camp life. On Friday evening of this week, immediately after the closing of school, the entire cadet battalion will be taken to Beatrice for a three-day encampment. There the embryo soldiers will be put through the daily routine of a military camp and will be subjected to strict military discipline. There will be the usual dress parades, the daily guardmount and drills and every cadet in camp will be held strictly to military regulations.

Friday morning a detail of ten cadets under command of one of the cadet lieutenants will be sent to Beatrice to lay out the camp and make preliminary arrangements for the reception of the battalion later in the day. Commandant Brown will have charge of the camp which will be thoroughly policed and guarded.

The annual battalion encampment is an event dear to the heart of every cadet in the university, for although the strictest discipline is maintained, they usually find opportunity to celebrate the approaching end of the school year. The pleasure of the last annual encampment was marred considerably by an almost continual rainfall, but nevertheless the "old clock and all's well" call of the guard did not dampen the spirits of the cadets.

Sure at the Police. The recent conviction in police court in this city of a young university student for firing off a revolver on one of the downtown streets has incited the wrath of the entire student body and almost resulted in a declaration of war against the police of the city. The arrest was made after the competitive drill Saturday evening. A member of one of the winning companies gave vent to his spirits by firing a revolver cartridge and he was promptly gathered in by an officer and taken to the city jail. He was handled rather roughly by the officer, although he had made no attempt to resist.

PLEASED TO DO IT

Omaha Citizens Gladly Speak Publicly on This Subject.

A public statement Given to the public for public good. A citizen's experience. Truthfully told for humanity's sake. Should find ready appreciation. Omaha people are pleased to do it. Pleased to tell their friends and neighbors. Tell them about the "Little Conqueror." The good deeds of Doan's Kidney Pills. Are spreading over the city. Lifting burdens from aching backs. Curing the pains of kidney ill. Read the proof in an Omaha citizen's words. Mrs. David Gorham of 401 North 11th street, says: "You are welcome to my name as an endorser of Doan's Kidney Pills. I had kidney complaint for about three years and tried doctors and medicine, but nothing seemed to do me much good. Backache, headache and dizziness bothered me continually. When I procured Doan's Kidney Pills at Kuhn & Co.'s drug store I was so sick I could not do anything. Their use brought me relief in a short time. Any of my neighbors can vouch for the great good Doan's Kidney Pills did me."

MORE TROUBLE AT BEATRICE

Sheriff Serves Injunction Papers on Several Who Arrive from Lincoln.

BEATRICE, Neb., May 16.—(Special Telegram.)—Robinson and Scott, employees of the insane asylum at Lincoln, were in this city today to help out the embargo at the institute for the feeble-minded and were served with injunction papers by Sheriff Waddington. Dr. W. H. Deering arrived at noon from Lincoln and was met at the depot by Sheriff Waddington and likewise served with restraining orders from the court. Neither parties went to the institute. It is thought the hearing on the injunction will be held before Judge Stull tomorrow.

WOMAN ESCAPES WITH ORPHAN.

Authorities Locate Girl But Are Unable to Capture Her.

TRENTON, Neb., May 16.—(Special Telegram.)—A long and patient search by the authorities of the orphan home of Archdale, N. C., for an orphan girl, Florence Marsh, who they say was taken away from Archdale by Mrs. Ada Gunn Hungerford without right, the charge was located here. Representatives of the home arrived here Monday and called on Mrs. Hungerford and demanded the child. She refused and that night took the girl and went in a wagon to Colbertson where they took the train for Denver, where Mr. Hungerford, the woman's husband, is located. The sheriff has notified the chief of police in Denver to locate and hold Mrs. Hungerford and the girl until the representatives from North Carolina can reach there.

Men Fight in Street.

HUMBOLDT, Neb., May 16.—(Special.)—Freeman Lynch, a young farmer living near town, today attacked E. F. Sharts, editor of the Enterprise, on the street in front of the latter's office and after throwing a handful of red pepper in his face proceeded to deliver some telling blows with a rawhide which he carried. The pepper failed to reach the eyes of the victim and, with the assistance of his son Charles, was putting up a good defense, when the marshal arrived on the scene and took hold of Lynch. While the officer had hold of the latter Sharts, who had by this time obtained possession of the whip, rained several blows upon the head of the defenseless man. Other parties assisted in parting the combatants and all three were arrested on the charge of fighting. When arraigned before Police Judge Enoch all pleaded guilty and were given nominal fines, which were promptly paid. Lynch claims the assault was the outgrowth of the actions of Sharts toward his family and he took this method of getting even for the wrongs done him. Mr. Sharts is quite prominent in church and municipal affairs and the affray has caused a decided sensation.

