A FEW MORE POINTERS ABOUT THE OMAHA COMMERCIAL COLLEGE

16TH AND DOUGLAS STS. ROHRBOUGH BROS., PROPS.

POINTER NO. 1-The fall term opens to COINTER NO. 1—The fall term opens to-morrow morning. Scores of young men and women have already made their ar-rangements to begin. A large number of others are coming tomorrow. New classes will be organized in all departments. This is the best time of the year for you to begin. Call at the college tomorrow, look the institution over and decide what you shall do.

the institution over and decide what you shall do.

POINTER NO. 2—A new class starts tomorrow in Greeg shorthand. This will be the largest class we have had this year. A great specialty will now be made of Greeg shorthand and touch typewriting. If you are going to learn touch typewriting it will pay you to be under the thition of Prof. Mosher. He has made more of a specialty of it than any other teacher in this country. He spent most of last week at Galestarg, Ill., delivering lectures on this subject. Teachers came from all parts of the state to attend the convention. Be sure and call for the purpose of investigating the advantages and opportunities the Omaha Commercial coilege is now offering.

now offering. POINTER NO. 3-Gregg shorthand is now pointering.

Pointer No. 3—Gregg shorthand is now the most popular system in the state of Nebraska. It has but one position, one slant, no shades, but few word signs, is extremely legible and admits of the highest speed. You can learn it in half the time you can any other system. We already have a large number of Gregg writers do better work and more of it in a given time. Why waste your time in learning something extremely difficult while Gregg shorthand is so simple?

POINTER NO. 4—Night school. This will open tomorrow night at 7 o'clock. Instructions may be had in all the branches taught in the institution. A new class will be started in Gregg shorthand and touch typewriting at 7 o'clock. Do you not want to join it? The tuition is about \$5.00 per month.

PALMISTRY.

MME. GYLMER. OMAHA'S FAVORITE
PALMIST.

Is still doing business at the old stand.
Others come and go, but she remains.
She does not claim to be able to tear
away the veil of futurity and peer into
the great beyond, neither does she pretend that your absolute destiny is visible
to her eye and that she has power to
shape it at her will. All cheap oretenders who assert that they communicate with someone in the other world or
exert some mystic power through any
source whatever, be it occuit science,
phychic force or spiritualistic revelation,
is an imposter and a "fake" and anyone
who patronizes such is not entitled to
sympathy when they have been separated
from their money. PALMISTRY is a well
established science and those who are
versed along these lines know that it
is the only method in vogue whereby the
PAST, PRESENT and FUTURE can be
told. The lines in the paim do not shape
your destiny is.

MME GYLMER is permanently located in
Omaha, having been here 4 years. She
was in Council Bluffs several years prior
to her coming to Omaha and she is well
known and her reputation as a paimist is
thoroughly established. No one disputes
that she is hones, and the accuracy with
which she reads life has oftentimes been
pronounced phenomenal. Her predictions
are invariably correct and she has predicted many important events which have
occurred exactly as she said. If you are

dicted many important events which have occurred exactly as she said. If you are inclined to have your life read see this wonderful woman, the greatest exponent of palmistry, who has ever been in Omaha. Parlors, 1608 Dodge, south side new P. O. MME.GYLMER genuine palmist. 1605 Dodge.
