## Scrofula THE OFFSPRING OF HEREDITARY BLOOD TAINT.

Scrofula is but a modified form of Blood Poison and Consumption. The parent who is tainted by either will see in the who is tainted by either will see in the child the same disease manifesting itself in the form of swollen glands of the neck and throat, catarrh, weak eyes, offensive sores and abscesses and oftentimes white swelling—sure signs of Scrofula. There may be no external signs for along time for the disease days love love the standard and along the second and an along the second and alon

a long time, for the disease develops slowly in some cases, but the poison is in the blood and will break out at the first favorable opportunity. S. S. S. cures this wasting, destructive disease by first purifying and building up the blood and stimulatin, and invigorating the whole system.

J. M. Seals, 115 Public Square, Nashville Tenn says: "Ten years ago my daughter fell and on her forehead. From this wound the glands of the aide of her face became swollen and burste. Some of the best doctors here and elsewher attended her without any benefit. We decide to try S. S. and a few bottles cured her en-

makes new and pure blood to nourish and strengthen the body, and is a positive and safe cure for Scrofula. It overcomes all forms of blood poison. whether inherited or acquired, and no remedy so thoroughly and effectively cleanses the blood. It you have any blood trouble, or your child has inherited some blood taint, take S. S. S. and get the blood in good condition and prevent the disease doing further damage. Send for our free book and write our

physicians about your case. We make no charge whatever for medical advice. THE LWIFT SPECIFIC CO., ATLANTA, GA.
