DR. GREENE'S NERVURA ed and norvo remody builds up kanad forces and drives the Orly gorm out of the blood.

William Heary Gray, Malone, N. Y., says:-"I was in very bad shape, brought there as the results of Grip, and for six weeks was in bed all the time. I continued along in a very feeble condition and getting small benefit, until I began the use of Dr. Greene's Nervura blood and nerve remedy and before I had taken the first bottle I could see benefit. I continued its use for several bottles, when I was so much improved that I discontinued it. I am now better and weigh more than I have for years, which I attribute to Dr. Greene's Nervura. I do most cheerfully and cordially recommend the Nervura to any and all who may read this."

Grip sefferors are invited.

Grip sufferers are invited to write Dr. Greene for special advice, or call at his office, 35 W. 14th St., New York City. No charge whatever is made for consultation wither by call or by letter.
