A burgiar call was sent to the police station last night from the residence of Albert Stevens, 2613 North Fourteenth street. An investigation by Detectives Drummy and Mitchell showed that the house had been entered during the absence of the family by four children, two boys and two girls, whose ages ranged from 6 to 9 years. The children had a good lime in ransacking the house, tearing coverings from beds, throwing dishes from the table and eating several pounds of sugar. The mischief-makers were found and made a full confession. After fatherly lectures from the detectives they were allowed to go upon promising to be good little children in the future.
