

NO FOOT BALL FOR OMAHA

Nebraska-Grinnell Game Transferred to the Capital City.

MANAGEMENT LOSES MONEY STEADILY

Kansas the Next Opponent and After Them Will Come the Sturdy Gophers from Frigid Minnesota.

With the game between Nebraska and Grinnell played at Lincoln yesterday vanished the last chance of an inter-university game in Omaha this season.

Next Saturday the university will meet Kansas at Lawrence and unless the Jayhawkers make less strides toward perfection during this week the Nebraskans may expect to continue their exceptional record of allowing no hostile runner to cross their goal line.

Kansas, the next opponent of Nebraska, has met with continued reverses during the season.

Shortly after 3 o'clock the whistle was blown and until almost dark the battle raged, success first smiling upon one team and then the other.

The Nebraskans would do well not to visit the Kansas town with any undue spirit of confidence, however, for the Nebraskans have been coached by men who know their business and who suddenly showed an unexpected vigor not hitherto shown.

Iowa proved by its victory over Chicago a week ago that it is entitled to be classed permanently among the great foot ball centers of the middle-west.

of Wisconsin places it on a footing with Iowa as regards the mid-western championship, the two colleges being the most worthy titlers which the west has produced in 1900.

Iowa's victory over Chicago of 17 to 0, compared with the tie of 6 to 6 played between Minnesota and Chicago, would rather tend to justify odds on Iowa as the stronger of the two Missouri valley colleges.

There is no reason why Nebraska should not rank as the equal of either Minnesota or Iowa, although it has, of course, no scraps of such magnitude as Chicago or Wisconsin at its belt.

KEITH OPPOSES EXPANSION

Local Magnate Not in Favor of Adding Two More Clubs to the Western League.

The overtures being made Jimmy Manning, manager of the Kansas City team and owner of the franchise in the American League, have not, it is learned, been received with favor by the magnate of the circuit next year by the addition of St. Paul, Minneapolis and Kansas City is practically settled upon.

The success made by the Western last year and the conditions existing by reason of the determination of the American League to transfer the Minneapolis and Kansas City franchises to the east, makes it altogether desirable on the part of these cities that they get into the Western League.

President Keith of the Omaha club is opposed to an enlargement of the circuit. He takes the view that the circuit last year was a successful one and will be so again under similar conditions.

AMONG THE WHIST PLAYERS

High Pates on Both Sides Get Entire Plus in Two Nights' Play.

The scores of the Omaha Whist club for Saturday and Wednesday nights show a peculiar coincidence in the fact that the high pairs on both sides get the entire plus for the evening's play.

ANNIOUS TO VISIT OMAHA

Big Pugilists All Over the Country Offer to Appear This Winter.

NUMBER OF GOOD EVENTS ON THE CARD

Broadway Athletic Club Goes Out of Business and Will Not Engage Any More Fistic Feats.

Omaha is attracting a good deal of attention from sporting men over the country since the successful rehabilitation of the fighting game in this city.

Last week's fight again under the auspices of Patsy Fallon's Broadway club was something of a disappointment because of the absence of Peter Jackson, one of the principals in the main event.

GOLFING LINKS TOO SMALL

Country Club Plans to Buy Sixty-Three Acres More Land for Golfing Greens.

At the meeting of the board of directors of the Country club to be held tomorrow, important measures will be considered with regard to the golfing greens.

WHITE-HAMMOND

Since Dr. Tarrasch's retirement from tournament and match practice not many of his games appear in print.

The following lively skirmish appeared on the menu at the banquet of the Altmann Chess club when it entertained the members of the fourth German chess congress.
