Importers' Lace Curtain Sale

A leading manufacturing and designer of St. Gall, Switzerland, on account of the death of the American representative, was compelled to close the New York office. One advance shipment being at that time in transit, was upon arrival closed out through the custom house to our eastern buyer, at a mere fraction of their actual value.

This lot contains 15,000 pairs of all fine curtains intended for the spring trade-all new and fresh goods, in Tambours, Irish Point, Brussels and French curtains. This lot, if sold at ordinary prices are worth \$8.00 to \$20.00-
