Furniture

While You are Reading the News Do Not Pass This

We have been cleaning house in our furniture department and find we have a lot of springs on hand—odd sizes, such as 3 ft., 3-4, 4-0, 4-2, 4-4 and 4-6 only, different styles of springs—one or two of a kind. If you want a spring and can find the size you want in this lot you can have one for 50c and 75c. Price depends on condition of spring. The cheapest spring in the market retails for about \$1.25, and as these are all better grades, you can see the price is low and a genuine bargain. Also a few mattresses, soiled in handling, go at \$1.00 each.

HERE IS YOUR CHANCE—

We have secured another lot of those 25c pictures and photo frames, so those who could not get one last week can now secure one. 25 per cent off Lawn Goods. When you cannot find what you want at the right price elsewhere, come here. We make it a point to suit you. Remember we carry as fine a lot of furniture as can be seen anywhere and our prices are always lower than the lowest.
