What the Parks Cost. The annual report of the Board of Park ommissioners has been prepared by Secretary Phillips and will be presented to the ity council Monday night.

The period covered by the report is from November 1, 1899, to November 1, 1900. The board spent \$5,113.05 in improvements and maintaining the parks, and the surplus on hand at November 1, 1900, was \$879.01. The expenditures were divided among the parks as follows: Fairmount, \$3,611.63; Bayliss, \$448.76; Cochran, \$517.19; Lakeview, \$136.62; miscellaneous, \$398.85. large expenditure for Fairmount park was caused by the erection of a new bridge over

the high cut at a cost of \$1,400. The revenue for the current year, it is estimated, will be \$3,500, and all of this will be needed for the running expenses of the parks and leave no margin for improvements. The board has under discussion the advisability of asking a 2-mill levy for next

#### DEATH RECORD.

Captain Burton. LINCOLN. March 6 .- (Special.) - Word has been received here of the death at

Salt Lake of Captain A. F. Burton of Company B. Fifty-first Iowa volunteers. During his service in the Philippines Captain Burton was charged by members of his own company with cowardice, the case attracting wide attention at the time. The charge was made that the captain hid in ditch while his company was in action, but such charges were never proven and when the captain returned with his regiment he was given an honorable discharge and the report from his officers was of high character.

Captain Burton was formerly from Villisca, Ia., where he was superintendent of the city schools. Four years ago he came to Nebraska and accepted a position as superintendent of the Wymore schools. which position was creditably filled by him until about two weeks before the close of the school year, in the spring of 1899, when he suddenly disappeared, his friends being unable to account for his absence, until a week later when word was received from him at Des Moines, where he had enlisted as a volunteer, and had been made captain of the Villisca company, with which company he served during the time the lowa regiment was in the Philippines. The charges against him are said to have come from members of his own company, who had objected to his being made captain of the company on the grounds that he was not a resident of lowa, and that the captainey should go to a member of the company, but every charge was met by Captain Burton, and an investigation at his own request resulted in his acquittal on every

Declares that if Any Persons Are Interested in Making Trouble for Uncle Sam They Are

the Traitors.

HAVANA, March 6 .- An investigation into the report circulated in the United States by a news agency that the United States secret service officials here had been inwas said in the dispatch referred to to have

confirmed the statements made. "I have not made any statements regard ing an uprising. If any persons are inter ested in fomenting an uprising they are not Cubans who are in favor of independence, but parties desirous of seeing Cuba crushed forever. What we have to contend against now is American public There is no prospect of fighting
