Advice to Office Seekers.

April and May are the months when most people do their moving. The prospects are that the demand for offices in Omaha was never so great as it will be this spring. There are not a great many rooms vacant in

but there are among them several which are particularly choice; one directly in front of the elevator on the 14th floor, one on the 1st floor next to the entrance to the Bee business office, a suite of three rooms on the 2nd floor, and a very large office and vault on the ground floor facing 15th street. Besides these, there are four or five smaller rooms in various parts of the building. The rents are reasonable and the service perfect.

USE CUTICURA SOAP. MILLIONS of Women Use CUTICURA SOAP, assisted by Cuticura Ointment, for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and soothing red, rough, and sore hands, for baby rashes, itching, and chafings, in the form of baths for annoying irritations and inflammations, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and many sanative antiseptic purposes which readily suggest themselves to women and mothers, and for all the purposes of the toilet, bath, and nursery. No amount of persuasion can induce those who have once used the great skin purifiers and beautifiers to use any others. CUTICURA SOAP combines delicate emollient properties derived from CUTICURA, the great skin cure, with the purest of cleansing ingredients and the most refreshing of flower odors. No other foreign or domestic toilet soap, however expensive, is to be compared with it for all the purposes of the toilet, bath, and nursery.