Raise Funds for India.

MCCOOK, Neb., May 16.—(Special.)—McCook scored a great success yesterday in its field day to raise money for the relief of the sufferers by famine in India. A half holiday was enjoyed by the people and the afternoon devoted to sports, which were conducted under the direction of the McCook Athletic club on the grounds of the club. The game of base ball between the Cedar Bluffs (Kan.) club and the Athletic club of this city was exciting, notwithstanding the high score of 28 to 16 in favor of the visiting club. Bicycle racing, foot racing, putting the hammer and other sports were also indulged in.

Women of the Different Churches of the City Gave a Supper in the Evening, with Generous Patronage, and the Young Women of the "A.S.O." Held a Tea in the Evening, with Strawberry Social in the Opera House in the Evening, with Notable Social and Financial Success.

From all sources about \$300 was secured for the cause.

Powells Charged with Shooting.

NORTH PLATTE, Neb., May 16.—(Special.)—Russell Powells, who was brought here from Maxwell today by Sheriff Keltner, a warrant for his arrest having been sworn out by John Harshfield of Birdwood. The warrant charged Powells with shooting at the complainant with intent to kill last Friday night. The case was set for trial on May 25.

Powells and Harshfield Got into a Quarrel at Birdwood and a Fight Ensued. The Former Received a Black Eye and some Bodily Bruises. He Claims to have Fired the Shot which Wounded Harshfield's Leg in Self-Defense. He has Sworn out two Counter Warrants against Harshfield, whose trial will be held on May 26.

Hearing of Hamilton and Harris.

WAHOO, Neb., May 16.—(Special.)—William Hamilton and Samuel Harris, arrested on the charge of robbing Joseph & Grafe's store on April 26, had their preliminary hearing today before Judge Barry today here bound over to the district court, each under \$2,000 bond. Twenty-one witnesses were examined, four of whom were from Plattsmouth, where one of the arrests was made. County Attorney Gilkison prosecuted and Attorney Starna defended.

Court Cases at Falls City.

FALLS CITY, Neb., May 16.—(Special Telegram.)—Court resumed here Monday with Judge Letton on the bench. He disposed of several equity cases. In the case of John Pool, charged with criminal assault on the person of the 11-year-old daughter of Ike Bolkin of Dawson, which occurred March 15, Pool was found guilty, but owing to his youth the judge let him off with four years in the penitentiary and a severe lecture.

Appointments at Humboldt.

HUMBOLDT, Neb., May 16.—(Special.)—At the regular meeting of the city council Tuesday night Mayor Nims reappointed Frank Todd as city marshal and John Gird as water commissioner for the ensuing year. E. S. Cope was elected as president of the council for a like period and the mayor also named his committee. George P. Turner was appointed fire chief upon the recommendation of the department.

Light Plant for Hastings.

HASTINGS, Neb., May 16.—(Special.)—The city council met in special session last night and discussed the erection of an electric light plant here for which \$20,000 in bonds was recently voted. The council finally decided to secure the services of Owin Ford of St. Louis, an electrical engineer, to assist in putting in the plant.

Farmers Planting Corn.

WEST POINT, Neb., May 16.—(Special.)—Planting is being prosecuted with great vigor by the farmers. The majority of the acreage of corn is now planted, with excellent prospects of a good start on account of the favorable condition of the ground.

Teachers Are Re-Elected.

WEST POINT, Neb., May 16.—(Special.)—The Board of Education for the West Point school district met last evening and unanimously re-elected the old corps of teachers for the ensuing year.

TO FIGHT THE REPORT CENSURING HIM

Battle Will Be Waged on the Floor of the Conference Committee Still Wrestling with Amusement Question.

CHICAGO, May 16.—Friends of President McKinley, who made a losing fight against the adoption of the resolutions in the report which criticized the president and censured him for his acceptance of the Griegs decision in the anti-canteen law, will take the fight to the floor of the conference in the form of a minority report, substituting other paragraphs for the objectionable sentiments.

Dr. J. E. Price of the New York conference, who submitted a minority report from the subcommittee, will present the matter to the conference tomorrow. It will be signed by over a score of the members of the committee and will have strong support in the conference. The majority report of the subcommittee on all matters before it, including the criticism of the president, was adopted by the general committee today after a long fight on several paragraphs, which referred to the attitude of the church on the liquor question. The report endorses total abstinence on the part of the members and ministers of the church, and fraternity with other societies and organization in the cause of temperance.

