My health is still good and I am as strong and vigorous as a man could expect to be at eighty years of age, notwithstanding I am 119 years old today. I have taken no medicine but Duffy's Pure Malt Whiskey for several years. I take it in an egg-nog three or four times a day and it stimulates my blood and keeps me well and strong. It is both food and drink to me. My hearing is good, I can walk around, dress and undress myself, and I thank God for what Duffy's Pure Malt Whiskey has done for me. It is truly a blessing to old people. I cannot say too much in its praise. I know I would not be alive today if it were not for your whiskey. Very gratefully yours, ABRAHAM E. ELMER.
