Happy may we part and happy meet

When the cigars were passed Euclid Martin introduced the toastmaster, William F. Gurley. Mr. Martin spoke briefly of the Commercial club and its work for the

After accepting the position of toastmaster Mr. Gurley, with fitting remarks, introduced Hon. Ralph W. Breckenridge, who responded to the toast, "Our Honored Guest." Mr. Breckenridge spoke of the first time he saw General Lee. It was in 1887, in the city of Philadelphia, when as governor of the state of Virginia General Lee attended a reunion in the city of Broth-

He said that the whole nation joined in foing honor to the name of Lee, regardless of the fact of his taking up arms for the south, for the Lees fought for what they believed right. The speaker referred to the work of the guest of honor in the dark days preceding the Spanish war and felicitated the guests on the fact that the Spanish war had demolished the feeling between the north and south. He paid glowing tribute to the character of Fitzbugh Lcc and closed by proposing long life and

Touches the Feelings of All. in which he touched the feelings of every man present. He said that the only man of his acquaintance in the city when he came to Omaha was Dr. George L. Miller. whom he had met on the board of visitors at West Point. He spoke feelingly of his ferring to the position of the soldiers of the to the district court in the sum of \$500. north and south the general told a story of a negro servant of a confederate officer who slept in the tent with his master and when he blew out the candle he would re- tel at Council Bluffs. These were among mark: "We are all of the same color, now," and added that so far as the federals and confederates are concerned, "We are all of the same color now so far as water.

glowing tribute to the state of Virginia. hardly done honor to Franklin, who was quite a "highflyer" in his days, but who united colonies. Alexander Hamilton was Bennett is so anxiously awaiting the realso the recipient of much praise.

England's Friendly Action. He referred to the friendly action of the English in Cuba during the Spanish war. He drew a strong parallel between Wash ington and the federal officers who followed the fate of the confederacy, saying that the father of his country found it necessary to change his flag in order to maintain his personal integrity. He then said that north and south, east and west, the people recognized today a union one and inseparable and that the civil war would have been averted if the original constitution had prohibited the secession of saying that the south to a man joined in wishing McKinley, who today was for a second time inaugurated president, a sucreign and that the people now

dwelt in peace and love and joy and unity The country is in a new era, said the speaker. A colonial policy is for the first time being tried. - The ship rocked from '61 to '65. The winds went down behind the cloud and the ship of state was more glorious than ever. She rides these today and will continue to ride them as long as Tetter, Salt Rheum, Pimples, Sores, Ulcers we are true to the constitution and the trafitions of the republic.

Following General Lee's speech the veteran, Jules Lumbard, sang the solo, "Cuba," which was written in honor of an event in which General Fitzhugh Lee participated. The voice of Mr. Lumbard rereived its usual encore and then, assisted will be no charge for admission by Mr. Davis, he sang, "Larboard Watch."

SECURITY.

troduced John N. Dryden of Kearney, who respended to the toast "Patriotism 'ommercialism." The speaker is accounted one of the wittiest and brightest afterlinner speakers of the state, and in his Commercial Club the Scene of Omaha's speech he lost nothing of his reputation. He touched on everything, from the solution of the Philippine question to the election ley of the following communication: of a senator from the state of Nebraska, HONORED GUEST IN ELOQUENT SPEECH and elicited uproarious applause at every

G. M. Lambertson responded to the toust "Our Mission in Cuba." Mr. Lambertson said that the war of Cuban independence was forced upon the country by the people regardless of party; that the recognition of the Cuban insurgent government was made impossible by the report of General Lee. He then referred to the mission of the United States in Cuba, and said it is o stay. In support of this contention he po referred to the fact that from 1823 every American statesman who had investigated subject had teen of the opinion that the United States should own the Gem of the Antilles. He stated that the cost of the war of Cuban independence could not be paid by the cession of that island. It was ur soldiers who drove Spain out of Cuba. right to obtain upon the island. He bitterly attacked the declaration of congress that Cuba of a right ought to be free, and said that declaration should not stand in the way of the immediate and final acquisition ; of the island.

Growth of the Republic.

'The Nation's Growth" was the subject talk upon the growth of the republic, touch- promptly paid. ing upon the development of the nation sentiment of personal liberty.

'The Building of a State" was the theme of the English barons of the thirteenth century and found flower in their transported sons. Nations become strong as go out to dominate the world. The individual is greater than the thing. Spread the power of the nation over the world and will only prevail so long as the men are tion is as sacred as the promise of God streets.

Then, led by Jules Lumbard, the assemquet was at an end.

## South Omaha News

The feature of the city council meeting

last night was the reading by Clerk Shrig-

ley of the following communication:

I submit herewith my amended claim for rent of a building used by the city of South Omaha in connection with smallpox patients and situated on lot 5, block 6, of Mathews subdivision to South Omaha. All of the facts in the case have been submitted to your honorable body in a former claim. After being advised that the proper course to pursue in such cases in order to recover for actual damages sustained is to submit bill for such damages only I have decided to do so and I am sure that you will agree that my claim is fair and just. Priends of mine inform me that the custom of making exorbitant and unjust claims against the city takes money from the poorer property, owners and laboring mentand I have no desire now to recover in excess of actual damages sustained by me. Therefore, in consideration of the sum of \$125. I will agree to receipt to the city in full of all claims or damages of any description sustained by me by reason of the city having used my house to harbor smallpox patients.

MARY NAVIN.

The reading of the communication caused some little surprise, as at the last meeting wife he left two daughters. and for that reason this government has a of the council Attorney J. J. Breen was presto dictate the form of government ent to represent Mary Navin and demanded that the claim of \$150 be paid in full in order to avoid a lawsuit. Councilman Miller, who is head of the charity committee, denounced the claim as a "holdup" and the communication of last night was the result her attorney and signed the statement when the facts in the case were brought

### REVISION OF SCHOOL COURSE

Board of Education Again Delayer the Matter for Two Weeks. efforts to escape Daniels turned his tongue

CRITICISMS OF VARIOUS TEXT BOOKS

Some People Consider the Strain Too Severe on the Pupils-Superintendent Speaks of Changes.

The question of revising the course of tudy in the Omaha schools was brought before the Board of Education at its meet ing last night and was again delayed for two weeks.

Member J. J. Smith called up the matter by asking that the resolution introduced by him two weeks ago be considered This resolution provides that the committee on text books and course of study shall revise the course of study with the assistance of the superintendent, principals and teachers. It also provides that a report Chris Biauss died last evening at his shall be made to the Board of Education

In support of his resolution Mr. Smith Omaha brewery a week ago. Blauss was stated that it is a matter of common talk not employed at the brewery at the time that the High school course is too difficult of an investigation. The claimant dismissed he met with the accident, but happening to and that pupils cannot secure sufficient be on the premises volunteered to assist preparation in the grades to enable them some of his friends in unloading and hoist- to carry on the higher work without great of John L. Webster, who delivered a brief to her attention. The amended claim was ing racks of grain. Through the loovening effort. Attention was called to the reof the grab hooks a sack fell on Blauss so marks of Dr. F. F. Teel and Dr. J. C as to injure him quite severely. At the Moore, two former members of the board, in a day or two, but he continued to grow that the High school course is a great tax

> Course Changed Completely. Superintendent Pearse was called upon for

an opinion and stated that the course of study has been changed completely within the last few years and that during the five years of his work in the Omaha schools there has been considerable revision. He stated that the work is not as heavy as is from the clerk in relation to the issue of required in many cities. In Kansas City, Rev. E. F. Tiefz. Mr. Trefs. spoke Trainer, Martin and Clifton was appointed \$70,000 refunding bonds. Mr. Turner as- Mr. Pearse said, the course of study is more serts that the bank's bond attorneys in advanced and greater effort is required on the part of pupils. The agitation concerning the severity of

the High school course was denounced by Member W. F. Johnson as nonsense. He said that it is impossible for pupils to carry on the work without earnest effort, but insisted that a course must be difficult

to secure the best results. A majority of the members expressed desire to have a revision in case it is thought necessary, but there is a difference of opinion as to how an investigation of the course shall be made. Action on Mr. Smith's resolution was postponed.

Manual Training and Drawing.

A resolution appropriating \$50, to be used in making a display of manual training and drawing work at the Industrial exhibit, to be given for the benefit of the Auditorium. received seven votes. This was a majority of the members who attended the meeting. but the statutes of the state require that expenditures of money by a school board A meeting of the High school alumni will shall be approved by a majority of all the be held this evening in Dr. Wolfe's office. members.

meeting will be called for the purpose of passing this resolution.

Superintendent Pearse reported that th returns show that the average daily at tendance during the last two weeks wa-15,730, or an increase of 276 over that for the corresponding period of 1900. The increase is less than it was earlier in the new reservoir at the year and this is accounted for by the fear of contagious diseases.
