SIoux CITY, May 26.—(Special Telegram)—After a slugging match Omaha won another game from Sioux City today by a score of 6 to 5. Burrell went in for Omaha and the Indians jumped on him so hard he was retired at the end of the first inning. He was asked to the extent of a three-bagger, two singles and two runs, and then he took his seat on the bench. Newmeyer was put in the next time and he did a good deal better. In this he got on a bad streak and threw wild. This, combined with an error on the part of McVicker in center field by dropping a nice fly from Niles and followed by a single-lagger by McHale, brought in three runs for Sioux City. This gave Sioux City a lead of 5 to 1. Omaha got a run in the fifth on Brashear's error and in the sixth scored again. Bunching of hits in the seventh gave Omaha three more runs. Sioux City made some errors, McHale dropping a nice fly in center field, which cost Omaha the game. After that neither side scored at all. Newmeyer struck out two men and gave four men bases on balls. He made one wild pitch. Ferguson struck out three men and gave only two men bases on balls. Tonight the Omaha team left for home and Sioux City's men will leave early in the morning to play at that city tomorrow afternoon. The Sioux City fans feel quite satisfied to come out of the mill with one out of three with the topnotchers. Score:

WILD PITCHING AND AMATEUR FIELDING GIVES PUEBLO AND EASY VICTORY. DENVER, May 26.—(Special Telegram)—Denver lost to Pueblo today because of the wildness of Tebeau's pitchers, Eyer and Sparger. Pueblo scored on a string of bases on balls, two errors and only one hit. Sparger took Eyer's place in the fourth, but the Pueblo men continued to walk and, aided by two hits and an error, seven more crossed the plate. After that Sparger settled down and did good work, but the game was lost. Denver made a rally in the sixth and two bases on balls parried into the box in the seventh and eighth. LOCAL TREATMENT For Catarrh is a Failure. Local applications for catarrh if they accomplish anything at all simply give temporary relief; a wash, lotion, saline or powder cannot reach the real cause of the disease, which is the blood.

Catarrhal poison is discharged from the blood through the mucous membranes of the nose and throat, the discharge sometimes closing up the nostrils and irritating and inflaming the throat and bronchial tubes and laying the foundation for serious lung troubles.

The most successful remedies for catarrh are taken internally and should consist simply of antiseptics to cleanse the blood of catarrhal poison and remove the fever and congestion from the mucous membranes of the nose and throat.

For some years antiseptic applications have been used in washes and sprays applied locally, often giving welcome relief, but until recently has a satisfactory antiseptic preparation for internal use been produced.

It has been accomplished and the remedy under name of Stuart's Catarrh Tablets has been so successful in the cure of all forms of catarrh and has become so popular among every class of catarrh sufferers that it is now sold by druggists everywhere.

It is the only catarrh cure in tablet form being pleasant to the taste, containing no cocaine nor opiates, it is perfectly safe and palatable for children as well as adults.

Chronic catarrh sufferers should bear in mind that the best time to attempt to cure so obstinate a disease is in the spring and summer and probably no remedy so safe as certain to bring about a permanent cure as Stuart's Catarrh Tablets.

In the first, a hit, an error and a three-bagger made two more in the third, and a base on balls, a single and two two-baggers were advanced on McVicker's sacrifice and man to bat for St. Joe, Strang, made the only score the visitors made. He singled, was advanced on McVicker's sacrifice and scored on Hall's single. St. Joseph made three singles on the first inning, but a neat double play stopped it all. Attendance, 1,500. Score:
