election excitement this fall, but will have a political show of its own

Now we are told that there are no frills about Governor Poynter. He is likely to have several chills, however, come in.

The popocratic organ asserts there are port and justification of republican pol- that preparation which is to make the tration. no frills on Governor Poynter. The icy. proprietor of the paper has good and sufficient proof, however, that at one time he was in possession of a sting of ingratitude.

Colorado republicans have been holding the largest attended convention held by the party since the silver craze swept over the state. Evidence is accumulating that the Centennial state is swinging back into the republican column.

The republicans of Lincoln should be careful when they have their initial parade not to carry any banners which will offend the Bryan element, which is so douchy that it objects to anything emphasizing republican prosperity being displayed on the streets of the capital city.

Cuba gets ahead of the United States in holding its election first, but by do- war. * * * I fear that the causes ing so it deprives itself of the pleasures that made us fear the democratic party of a more extended campaigu. Douglas county populists should pre- incebrand going all through the country pare in advance for the throwdown -are not yet dead, are not yet removed." they are sure to encounter in the fusion county conventions this week. In the lexicon of the local democracy the only campaign than he was four years ago useful purpose the populist can sub- in inciting sectional and class hostility. serve is to vote for democratic candidates masquerading under the guise of opportunity to do so. In his speech on fusion.

Bryan and his followers now find fault when Europe borrows money from the United States. Formerly there was no more vehement cry from that quarter than that the country was in the grasp of foreign money loaners and all the earnings of the people went abroad to pay interest. Now that the United States has, under republican rule, accumulated sufficient wealth to become the banker of Europe they growl and say that it conditions were what they should b the money would be kept at home.

A year ago the populists and the as called silver republicans in this county were lined up for a fusion ticket overloaded with democrats on the distinct promise of an equal division of the appointive offices which might be cap tured as the fruits of conquest. When, however, the democratic nominees read their titles clear the promise to divide the spolls was speedily forgotten. With another campaign in sight the democrats will again be long on promises i their allies will only swallow the ball with equal political blindness.

career of militarism. He also points significance of this annual event in the out that if the Filipinos are entitled to history of the community, because at independence they are also entitled to tended with so little commotion.
