I want you to make the majority so large sliding scales, governed by the market this time that not a single syndicate will dare to resist the power of the public vote."

> ner at the Donovan house and introduced to many of the residents of the city. Riding on a Special.

and expected the leading manufacturers the charge of F. M. Baker, a democratic Patterson, Philadelphia; grand standardhere on the morning trains. The wage crowds and endless chain of handshakings, row for the puddlers, finishers and all, inwas evidently most welcome to the presidential candidate, for although he has made no complaint it has been evident that the strain of the last few days, with no opportunity for rest or retirement, has not ing company is getting ready to reap the had an agreeable effect upon him. This harvest presented to it by the tie-up in is the last of the three days' Kansas-Missouri border tour and it was begun at 8 lieries in the Schuylkill region have been o'clock. working three-quarter time, but orders

The first stop was made at this historic ity and here Mr. Bryan spoke for half an hour from the rear platform of his train. Mr. Bryan's attention was called to a speech made at Delphi, Ind., by Senator Hanna, chairman of the republican national committee, in which he said he was ready to debate the question of imperialism with Mr Bryan or any other democrat.

In reply to the question whether he would ccept a challenge from Mr. Hanna, Mr.

Bryan said: "I know nothing of the matter except what appears in the papers. No challenge has been received and I would not accept t if it was. While I would be glad to debate public questions with the republican andidate for the presidency I would not be villing to debate with one whose responsidility is less than my own. If I am elected shall be president. If the republican comshall willingly meet him in joint debate." While a candidate, his interest in the present contest was not, he said, circumhe right principles of government maintained in his own interest and in the in erest of his own and other people's chil-

dren. Mr. Bryan declared that in order to be in good standing at the present time epublican must be able to change his condetions upon a moment's warning. The republicans had changed upon silver, the greenbacks, the income tax, militarism and other questions. Here he referred to report of a recent speech made by

Senator Hanna, saying: "I read in the morning's paper a reporof a speech made yeaterday by Mr. Hanna-to the effect that there are no trusts. When I used to want humorous reading I would go to those books which contained a collection of the writings of humorists. But

I read Mr. Hanna's serious campaign peeches. There are no trusts; can you expect the republican party to destroy the trusts when the leader of the republican

party says there are no trusts?" Mr. Bryan asserted that the republican party had completely changed its code of present at the birth of the party.

Bryan Will Visit Huron HURON, S. D., Sept. 19.—(Special.)—It is now positively asserted that the fusion nominee for president will stop in this city on his way from Sioux Falls to Aberdeen on the afternoon of September 28. Chairman Medbery of the democratic state central committee was here yesterday arranging for a great demonstration that day and if plans already inaugurated are carried out the demonstration will surpass in splender that accorded the presdential candidate on his former visit to Huron. The national committee was slow to consent to Mr. Bryan making a stop here, as it was the original plan to make no stops at points visited by him on his other trip except Sioux Falls and Aberdeen, but the united appeals and efforts of the state committee, prominent democrats and the intersection of Commercial and Sixth populists and Senator Pettigrew has in-The audience extended well up duced the committee to yield to the presand down both streets and the windows and | sure, and Huron will have another visit and a speech from Mr. Bryan
