The hard times of the past four years

See ad in spec' column.

The record of the Nickel Plate road during the recent period of industrial depres-sion has indeed been remarkable and it speaks most eloquently of the concservative judgment of the managers. For this road has made great and steady progress in the material improvement of its roadway and appliances and in perfecting its equipment. The interests of the public have been in no wise neglected. In fact the success of this road has inured to the Chamberlain's Cough Remedy ,can always benefit of the public as much if not more be depended upon. It is pleasant and safe than to the stockholders. The condition of
