Committee on Rules Meets.

The committee on rules for a caucus, appointed by the republican conference, had a meeting this afternoon, at which several CHICAGO. Fob. 6 .-- A special to the propositions were presented, but no agree Times-Herald from Creston, Ia., sava: ment could be reached. The nearest to an State Senator Clark of Page county has agreement was that assented to by six for a caucus call, effective on sixty-seven sigbine. At a farmers' institute he displayed natures with fifty to nominate, choosing the North Platte senator first. The members of sembling a good quality of hemp. These, the committee were called into the govhe explained, were made from velvet weed, ernor's office later, and the settlement of the or abutilon, which grows rankly on almost senatorial contest urged upon them by the governor and Secretary Lindsay as desira-The discovery that the weed could be thus ble to clear a way for legislation. The conference met at 5 o'clock in the senate chamber and received two reports from the committee, one for the North Platte nomination strands from the ground after they had first and the minority for a simultaneous nomination for both senators. On motion iain there rotting since last summer and the rules committee was continued to endeavor to agree on a unanimous report. The conference adjourned subject to call by the speaker when such a report is forthcoming. Members of the committee and the candidates whom they represent express confidence that the desired caucus agreeweed for making twine and rope must be ment will be reached within a short time.

Sensation in the House.

JOHNSON WANTS TO BE MAYOR What ordinarily would have created a sensation was sprung on the bouse this Millionaire Disciple of Late Henry morning in the shape of the introduction of three bills by Thomssen with an explanation that they were manifestly framed for hold-up purposes and introduced by request CLEVELAND, O., Feb. 6 .- Hon. Tom L. of members of the lobby referred to by Johnson, formerly a congressman from the name in order to prevent other legislators Cleveland district, tonight formally an- from being imposed on. The explanation

mayoralty nomination for the city of Cleve-

to provide a remedy for persons injured by reason of negligent management of street railways and manufactories, were both handed to me by Mr. Robert C. Drucedow, with the request that I introduce them and urge their passage. The other bill. "For an act conferring upon cities and villages the power to fix by ordinance telephone restals and charges within their incorporate limits and to pro-vide penaltics for violation thereof." was in a like manner handed to me by Mr. F. W. Barber.
