WILL CAMP AT SHERIDAN Contractor Jobst's Headquarters for the Summer Will Be Popular Resort for Omahans.

Saturday morning B. J. Jobst will establish camp at Sheridan, Wyo., where he will begin work on the improvements of the Sheridan Coal company, which will require most of the summer for completion.

It is expected that the Jobst camp will be one of the popular resorts for men of Omaha who desire to visit the west during the summer months. The camp is to be pitched in one of the best hunting and fishing fields of the territory and arrangements will be made for caring for the guests of the contractor. Reports from the mines say that prospects for trout fishing are good and that game wardens are not officious when one desires to shoot a few prairie chickens or sage hens.

INTERNAL REVENUE FOR MARCH Collections Considered Greater Than Those for the Same Period a Year Ago.

The internal revenue collections for the present month for the district of Nebraska were \$210,000, and three days yet to go. For March a year ago they were \$257,000. Speaking of the deflection of the two Dakotas from the district and the new revenue law which goes into effect July 1, Collector Houtz said:

"Both will tend to somewhat reduce the collections for this district, but not more than half a million dollars, I think. In my opinion the collections for Nebraska alone will amount to \$2,000,000 annually. The revenues for the Dakotas will continue to be collected from this district, however, until a new collector is appointed for them."

MRS. MARY GREGOVICH. Of Phillipsburg, Montana, Tells How She Was Cured of Dandruff.

Mrs. Mary Gregovich of Phillipsburg, Mont., under date of November 25, 1900, writes: "I had typhoid fever this summer, consequently was losing my hair terribly, and my head in places was perfectly bald. Newbro's Herpicide had just come into use in Phillipsburg, and the doctor strongly recommended it to me. After three or four applications my hair stopped falling out, and is coming in again quite thick. I used to be troubled greatly with dandruff, of which I am now quite cured." Kill the dandruff germ with Herpicide.

SOME REALISM IN THIS ACT

German Village Fun Maker Involved With South Omaha Stockman.

Walter Denby, an actor in the German Village theater, is in the city jail, booked as a suspicious character. Wednesday night, it is alleged, Denby was drinking in a Farnam street saloon with a party of stockmen from South Omaha, when he "tricked" one of the party of a \$10 bill. The stockman missed the money at once and accused Denby of stealing it. The actor protested innocence, whereupon the stockmen took him to a wine room, stripped him and searched his clothing. During the operation the bill was found on the floor. The stockman, who desires his name withheld, will not prosecute.
