Many Troops Will Be Spared from Service in Cuba-No Indications of Future Trouble.

WASHINGTON, June 25 .- As soon as Secretary Root returns to this city early next week final arrangements will be made for the withdrawni of as many troops as can be spared from further service in Cuba. According to reports recently received from Governor General Wood the elections parsed off quietly and without serious disorder at any point and affairs have become tranquil with ao indications of future trouble. In consequence of this encouraging state of affairs the officials of the War department are considering the question of a large reduction of the military force in Cuba. It has been estimated that about onehalf of the troops can safely be brought home within the next few months. Nothing will be settled as to which regiments shall come until after Secretary Root returns to the city. There is an impression, however, that the Fifth infantry stationed principally in the Department of Santiago, will be the first Cuban regiment to return to the United States, and that the Eighth infantry. stationed in the same department, will fol-

George Giacomini, 2410 North Twenty-second street, while repairing an awning at grew worse so rapidly that an operation 1306 Douglas street about 9 o'clock yesould not be performed. The deceased was terday, fell from a ladder and sustained internal injuries that may result in death He was taken to his home in the city ambulance, where he was treated by Dr. Gilmore. At last accounts he was unconscious It is thought that Giacomini fell as the result of a sunstroke. Spectators say he was standing on the top of a twelve-foot step ladder working at an awning, in the full glare of the sun. Suddenly his legs scemed to give way under him and he fell to the pavement, striking on his head. Giacomini is a man of considerable wealth and, among other property in the city, owns the building upon which he was working.
