

DOCTORS DISSECT SUBJECTS

No Knife, No Cadaver, No Vat, Yet Dissection Goes On.

CONVENTION OF MEDICAL SOCIETY

Questions of Interest to Practitioners Are Taken Up for General Discussion—This Dissection is Significant.

The thirteenth semi-annual session of the Medical Society of the Missouri Valley met yesterday at the Paxton hotel...

The first paper presented was by E. A. King of Blockton, Ia., who discussed "Chorea." This disease, according to the speaker, is more prevalent with persons between the ages of 5 and 15 years.

The second paper was by Dr. A. B. Somers of Omaha, and related to antepartum diagnosis. According to the ideas of the speaker this subject had been too little considered by the older physicians...

Tuberculosis is discussed. The third paper, "Treatment of Tuberculosis in Sanatoria," by Dr. J. W. Kline of Fort Dodge, Ia., elicited considerable discussion. The doctor proved to be an iconoclast and endeavored to shatter some of the dearest theories held by the profession...

The physicians discussed the paper with some warmth, but the majority seemed to be of the opinion that the Fort Dodge man knew what he was talking about.

M. F. Weymann of St. Joseph read a carefully prepared paper on "Chalazial Tumors," which abounded in much information of a technical nature.

At the afternoon session papers were read as follows: "Painful Paralysis," by Dr. Alkin, Omaha; "Compensation and Failure of Compensation in Heart Disease," by Millard Langford, Omaha; "Association in Women of Pelvic and Hepatic Diseases," by E. Phillips, Omaha; "The Pathological Importance of the Cervix Uteri," by Dr. C. C. Bryant, Omaha; "Clean Surgery versus Mutilating and Unscientific Procedures," by J. E. Summers, Jr., Omaha; "Another Case of Methyl-Alcohol Poison," by H. Gifford, Omaha; "A Plastic Operation for Pruritis Ani," by H. P. Hamilton, Omaha. Dr. C. H. Wallace of St. Joseph was not present and his paper on "Primary Peritonitis" was read by the secretary.

At the brief business session held in the afternoon the invitation of the St. Joseph Medical Society was accepted and the annual meeting of the society will be held in St. Joseph in September. At the close of the St. Joseph meeting the members of the association will make a visit to Eureka Springs, Ark., over the "Frisco road," the management of that road having offered free transportation for the members and their families on the trip. Sixteen new members were added to the rolls of the association.

At 9 o'clock in the evening a banquet was spread in the dining room of the hotel, which plates were provided for sixty persons. D. C. Bryard, acted as master and toasts were responded to as follows: "Preventive Medicine and Politics," V. L. Treynor; "How We Do in Missouri," Charles W. Fassett; "The Physician Himself," W. O. Bridges; "A Specialist's Opinion on Too Much Talking," Donald McCrea, Jr.

EACH HIS POUND OF FLESH That is What Mrs. Crawford Says Four Loss Agents Exact from Their Customers.

Anna Crawford, in a petition filed in the district court yesterday, avers "that John W. Bergens, James K. McDowell, George P. Abbott and T. B. Clausen are co-conspirators engaged in the business of loaning money on chattel mortgages at usurious rates of interest and that they are confederates in cheating, defrauding and imposing upon their unfortunate customers."

This serious charge is made by Mrs. Crawford because she borrowed \$45 from them.

Ask Your Doctor

Ask him if it isn't true that about every one needs a good spring medicine. Ask him if your depression of spirits, your general weakness, and your feeling of exhaustion are not due to impure blood and weakness of the nerves.

Then ask him about Ayer's Sarsaparilla.

If he says it's all right, get a bottle of it today. We know it is the best thing you can possibly take to lift you up and bring back your old strength and vigor.

2100 a bottle. All druggists. J. C. AYER & CO., Lowell, Mass.

PLANNING A GOVERNMENT

Taft Commission Tackles Most Exacting Part of Its Work.

PLAN IN NEGROS NOT YET DETERMINED

Present Civil Governor of the Island Said to Be Un-American, but Changes Won't Be Hurried.

South Omaha News

There seems to be some difference of opinion among the members of the various political parties as to how the names of candidates will appear upon the sample and official ballot. The city clerk is the official delegate by law to make up the ticket and on account of the contention he appealed to City Attorney Lambert for advice.

