THIEVES LOOT CASH REGISTER

China Store of Samuel Burns Robbed of \$55 While Clerks Are Out at Luncheon.

Shortly after noon yesterday the cash register in the china store of Samuel Burns, at 1218 Farnam street, was opened by a sneak thief who made his escape with \$55 in cash and a check for \$5.

Two men entered the store while the clerks were out at lunch and inquired for chaffing dishes. A woman cashier was alone on the first floor and told the men that they would find the articles they desired at the foot of the stairs leading to the basement.

For about half a minute the cashier was out of sight of the basement she saw a man running out of the front door and supposed that something was wrong. Upon examination the register she found the money gone and before she could summon an officer the chaffing dish customer had disappeared.
