Another thrilling flaish featured the fourth game between the Saints and the locals out at the Vinton street grounds | yesterday afternoon and the denizens of Hickeyville, down at the bend of the Big Muddy, evened up with the Omaha fans in experiencing a thrill of pride aroused by the winning of an evenly contested game. Monday night the local enthusiasts had their inping from the time that a flevt- DES MOINES FORFEITS TO PLEBLO. footed messenger reached the center of the city and proclaimed that Rebsamen's drive had saved the game and joy reigned unconfined from that moment until the arc lights were extinguished the next morning. The ephemeral existence of that rejoicing only goes to show the vagaries of the great national game. The victory of Captain Me-Kibben's yellow stockings was an ably earned one and came in the tenth inning. closing as superior an exhibition of base ball as one could wish to see. The final score was 5 to 4 in favor of the Saints.

The game was the first women's day exhibition and the attendance of the fair sex was far in excess of all calculations. The grandstand was filled with a representative crowd of Omaha women and their interest in the struggle from first to last was interesting to behold. They cheered and the sweet musical cadence which floated out to the players on the field seemed to inspire them to their bost efforts. At any rate the uniformed knights put up an almost faultless exhibition, such an one as delights the eyes of the most pronounced played a listless game. Brooklyn was in "crank" and presages well for the future the game at all stages. Attendance, 3,200. of the league.

## Joe Scully Tries His Hand.

Joe Scully made his initial appearance in the box for Colonel Keith's colts. Scully is an Omaha product who blossomed forth as a ball player many years ago and who has flourished in many of the amateur teams this city has put forth, but he was hardly equal to the emergency when the yellow stockings turned loose on him. Scully starte: off well. That is, the first ball he sent spinning over the plate was a strike and though Strang subsequently connected with one or his offerings, he went out at first. McKluben next tried his luck and deposited the tall down in the east side of the lot near the fence, making a three-bagger. After Shrait had been unable to cope with the situation, Hall's single brought McKibben home. In the second inning, after Briscow had sawed the air three times, the Saints treate:

Scully scandalously and in doing so one or them. King, scored the first home run of the season, knocking the spheroid over left

ST. LOUIS, May 22.—The only error in today's game was Sullivan's failure to hold Jones' third strike in the fourth inning. St. Louis bunched its hits when runs were needed. Attendance, 1,990. Score: field fence. Zeitz was the next man at hat and he, too, galloped around the diamond for a home run. Two home runs in succession were enough to rattle any pitcher and Scully unintentionally hit Herman, the next man at bat. Then he retired to the bench after a total of three runs, two of them homers, and four hite had been made of him. Burrell succeeded Scully and pitches a splendid game, giving only one man free passage to the initial bag.

## Zeitz Makes a Star Catch.

In the fourth the Saints chalked up another run and the score was 4 to 1 in favor of the Missourians. The game proceeded with the score this way until the seventh and then the locals began to but more effectively, having profited by their previous visits to the plate to partially ferret out Herman's benders. How took a chance with the willow and sorrowfully witnessed what seemed a splendid hit gobbled up by Zeitz, who made a sensational one-handed running catch away out in left field. Burrell, Toman McVicker and Rebsamen each made singles and the former two crossed the rubber. In the eighth a two-bagger by O'Connell and Burrell's three-bagger netted another run. The locale had to contend with two pitchers in the ninth and tenth innings. Herman and Maupin, and both proved invincible.

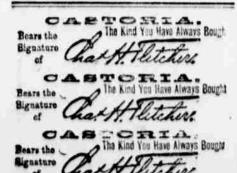

The Saints, however, girded on their batting armor in their half of the tenth and three clean singles brought McKibben in with the winning run. Score: OMAHA.

One of the postponed Omaha-St. Joseph games which would have been played down at Hickeyville last week if it hadn't rained will be played this afternoon, as both the Omaha and visiting teams have a day off. It promises to be a battle royal, as each team is bound to win the rubber. Hughes and Underwood, the crack pitchers of the

two teams, will officiate on the slab, DENVER'S SPLENDID UP-HILL WORK.

Game that Seemed Hopeless Won by Most Persistent Ball Playing. DENVER, Colo., May 22 - Special Telegram.)-Eight hundred well satisfied people filed out after watching Denver win an eleven-inning game today. The game was saved by good, all-round work, and Me-

Neeley's good pitching, after Kane, Denver's first officher, had put his team in a had hole. Kane gave four men bases on halls and was hit for a single and a double which, with an error, scored five runs. Denver crawled us gradially and tied the score on two hits and an error in the ninth. McCaushand's home run in the eleventh won the game. Score:

PUEBLO, Colo., May 22.—(Special Telegram.)—Today's game with Des Moines stands on the records of the Western league as having been won by Pueblo by a score of 9 to 6. Thirteen innings had been played and the store was a to 8, when the Des Mohes players withdrew from the dismond, their excuse being that it was necessary for them to catch a train for the east. Man-niger Fill of Des Moines entered a protest against awarding the game to Pueblo.

Mr. Lindsey was closely questioned by members of the committee. He asserted that Nerly could only be tried in the United States and only on the charge of violating a law making it a felony to bring into the United States money embezzled from the United States. The funds in the custody of the United States, though the property of the island of Cuba, were assumed by law to be the property of the United States.

# The Little Soldiers In Your Blood.

The part which the corpuscles of the blood play in making good the loss occasioned to the body by wear and tear, and in carrying off the effete or worn-out material, has been compared to the part played by a soldier. The corpuscles of pure blood are our soldierfriends, who repair the worn-out tissues of the body, and fight against disease-germs. The first condition for good health is pure blood, and that can only be

obtained and kept by taking pure food and drink. Adulterated food-stuffs and drinks are the pests of the modern market, and all too often health considerations are sacrificed to apparent cheapness. If you would have a pure drink, take cocoa; but let it be a pure cocoa, such as Van Houten's, which is highly digestible, extremely soluble, and of most delicious taste. It is cheap, too, for it costs less than a cent a cup.

It is easily made; it has an attractive aroma; and it

contains more nourishment than an equal quantity of the best beef-tea. BE SURE YOU TRY