Mr. Lambert went into the matter thoroughly and it is understood that he decided that the ticket should be headed by a tax commissioner and followed by the three candidates for member of the Board of Education. The opinion of the city attorney will most likely be followed by Clerk Shrigley.

It is understood that no effort will be made to recall the city until after election. This will give the mayor the appointing power, at least that is what some people seem to think just now. At any rate the number of councilmen will be decreased by two after the coming election.

Stock Pavilion Assured. A cattle sale pavilion at the stock yards is assured. Since the big shortness sale last week the management of the Stock Yards company has come to the conclusion that a suitable building for the holding of such sales must be erected.

South Omaha is getting to be such an important point for the sales of fancy stock. The management of the Stock Yards company has decided to erect a building for the holding of such sales. The building will be located east of the horse and mule barns and south of the macadam boulevard, which extends along the front of the Exchange building.

Material for this building is being ordered by Engineer King and as soon as the weather will permit excavating for the foundations will commence.

Candidates Withdrawing. On the democratic ticket Herman Beal has sent in a communication declining to run. Beal is a republican and knew nothing about his nomination by the democrats for city engineer until he read the Bee of Sunday.

Thomas Conway Held. Thomas Conway was given a hearing in police court yesterday afternoon on the charge of robbing R. C. Weaver's store. The details of this case were printed at the time. As soon as the robbery was reported Chief Mitchell went to work and soon landed Conway, and some of the stolen property was found on his person. Judge King held him to the district court in the sum of \$600.

Bill Poster Ordinance. An ordinance has been prepared creating the office of city bill poster. According to the provisions of this ordinance all bills and advertising matter must be placed under the supervision of the city bill poster who will exact a fee for his supervision and the issuing of a permit. The city will pay nothing for the services of the bill poster, the office being maintained entirely by fees.

Stegeman Bound Over. Fred Stegeman was arraigned in police court yesterday afternoon on the charge of shooting Joe Maly on the night of December 29. It will be remembered that immediately after the shooting Stegeman left the city and was afterwards captured in Chicago. He waived a preliminary examination and was held to the district court in the sum of \$1,000.

Want Street Opened. A petition is on file with the city clerk from property owners in the eastern portion of the city urging that the council take steps immediately to open Missouri avenue to the river. A great many names have been signed to the petition which will be read at the next meeting of the city council.

Charles O'Hern Again. For the second time within a few weeks Charles O'Hern appeared before Judge King. This time to answer to the charge of raising a packing house check. He waived examination and was held to a higher court. Bond in the amount of \$500 was furnished.

Magic City Gospe. Mayor Kelly is still in Lincoln, but is expected home today.

Architect L. A. Davis is drawing a design for an altar for St. Martin's Episcopal church.

The Young Men's Republican club will meet at Kelly's hall on Twenty-fourth street tonight.

Mr. and Mrs. John Amster of Bloomington, Ill., are here, the guests of C. C. Clifford and family.

The packing houses are working full time now and at some of the houses overtime is the order of the day.

EXPOSITION GROWS MERRIER

Stirring Music in Every Hall and the Crowds Grow Greater Each Day.

Five hundred visitors at the Auditorium Industrial exposition last night were welcomed at the first floor entrance by the strident notes of a phonograph, and the crowd seemed to be the merrier for a little music in the hitherto quiet part of the building.

TO ADVERTISE HIS OWN LINES

Dr. Webb Saves His Sports for Vanderbilt System and Requires Slow Schedule West.

Dr. W. Seward Webb's special train, which has been advertised to break all records for fast time across the continent, pulled into the Union depot promptly on time at 12:30 this morning.

The train left San Francisco Tuesday night, came east over the Central and Union Pacific and was delivered to the Chicago Northwestern here. At Chicago the journey was continued to New York over the Vanderbilt lines, in which Dr. Webb is heavily interested.

The 154-mile run from Grand Island to Omaha was made in 189 minutes, which is not at all wonderful, as it has been done hundreds of times.

Dr. Webb is traveling in company with his wife and daughter, Mr. and Mrs. J. G. Lawrence of Boston, Mr. and Mrs. Frank Bird of New York, Miss Metcalf and Miss Dyer, who is not at all wonderful, as it has been done hundreds of times.

Woman's Work in Club and Charity.

Mrs. C. H. Kimball, chairman of the devotional committee of the Kalamazoo Young Woman's Christian association, and Miss Ruth Paxton, state secretary of the Iowa association, were visitors at the Young Women's Christian association rooms this week.

