SMITH GOES AFTER SMITE

Spirited Debate Between Two Members of the School Board.

One Smith Accuses the Other Smith of Having a Hand in the Appoinment of Committee-Budget of Routine.

Before August 5, W. F. Johnson, Theo-dore H. Johnson, H. N. Weed and James Maynard will investigate the course study now in use in the city schools and report to the Board of Education any changes which they may deem advisable.

At last nig u's meeting of the Board of Educative these members were selected as a committee on the revision of the course of study. A resolution introduced by J. J. Smith and providing that the committee on text books, the principal of the High school and the superintendent of schools executed unique novelty musical specialshould do this work with the assistance of teachers and principals, was sidetracked. Robert Smith offered a substitute resolution which provides that the revision shall be entrusted to the four members named.

Some Sharp Talk. The introduction of the substitute reselution brought about an exchange of sharp words between J. J. and Robert Smith J. J. Smith maintained that the revision

Robert Smith resented this statement as an insult to the chair and stated that no member of the board had anything to say Howard and C. E. Black.

The substitute resolution was supported by members W. F. Johnson, Levy, Maynard, Robert Smith, Stubbendorf, Wood and Hayward. It was opposed by Black, Funkhouser, Howard, Theodore Johnson and J. J. Smith. Members Christie and Barnard did not attend the meeting and George T. Nicholson was not present when the vote on the resolution was taken.

A saving of \$225 will be made by the board this year in the expenses of the examining committee. Last year the salaries of the three examiners amounted to \$300. For the present year the board named A. H. Waterhouse, principal of the High school; Miss Anna Foos, principal of Kellom school, and Miss Helen Wyckoff, principal of Bancroft school, as members of the examining committee and fixed the remuneration of each at \$25

grows in Southern California and on the South Pacific coast. The bark was held in such high esteem by the natives that they named and described it as "Sacred Bark," and was used by them in the cure of chronic constipation, liver, stomach and bowel troubles. Investigated in 1811 the German botanist, Frederich Pursh, introduced as a medicine in 1877 by Dr. Bundy of Calusa, Cal., and was made the object of special investigation by Doctors Pearse and Hanson, in the United States; in France by Doctors Landowski and Dujardiu-Beaumetz at the Cochin 1886 and the Persian medical journals in

Cascarine is a mild, tasteless and pleasant laxative; does not stick to the teeth and will not interfere with the most delicate stomach. Ita action is mild, invigorating and does not gripe. It cures the most ob stinate and stubborn cases. If you feel indisposed, tired, languid, if your head is dizzy, if you have a pain in your back, s rumbling noise in the stomach and abdomen or feel bloated and your food does not digest, or if you are nervous, can't sleep at night, take Cascarine. Continue the treatment for a short time, repeat it more or less occasionally as may be necessary and you will save doctor bills and preserve your health. Cascarine is guaranteed to do store and buy a bottle for 50 cents, take it, and if you are not satisfied with the results, write to Rea Bros & Co., manufacturing chemists, Minneapolis, Louisville or New York, and they will refund your money. aditorium Exposition Supplies Rich Entertalnment and Distributes Valuable Prizes.

At the Auditorium exposition last night several new features marked the evening's festivities. Among them was the voting of CLASH ON COURSE OF STUDY REVISION a prize for the most popular man present and the fates marked Colonel Lafe A. Garner of the local offices of the Adams Express company as the lucky individual. In recognition of his superior popularity he became the surprised recipient of a quart bottle of fine whisky. The colonel bore his honors meekly and accepted the gift without a murmur either of approval or disapproval. Each evening hereafter a gift will be voted to the most popular man in

There was an entire change of program in the vaudeville theater. Aukora, the Japanese wonder, gave an exhibition of wire walking and juggling that elicited applause. Scheme of Democrats. The scheme of the democrats to break into office was accidentally given away yesterday by one of the party who is opposed to the plan. When the call was issued on February 23 by the democratic city central ommittee it was noticed that the nomination of a complete ticket from mayor down was called for, and it was at once inferred that the committee was working under the Lincoln charter and going shead on the supposition that the new South Omaha charter would not become a law in time to

make the nominations under it. In disclosing the plan this disgruntled democrat said that two well known Omaha attorneys have agreed to land the demoerats now running on the ticket in office on a legal technicality. According to the plan so far laid down the democrats will go ahead and vote for the entire ticket, while the republicans will elect only a portion of the ticket. It is then proposed to commence proceedings in the courts to oust he present republican city officials and install the democratic combination in power again. A meeting of the attorneys in the case and a number of the prominent demoratic candidates was held in Omaha yeserday afternoon, when the plan for the campaign was talked over and arrangements made for the carrying out of the scheme. So certain are these attorneys of winning their point that they have told the candidates that no fee will be charged un-

Cheating Isn't Smart!

It isn't at any time. It's doubly foolish and doubly wicked to cheat a man who has the beginnings of Consumption by promising to cure him when you can't. You might as well throw a drowning man a rope with a sinker on!

Ayer's Cherry Pectoral will cure Consumption in the earlier stages - sometimes even when the disease is far advanced. We say this on the testimony of thousands, many of them doctors who have prescribed the Pectoral for years and years.

Their words are such as these:

"My mother was troubled with consumption for many years. At last she gave up and came home to die. A neighbor told her not to give up, but to try Ayer's Cherry Pectoral. She did so, and is today in the enjoyment of good health. Of course, after this Ayer's Cherry Pectoral was a household remedy with me. Both my wife and son have weak lungs, and they always keep Cherry Pectoral near them, for it promptly cures coughs and colds of all kinds. We would not be without it for the world."—D. P. Jolly, Avoca, N. Y.

"I am using Ayer's Cherry Pectoral at the present time in my own family and am well pleased with it. It seems to have the same physical and medical properties it had forty years ago when it saved my life."—A. J. Edison, M.D., Fort Madison, Iowa.

Now don't discount this testimony. We stand back of every word we print in the papers.
