DES MOINES, June 18 .- (Special Telegram.)-Des Moines downed the leaders again today in a beautiful game. Weimer seemed to be too much for the visitors and while they were able to reach him safely eight times but twice did they get two hits in an inning. In the first inning, after Baer went out on a ground hit and Toman flew out to center, McVicker stapped the ball over the center field fence for a home run. Rebsamen followed with a single, but Wilson went out on a grounder to second. Omaha's other score was made in the seventh. Wilson was hit by a pitched ball, Lauzon singled and Hoy sacrificed. Mackey's Siagle, If. . 0 0 3 2 1 V'Hait'n, of 0 single to center then scored Wilson, Lauzon was put out at third and Newmeyer fanned. The Deniver club certainly had a right to tell a tale of woe after today's game. The mountaineers hit the ball much better than Sloux City, but without avail. Sloux City's base running was brilliant. A rather remarkable feature of the game was the large number of putouts credited to McCausland, the wiry guardian of Denvers first base. Hickey at second had an unusual number of assists. Simmons' pitching was masterly and Ferguson, too, was steady at critical stages. Every day Sloux City fans shower new praises on Jack Glasscock for the new ginger he has put into the team. Score:

the whole yesterday afternoon and disposed of much business which has accumulated since the last regular meeting, two weeks ago. Fifteen or twenty paving and improvement ordinances were approved by the committee and ordinances increasing the license of sandwich wagons to \$75 and lowering the license of ticket brokers to \$10 were slated for passage tonight. An ordinance making it a disdemeanor to throw or sweep paper and other refuse into streets and alleys also met with favor at the hands of the committee.

Of the measures considered, Councilman Hoye's ordinance increasing the license for lunch wagons provoked the most discussion. It provided for a license of \$100 for each vehicle selling cooked provisions. The proposed ordinance is said to have been framed by the waiters of the city, who are anxious to do away with all lunch wagons on account of the competition they offer restaurants and chop houses employing waiters.

Councilman Trostler objected to the increase of the present license, which varies from \$35 to \$50. He argued that an increased license would be prohibitive and contended that the lunch men should not

The committee granted the Byron Reed company permission to erect four frame dwellings at the corner of Nineteenth and Burt streets. Old dwellings now occupy the site. Although it is within the fire limits the councilmen agreed that the improvement of the corner would offset the con-

tinued danger from fire. Permission was granted the manufacturers of the Tombstone bicycle pump to establish six pumps along the curb in different parts of the city. No license will be imposed upon the pumps as the council believes they will be a great convenience to wheelmen.

Rates for the Banquet,
George W. Raworth, president of the
Peter Cooper club, has been informed by
General Passenger Agent Francis of the
Burlington that a rate of one fare for the
round trip will be put into effect from all
coints within 150 miles of Omaha July 18.
This action has been taken in order that
outsiders may attend the plenic, banquet
and opening rally of the middle-of-the-road
populists to be held in this city on that
day, when the campaign will be opened by
Barker and Donnelly, candidates for president and vice president. It is likely that
all of the other roads entering Omaha will
put into effect rates of similar nature and
a large crowd of out-of-town populists is
excepted. Rates for the Banquet.

Several weeks ago City Treasurer A. H. Hennings discovered that Soren Jonasen, the Sixteenth street jeweler, had nearly \$600 in unpaid personal taxes. The taxes had been delinquent for many years and Mr. Jonasen's attention was called to the matter at once. He made a small payment on the taxes and promised to make payments until the entire amount is settled. Mr. Jonasen failed to meet the obligation and rumors were circulated that he was about to go to Cape Nome and was anxious to sell his store. Mr. Hennings urged Mr. Jonasen to settle the delinquent taxes, but he refused to do so. Finally Mr. Hennings levied on ten fine watches, which will be offered for sale June 29. LABASTINE is the original

and only durable wall coating, entirely different from all kal-somines. Ready for use in white or fourteen beautiful tints by adding cold water.

ADIES naturally prefer ALA-BASTINE for walls and cellings, because it is pure, clean, durable. Put up in dry powdered form, in five-pound packages, with full directions.

LL kalsomines are cheap, tem-

porary preparations made from whiting, chalks, clays, etc., and stuck on walls with de-caying animal glue. ALABAS-TINE is not a kalsomine.

EWARE of the dealer who

says he can sell you the "same thing" as ALABATINE or "something just as good." He is either not posted or is try-ing to deceive you.

ND IN OFFERING something he has bought cheap and tries to sell on ALABASTINE'S demands, he may not realize the damage you will suffer by a kalsomine on your walls.

BNSIBLE dealers will not buy a lawsuit. Dealers risk one by selling and consumers by using infringement. Alabastine Co.

every church and school should be coated only with pure, dur-able ALABASTINE. It safe-guards health. Hundreds of tons used yearly for this work.