For the benefit of the library, to secure funds for the renewal of subscriptions to the periodicals and buy more books, the members and friends of the gymnasium will give a musical at 8 o'clock on Monday evening, April 1.

The board of directors of the Woman's Christian association, operating the Old Ladies' home, held its regular monthly meeting on Tuesday morning.

The regular monthly meeting of the Visiting Nurses' association was held yesterday afternoon at the Peblee Shop, a good representation being present.

CUBAN RADICALS TO SPLIT

Sanguilly Change of Front Gives the Conservatives a Boost.

GENERAL MILES COUNSELS DELEGATES Visits Constitutional Convention and Advises that it Act Deliberately on the Platt Amendment.

HAVANA, March 21.—An element of doubt now exists as to what will be the final attitude of the Cuban constitutional convention. The preponderance of public opinion in favor of the Platt amendment in the last few days is having the effect on the radical members and General Sanguilly's press utterances today further tend to weaken the strength of the radicals.

Would Be a Safeguard. "If the Americans want the Isle of Pines I am in favor of giving it to them. I am also in favor of establishing coaling stations on some of the keys, or at some of the small ports. The presence of the authority of the United States would be a guarantee of our independence so far as our exterior safety is concerned and would save us the expense of maintaining an army and a navy."

The committee on relations did not report today. Probably it will submit its report tomorrow. The view asserted in the report that the restoration establishing relations cannot be settled by the convention, but should be left to the future republic, is liable to cause a break in the radical ranks.

Senator Redfield Proctor arrived in Havana tonight. The committee on relations did not report today. Probably it will submit its report tomorrow. The view asserted in the report that the restoration establishing relations cannot be settled by the convention, but should be left to the future republic, is liable to cause a break in the radical ranks.

MUSN'T EVEN GIVE THEM AWAY

Minnesota House Passes Senate Bill Prohibiting Either Sale or Gift of Cigarettes.

ST. PAUL, Minn., March 21.—By a vote of 72 to 30, the house today passed the senate bill prohibiting manufacture, sale or giving away of cigarettes.

DO NOT NEGLECT YOUR KIDNEYS

Because if kidney Trouble is Permitted to Continue Fatal Results Are Sure to Follow.

Thousands Have Kidney Trouble and Never Suspect It.

To Prove what Swamp-Root, the Great Kidney Remedy, Will Do for YOU, Every Reader of "Bee" May Have a Sample Sent Free by Mail.

Weak and unhealthy kidneys are responsible for more sickness and suffering than any other disease. Therefore, when through neglect or other causes kidney trouble is permitted to continue, fatal results are sure to follow.

Your other organs may need attention—but your kidneys most, because they do most and need attention first.

If you are sick or "feel badly" begin taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

The mild and immediate effect of Dr. Kilmer's Swamp-Root, the great kidney and bladder remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root will set your whole system right, and the best proof of this is a trial.

DEAR SIR: I had been suffering severely from kidney trouble. All symptoms were on hand, my former strength and power had left me. I could hardly drag myself along. Even my mental capacity was giving out, and often I wished to die. It was then I saw an advertisement of yours in a New York paper, but would not have paid any attention to it, had it not promised a sworn guarantee with every bottle of your medicine, assuring that your Swamp-Root is purely vegetable and does not contain any harmful drugs. I am seventy years old and four months old, and with a good conscience I can recommend Swamp-Root to all sufferers from kidney troubles. Four members of my family have been using Swamp-Root for four different kidney diseases, with the same good results.

With many thanks to you, I remain, Very truly yours, ROBERT BERNER.

You may have a sample bottle of this famous kidney remedy, Swamp-Root, sent free by mail, postpaid, by which you may test its virtues for such disorders as kidney, bladder and uric acid diseases, poor digestion, when obliged to pass your water free.

EDITORIAL NOTICE—If you have the slightest symptoms of kidney or bladder trouble, or if there is a trace of it in your family history, send at once to Dr. Kilmer & Co., Binghamton, N. Y., who will gladly send you by mail, immediately, without cost to you, a sample bottle of Swamp-Root and a book containing many of the thousands upon thousands of testimonial letters received from men and women cured. In writing, be sure to say that you read this generous offer in the Omaha Morning Bee.
