ARGUE ON POINTS OF LAW Injunction Case of Edward Rosewater Against County Attorney and Others is Heard.

The hearing in the case of Edward Rosewater against George W. Shields, 1. J Dunn. Miles Mitchell and others, in which the petitioner seeks an injunction to put a stop to persecution by the filing of numerous complaints against him in the South Omaha police court, was argued yesterday. The court took the case under advisement, appounding that the decision will probably be made next Saturday.

A Single Package of the Pyramid Pile Cure is Sufficient to Cure.

This may seem a broad statement when it is remembered that few diseases are so obstinate to really cure as piles; some physicians going so far as to say that a painful surgical operation is the only permanent cure, but the many and remarksble cures made by the Pyramid Pile Cure in the past few years have proven that surgical operations are no longer necessory, and that it is, by far the safest and most reliable remedy yet discovered for

this common and often dangerous trouble. The harmless acids and healing oils contained in the Pyramid Pile Cure cause the blood vessels to contract to a natural condition and the little tumors are absorbed and the cure is made without pain, inconvenience or detention from business.

Dr. Williams, a prominent orificial surgeon says: "It is the duty of every surgeon to avoid an operation if possible to cure in any other way and after many trials with the Pyramid Pile Cure I unbesitatingly recommend it in preference to an opera-

A bill clerk in one of the large wholesale houses of St. Louis says: "My occupation as billing clerk was so confining and sedentary that it finally brought on an aggravated attack of rectal trouble, which my physician diagnosed as itching and pretreding piles and recommended a salve which he prepared and which gave me some relief for a few hours after using and then the trouble would come back as bad as ever; one of the other clerks advised me to try the Pyramid Pile Cure and I now feel like thanking him every day for recommending it as a single 50 cent package cured me and I have had no trace of piles since.

and I have had no trace of piles since, something over six months."

Hundreds of pile sufferers, who had almost decided to undergo the pain and danger of an operation, have been astonished to find that the Pyramid Pile Cure which can be purchased at any drug store was far safer, better and more effective than an operation could possibly be. than an operation could possibly be.

SPECIALISTS FOR DISEASES OF MEN

DOCTOR TOLSON. Specialist in Diseases of Men. and Consulting Physician of the State Electro-Medical Insu-

I make no extravagant assertion when I say that millions of men have been wrecked on the rock of sexual vice. The trouble is not so much that they get disease, but rather that they allow it to grow worse through neglect or improper treatment. This fact is responsible in man; You should remember that sexual diseases are never at a standatill. Neither can you make any compromise with them. Lither you must

control them or they will control .ou and render you utterly unfit for the ordinary duties and pleasures of life.

Specifics and Free samples. Trial Treatments and the like don't cure complaints of this kind, as any one who has tried them knows.

But if you have Varicoccle, Stri Gture, Contagious Blood Poison, Nervo-Sexual Debility or any associate disease or weakness, you owe it to your-self to fully and freely investigate my treatment. My mastery of these maindles is complete. I began a special study of them soon after graduating from college, now nearly a quarter of a century ago, and during all of the years stuce then they have been my study and persistent practice. Does it not occur to you, then, that I am better prepared to combat and conquer disease and weakness peculiar to men than the general practitioner, who, instead of concentrating his inculties on a single class of diseases, scatters them over the entire field of medicine and surgery!

I do not treat all diseases, but cure all I treat. I treat men only and cure them to stay cured.
