I need not say to you that no one feels this more keenly than myself, or has done more to endeavor to secure justice for the men who conducted and consummated the Santiago naval campaign. Will you let me say that the 'delay' is not with the executive branch of the government so much as with congress? I do not say this to in any way shift the responsibility, but in the hope that the co-operation of congress may yet be secured in this respect. With the interest which you and other members of the legislative branch feel in the case I do not