In regard to the liquor traffic, it endorsed the sentiment of the episcopal address that "it can never be legalized without sin" and declared that licensing it legalizes it. In contrast to the condemnation of the president on the anti-canteen matter, was an eulogy of Secretary Long for banishing liquor from the American naval ships and yards. Among the recommendations made by the reports is the following:

Ministers and members of our church should not become a mere social club, which keep a bar or provide intoxicating liquors for the use of their members and others.

Delegate William O. O'Dell of the Oregon conference introduced a substitute report to the effect that the exercise of the church should be bent only to the salvation of souls. It was voted down.

For Two More Missionary Bishops.

Two additional missionary bishops, with authority equal those already in the field, will be elected by the general conference to assist Bishop Theburn in southern Asia, if the recommendation of the committee on episcopacy is adopted. The report of the committee will be presented to the conference tomorrow by Rev. T. B. Neely. Dr. J. M. Buckley, chairman of the committee, objects to that provision of the recommendation which makes all the missionary bishops co-ordinate in authority on constitutional grounds, and gave notice that he would present a minority report.

Bishop Walden appeared before the committee on episcopacy to answer charges brought by the Wisconsin conference that he had exceeded his authority two years ago when he denied preachers the right to submit a petition in favor of a candidate. A majority of the ministers of the Milwaukee district signed a petition asking the appointment of Dr. J. S. Lee as presiding elder, but Bishop Walden refused peremptorily to receive the petition and later appointed another man to the position. This aroused the anger of the ministers who preferred charges against Bishop Walden at the general conference. Dr. George H. Trever presented the case of the ministers to the committee. He declared that Bishop Walden had violated all precedents and grossly insulted them by denying charges brought by the Wisconsin conference that he had exceeded his authority two years ago when he denied preachers the right to submit a petition in favor of a candidate. Wrestle with Amusement Question.

At least another session will be required by the committee on the state of the church before it can agree on a report on the question of raising the ban on amusement, as prayed for and against by numerous memorials. The entire session today was devoted to the matter and it is expected the final vote will be taken Friday. It also expected that the tone of the debate in the committee will favor the removal of the prohibitory ban on at least some amusements now discontinued.

NO ELECTION OF BISHOPS

Canvas of Vote Shows All Candidates Short of Required Two-Thirds.

CHICAGO, May 16.—The result of the ballot taken yesterday by the Methodist Episcopal general conference for the election of two additional members of the Board of General Superintendents was announced today at the conclusion of the morning devotional exercises. No election resulted and another ballot was taken at 10 o'clock this morning. The result of yesterday's ballot was as follows: Joseph F. Berry, 212; J. W. E. Bowen (colored), 217; J. W. Hamilton, 183; David H. Moore, 139; H. J. Spelmeyer, 57; Thomas W. Neely, 53; Charles J. Little, 46; W. V. Kelly, 77; A. J. Palmer, 47; H. A. Botsie, 34.

Over thirty other candidates divines received from two to twenty votes. At the conclusion of the reading of the result of the first ballot consideration of the report of the committee on state of the church was taken up, but discussion of anti-liquor law was interrupted, when on a question of privilege, an indignant minister denounced the police for refusing him admission to the conference without his ticket. After a warm discussion a resolution was passed that the police remain at the doors. During the discussion it was charged that delegates had given away their tickets of admission to friends. Considerable confusion followed and the conference finally settled down to the consideration of questions of organic law.

Considerable time was consumed in the taking of the ballot for general superintendents. The second ballot by the Methodist general conference for general superintendents resulted in no choice. Berry received the highest number of votes and Hamilton next highest.

Governor Shaw of Iowa closed the debate with an argument in support of the committee report. After several amendments and substitutes had been discussed, the conference adopted the committee report as amended, which provided for a suspension of the publication unless the commission for the various eastern conferences, which has its operation in hand, executes a bond guaranteeing the book concern from further loss. The result of the second ballot was as follows: J. F. Berry, 312; J. W. Hamilton, 207; J. W. E. Bowen, 182; D. H. Moore, 138; W. V. Kelly, 181; H. J. Spelmeyer, 73; T. B. Neely, 67; C. J. Little, 52; B. B. Baskford, 27; A. J. Palmer, 22; J. M. Bristol, 12. Other candidates received from two to twelve votes.

TALK OF REVISION OF CREED

One of Important Topics to Come Before Presbyterian General Assembly.

TALK OF REVISION OF CREED

ST. LOUIS, May 16.—The Presbyterian general assembly will convene tomorrow forenoon at 11 o'clock and the first important business to be transacted after the presentation of the report of the committee of a moderator, for which position there are a number of candidates. Those most prominently mentioned are Rev. Charles A. Dickey of Philadelphia, Rev. W. C. McKibbin of Cincinnati, Rev. D. W. Fisher of Indiana and Rev. W. L. McEwan of Pittsburgh.

