PARTIES LEAVING FOR SUMMER.

Parties leaving the city for the summer may have The Bee sent to them regularly by notifying The Bee business office, in person or by mail. The address will be chauged as often as desired.

The early bird catches the worm. Get in on The Bee's vacation contest from the start.

The club women will not reorganize. They have not had time enough yet to devote to talking the subject over.

Has the Ice trust artist been pros trated by the heat, or is he only waiting for the great trust-smashing attorney general to get within closer range of the election?

Fusion platforms in Nebraska this year will carefully avoid denouncing government by injunction and punishment for contempt without jury trial. Great is reform.

It is announced that as soon as congress adjourns Nebraska's popocratic idential ticket in the field with negro can hardly hope for a congress which in war he should also be their ideal in prace.

FREE TRADE THEIR REMEDY. "In the opinion of the great body of as personal participants in the com- votes, and they saw it cast a to al of democrats," says the Philadelphia mencement program. Record, "free trade presents the only effective means which congress can apply for the suppression of indus-

trial monopoly and that is one to have entirely disheartened the Boers reason why the democrats have been and the latest dispatches show them to indifferent to such anti-trust legislation be still active and apparently deteras the bill which passed the house on mined to go on with the unequal strug- variation with Colonel Mose Weimore once protty lusty follow into the bargain. Saturday last." This is a true state- giv.

BOERS STILL ACTIVE.

ment of the position of the democratic party in regard to the trusts, as shown in the debates in congress. The demo- burg, northeast of Pretoria, which the the are and fish of the sea, save the Octoput, there should be complications between the have been mervilessly slashed. Engineers used, and gas pipe or a disabled waget often cratic representatives urged that the dispatches say is a very strong position and he has pountry houses to hurn. protective tariff is responsible for the ex- for defensive operations. Lydenburg is Fearless Johany in the folk-tale, he doesn't "Boxers." protective tariff is responsible for the ex-istence of monopoly and that free trade in a gold field of some importance and know whether fear is furred or feathered, ippines and our maladministration in Cuba the natives.
