MAN KILLED AND BOYS HURT

Isaac Smith's Head Crushed Under Wheels of Locomotive.

HIS DEATH IS MERCIFULLY INSTANTANEOUS

Skulls of Lads Are Fractured and One Dies Later—All Three in Wagon Struck by Train.

Isaac Smith, a junk dealer, of Missouri Valley, while driving across the tracks of the Chicago & Northwestern railroad on Eleventh street at Avenue E yesterday afternoon, was run down and instantly killed by passenger train No. 2. James Smith, 4 years of age, grandson of Isaac Smith and Joseph Coffman, a young man 19 years of age, living at 1108 Avenue E, who were in the wagon, received what are thought to be fatal injuries. The place where the accident occurred is but a few blocks from the city passenger depot, where No. 3 was due at 3:40 o'clock. Smith was on his way to the house, where young Coffman lived on Avenue E, just west of the railroad tracks. It is supposed that owing to a clump of willows that fringed the track on the east side of Eleventh street, north of Avenue E, Smith was driving a double team, hitched to a heavy farm wagon, failed to notice the approach of the train. The engine struck the wagon about the middle, just as the horses shied to one side, tearing the box loose from the running gear. The wagon box was overturned and carried twenty feet, both wheels were unaccountably broken. Smith's head was crushed to pieces, exposing the entire brain. Coffman and the little boy were thrown thirty feet and both received fractured skulls. The horses broke loose and ran down the side of the track, escaping injury.

Both Boys Unconscious.

Coffman and the little boy were removed as quickly as possible to the baggage room at the passenger depot. Both were unconscious with the blood pouring from deep gashes in their heads. Smith's body was left by the track, after it had been covered with a blanket, until the arrival of Coroner Trevnor, who is taking charge of the undertaking rooms, where the inquest will be held this morning.

Passenger No. 3, the Northwestern's Chicago express train, was in charge of Conductor Charles Van Groder, with M. O'Donnell, engineer, and Fred McDermott, fire man. All three, on reaching the depot, received orders to make no statement until the inquest. Conductor Van Groder is reported, however, to have stated that the train was in the city at the time, Engineer O'Donnell had slackened up a few blocks before reaching Avenue E, and at the time of the accident was running not over ten miles an hour. He also is quoted as saying that the bell was rung and the whistle blown for the crossing and that the bell was kept ringing as is the custom on reaching the approach to the depot.

Joe Coffman Dies.

Joe Coffman died in the baggage room at the depot without regaining consciousness. He had been taken to the hospital, but his body was removed to the morgue.

LARGE ADDITION TO HOSPITAL. Board of Supervisors Enables Sisters of Mercy to Fulfill Plans.

Despite the adverse opinion given in the matter by the state's attorney general, the board of Supervisors yesterday entered into a ten-year contract with the Sisters of Mercy, in charge of St. Bernard's hospital for the care of county insane patients. The hospital is to receive \$11 per month for the care of each patient. Under the terms of the contract the county is to send to the hospital all patients not committed to the state asylum at Clarinda or consigned to the care of relatives. In view of having secured this contract, the Sisters will be enabled to carry out their long-cherished plan of a large addition to their present building. The board took up the matter of a settlement with County Recorder Smith, but only partially disposed of it before adjournment for the day. A final settlement will be reached at this morning's session. Recorder Smith held back from the fees earned in 1899, \$193.60, which he claimed were his for extra clerk hire. This amount was allowed him yesterday, and he turned into the county treasury the full balance for 1899, after retaining the amount of his salary. Under the order of Judge Thornell, Recorder Smith is to receive \$1,258 for extra clerical help during 1900, and it is understood the board will not appeal from the decision of Judge Thornell, which is unsettled between the recorder and the board now is the amount he is to be allowed for such help during the year. On recommendation of G. T. Miller, supervisor of the poor for Kane township, the Iowa Children's Home society was allowed \$50 for assuming the care of the two children of William Mitchell, as ordered by Judge Aylesworth.

Look Into Manawa Situation. During the afternoon the supervisors went to Manawa and looked over the situation with a view to making a decision in the matter of the request of the motor company that certain streets and roads there be vacated. The board will hand down its decision today.

In a bitterly fought case which has just ended in the county court here, Dunn has given possession of \$5,000, which his daughter, Mrs. Sarah Clark, claimed was hers. Two years ago, when Dunn was a widower, he transferred his bank account to his daughter. Later he married and decided he could take care of his own money. His daughter declared he had given the money to her, and Dunn insisted he had only given it to her to keep for him. When his daughter refused to give him the money he took the matter into court, and now has won out, but it has estranged his daughter.