One important item of business which will claim the attention of the assembly will be the election of a permanent clerk. For that office the eastern portion of the country will present the names of Hutton Smith of New York, Dr. R. C. McClelland of Pittsburgh, Dr. B. F. Gemmill of Cresson, Pa., and Dr. Henry Brack of Ellicott City, Md. The central west has as a candidate Rev. John H. Miller, D. D., of Nevada, Mo., the state clerk of the synod of Missouri.

Delegates arrived in large numbers today and were met at Union station by committee appointed to look after their welfare and entertainment. Among other matters to come before the assembly that of the revision of the creed is the most important. It is expected that no less than twenty presbyteries will petition for the revision, but it is not expected by leading representatives of the church that definite action upon these petitions will take place. The assembly will remain in session twelve days.

The fifth annual missionary conference of the Presbyterian church, that began yesterday, continued its sessions today. Today's program contained a number of addresses by prominent ministers and missionaries.

SOUTHERN ASSEMBLY AT ATLANTA.

Opening Session to Be Held Today—No Creed Revision. ATLANTA, Ga., May 16.—Nearly 200 communicants and other officials representing seventy-nine presbyteries from Georgia, Virginia, West Virginia, South Carolina, Florida, Alabama, Mississippi, Texas, Arkansas, Missouri, Indian Territory, North Carolina, Kentucky and Tennessee, will attend the general assembly of the southern Presbyterian church, which convenes here tomorrow. Many of the commissioners have arrived and the first preliminary session took place tonight in the Auditorium at which Secretaries W. A. Alexander of Clarksville, Tenn., and Robert P. Farris of St. Louis arranged for the opening session of the assembly.

After the assembly convenes tomorrow, Rev. J. F. Cannon, D. D., of St. Louis, Mo., the moderator of the last assembly, will preach the opening sermon and immediately thereafter will be the election of a moderator. Ten days will be occupied with the sessions. Many important matters will be considered. No discussion is likely to arise over the creed of the church, as the southern assembly is united in support of the Westminster confession of faith.

MRS. FROST WILL GO FREE

Coroner's Jury Recommends that Prisoner Be Given Her Liberty.

YORK, Neb., May 16.—(Special Telegram.)—The report of the analysis of the stomach of Charles W. Frost, made by the Omaha chemist, was a surprise to the coroner, putting the public here, who believed that strychnine would be found in the stomach. The city and county attorney, brought with them yesterday from Omaha the report and would not give to the public any information. After adjournment today the chemist had discovered a trace of phosphorus and acetate, but had not finished the analysis, and did not know in what quantities or whether enough to produce fatal results.

The jury, owing to this report, was unable to agree on the verdict that Charles Frost died from poison and that his wife, Mrs. Frost, gave it to him. From yesterday's session it adjourned until after supper last evening and was in session until midnight and, unable to agree, adjourned until this morning. In doing everything possible to prevent any information of its deliberations getting to the public and it is very difficult matter to get at the true analysis.

It was reported at the first trial that Mrs. Frost had purchased strychnine and rat cheese. The juror said he believed the ingredients of rat cheese. Mrs. Frost on the stand told that she purchased the rat cheese for another party. The jury made the public believe the analysis would show strychnine as the attending physician's testimony was that the death of Mr. Frost had all the symptoms of strychnine poisoning.

The jury is composed of York's leading successful business men and at tonight's session recommended that Mrs. Frost be released, and if further analysis by the chemist does not disclose a trace of phosphorus in large quantities, nothing more will be done. Mrs. Frost, during her confinement here, has been treated as an invalid guest of the jailor's family, who reside in rooms underneath the court house. At times she has been sleeping with Mrs. Baskford, who has her meals with the family. The coroner's jury had a difficult problem to solve and rather than cause Mrs. Frost an injustice it ordered dismissal, which may close the last chapter of York's sensation.

Flight Over Saloon.

MCCOOK JUNCTION, Neb., May 16.—(Special.)—A red-hot saloon fight is being waged at this place. A. P. Adams, who has conducted a saloon here during the past two years, is an applicant for another year and was meeting with success until Rev. D. W. Witt, pastor of the Methodist Episcopal church, backed by the church and prohibitionists, commenced a crusade against the liquor traffic.

Light Stock Shipments.

LEIGH, Neb., May 16.—(Special.)—Last night there was enough stock shipped from this point to warrant a special train. The following shipped stock to different points: Thomas Mortimer, six cars of cattle to Chicago, two cars to South Omaha and one car to Crawford, Neb.; C. H. Morris, one car of hogs to South Omaha, and George Roel, one car of hogs to South Omaha.
