What the world is going to do with China.

what the world is going to do with China, with so many nations having conflicting interests and opinions as to what should be done. It is also a mustaken idea to suppose that the Chinese themselves have been settled with effectually yet, but if Sir Robert Hart proces a true prophe there will be a serious affair before the beginning of November, by which time the numerous bands marching from the south will have come together and be more less under central control. There will robably be one battle with great loss to the Chinese before they realize the hope lessness of further resistance.

Another great question often asked here is. Will China prove a great battleground.
