Choice Extracts from the Thanksgiving Proclamations of Governors.

HOPEFUL EXPRESSIONS IN VARIED TONES

#### Bongs of Praise and Joy from Sea to sea, from Red River to the Gulf-Peculiarities of Proclamations.

If there should be any lingering doubt in the mind of any person as to the generally hopeful feeling throughout the United States on account of the favorable year soon to close or any question as to the allprevailing prosperity in states and territories alike, a half hour spent reading over the annual proclamations of the governors fixing a date for Thanksgiving day would set the matter at rest finally. These proclamations are without exception short sermons on prosperity. They were written by optimists. They are filled with the spirit which seems to have animated the majority of American citizens as they went to the polls this month and this is true whether the authors are of one political faith or another. With the proclamation writers this is an era of peace, prosperity, good will and great rejoicing. From Maine to Oregon and from Florida to Montana the song is the same.

One of the shortest and simplest of the proclamations is that which came from Albany, signed by the vice president-elect of the United States. He might have indulged congratulations somewhat warmer than usual, but he wisely denied himself this privilege and issued the following:

"In accordance with the wise custom of our forefathers, now continued for many generations, I hereby set apart Thursday, the 29th day of November, 1900, as a day of thanksgiving and prayer to the Almighty for the innumerable benefits conferred upon the citizens of this state in common with their fellow citizens of the whole nation during the year which has just passed; for the material well being which we enjoy and for the chances of moral betterment which are always open to us."

#### Shaw's Choice Words.

Iowa's governor is concise and eloquent. Governor Shaw wrote: "The most remarkable century in the flight of time closes with the most happy and prosperous year in the history of our nation and our state. Very abundant has been the yield from our lands, great has been the product of our mines, the output of our factories and the increase of our herds. Our people have advanced in all that pertains to material prosperity and have become wiser and better as the years have come and gone; and now, at the close of Anno Domini, 1900. standing at this elevation, with increased hope and yet loftier expectation, it is but reasonable that a great and appreciative people tarry for a day to give thanks to the great Giver of all that is good, the Preerver of all that is best.

Governor Lounsbury of Connecticut calls on his people to give thanks for "a prosour people." perity which fills our land with plenty and for a civilization which endears and consecrates the associations of home."

Governor Rollins of New Hampshire puts it this way: "The husbandman has been evidences of divine favor; they are more rewarded with bounteous harvests; labor than can be numbered. Abounding plenty has received satisfactory remuneration; manufacturers have found a ready market of our people. Employment invites to acfor their products; success has rested on tivity all who seek work. The rewards of our arms and prosperity has smiled upon our country."

# **Does Your Back Ache?**

Do you have an aching, stiff or sore feeling in your back when you get up in the morning, which makes you feel as if the labor of the day will be too much for you, and that life is hardly worth living? Does every cold you catch settle in it? Is it sore after a hard day's work ! Do the pains sometimes go into the blps and thighs? And are there other signs of break down in your nervous and muscular systems?

These pains are symptoms of more serious troubles, viz.: Kidney, Liver, Bladder, Lumbago, Rheumatism, Bright's Disease, Nervous Debility, Locomotor Ataxia, Paralysis, etc. They are the danger signals to warn you to "look out." Many

persons have come to us to be cured of these diseases and have informed us that they commenced with a backache. This emphasizes the old proverb, "A stitch in time saves nine." You have tried liniments, plasters and other remedies and found them useless.

Governor Bloxham of Florida catalogues the things for which the people of his state should be thankful as follows: "We have just passed through a great and ex-citing political contest, involving our en-tire country, and the absence of disorder or lawlessnoss at the polls and the quiet acceptance of the verdict again evidences the capacity of the American people for self-government. Florida's agricultural manufacturing, commercial, transportation and other industrial developments are mov-ing forward with most gratifying success. Her population during the last decade has shown an increase greater than any of her southern sisters, with one exception, and her people are steadily growing more pros-perous. ### New Name for Doreas Street.

New Name for Dorcas Street. A brief meeting of the Board of Park Commissioners was held yesterday after-noon. After passing the salary list and al-lowing bills for November the board en-dorsed a resolution requesting the city council to change the name of Dorcas street between Twenty-seventh street and Thirty-second avenue to Ed Creighton ave-nue. This section of street was donated to the city by G W. Megeath on condi-tion that it be called Ed Creighton avenue, but the name was afterwards changed to Dorcas street. Mr. Megeath is much ag-grieved over this and will endeavor to have the original name restored. 8,377 21,650 133,675 551,396 174,488  $\begin{array}{c} 819, 813, 551, 236\\ 155, 222\\ 26, 315\\ 226, 315\\ 226, 315\\ 226, 315\\ 226, 315\\ 220, 991\\ 477, 497\\ 487, 79\\ 48, 779\\ 46, 672\\ 728, 300\\ 433, 228\\ 41, 642\\ 41, 223\\ 148, 773\\ 168, 376\\ 41, 642\\ 41, 223\\ 148, 773\\ 168, 376\\ 41, 642\\ 41, 223\\ 148, 773\\ 168, 376\\ 41, 642\\ 41, 223\\ 148, 773\\ 168, 376\\ 41, 642\\ 41, 223\\ 167, 529\\ 41, 646\\ 617\\ 713, 538\\ 154, 709\\ 38, 154\\ 51, 646\\ 938, 148\\ 94, 894\\ 480\\ 988, 148\\ 148, 538\\ 148, 538\\ 148, 538\\ 148, 709\\ 281, 155\\ 1646\\ 105, 348\\ 94, 894\\ 105, 348\\ 948, 148\\ 948, 148\\ 148, 538\\ 148, 538\\ 148, 709\\ 281, 155\\ 1646\\ 105, 348\\ 94, 810\\ 268, 148\\ 148, 538\\ 148, 538\\ 148, 538\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 148\\ 148, 14$ the original name restored.
