

This man was on THE ICE

—it broke, and down he went—the human body is the same—like machinery it wears out—needs oiling to keep it going—and especially is this true in the spring time. Of all times in the year its now that you need a—

SPRING TONIC

—as spring is the time of year when many ills make themselves known. The wise man today is using the great scientific preparation—

Cramer's Kidney and Liver Cure

It strengthens and invigorates the nerves, it purifies and enriches the blood, it regulates the liver and bowels. It eradicates the poison of the winter. All winter long you have kept too much in doors—your blood has become thick and sluggish, and you will stop and think you will need that medicine in the best of all—CRAMER'S KIDNEY AND LIVER CURE—a medicine scientifically compounded and acts like magic.

Read what these gentlemen have to say of this excellent remedy.

OMAHA, Jan. 4, 1901. CRAMER CHEMICAL CO., Albany, N. Y.: Gentlemen: For several months I have been thinking of writing you a few lines to use in the newspapers. A year ago I don't suppose there was a man on earth that suffered more than I did. I was in constant pain the whole day long, and at night very seldom got over four hours sleep—on account of what I afterward discovered was kidney trouble. I read so many good things about your medicine that I decided to try it and after using but one bottle I felt so much better that I got another, and after taking three bottles in all I verily believe I am entirely cured. I have not had a pain since. It is a great medicine and it ought to be in every home in the country. Yours truly, A. L. ROOT, Gardner, 56th and Pratt St., Omaha.

OMAHA, Dec. 13, 1900. CRAMER CHEMICAL CO., Albany, N. Y.: Your sample bottle received and after taking it I felt so much better that I went to a druggist and purchased a large sized bottle. At first I had no faith in your remedy, but as soon as I began taking it I got such immediate relief that I have no confidence at once had suffered so long with pains in my back that I had made up my mind I was incurable, but, thanks to your valuable medicine, I am today a well man, and it required but four bottles to do it. W. M. HILLER, Court Stenographer, 116 N. 23rd St.

OMAHA, March 1st, 1901. CRAMER CHEMICAL CO., Albany, N. Y.: It has been on my mind to testify to the benefits I have had from the use of your unequalled kidney remedy. I suffered from kidney trouble for some time. This winter I tried your remedy and found it all and more than I promised. I will continue to use it and I feel certain of an entire cure. I also nourishes and invigorates the blood. Yours truly, FRANK WOLF, Manufacturer of Awnings, 703 South 16th street.

OMAHA, Sept. 12, 1900. CRAMER CHEMICAL CO., Albany, N. Y.: Gentlemen: For over a year I was hardly able to do any kind of work. I was so miserable and down-hearted that I felt sometimes I would be glad if I could die. I had taken a number of different medicines, but with no good results. At last a friend persuaded me to give Cramer's Kidney Cure a trial, which I did, and I now want to say that it gave me relief at once and I am now able to work and never felt better in my life, and have only spent \$2.00 for your excellent medicine. It is a great medicine, sure. GEORGE MARZIE, Mustard, 619 North 13th St., Omaha.

FINDS PROVINCE DESTITUTE

Taft Commission Discovers Zamboanga Without Cattle or Crops.

TOO POOR TO SUPPORT GOVERNMENT

Delegates Show Necessity for Delaying Establishment of Ordinary Provincial Form of Giving Islanders Some Aid.

ZAMBOANGA, Mindanao, March 30.—The public conditions of the island were discussed at a meeting of the commissioners and delegates from the towns on the Zamboanga commission. Judge Taft said the commission would endeavor to give the inhabitants the government best suited to their needs and circumstances. He said the Moro government would be throughout by sub-chiefs as heretofore, which would report them from the operation of an ordinary provincial government except so far as concerned their relations with the other inhabitants. The judge invited the opinions of the delegates, especially in reference to the government's expense and resources. The response showed that the large herds of cattle formerly on the island had practically disappeared, making it impossible to cultivate the lands for two years past and that the people would be unable to support the ordinary provincial government. General Kobbe recommended that the island be divided into two provinces instead of the five provinces established by the Spaniards. The commission adopted resolutions to the effect that the towns of the Zamboanga peninsula be united and that the territory wherein these towns are situated become part of one great province, to include either half or the whole of Mindanao, including the island of Samar, that no provinces would be declared until the commissioners had visited the other towns of the province.

TO SEE HIS WIFE AND MOTHER

Military Authorities Give Them Permission to Visit Aguinid.

MANILA, March 30.—The wife and mother of Aguinid, who have been living at Bacayan, near Old Cavite, have been granted permission to visit him. The Spaniard, Lorenzo Prieto, who was charged with assisting the insurgents by furnishing information to the insurgent general, Calles, in exchange for trading privileges, was tried by a military commission, found guilty and sentenced to death. General MacArthur commuted the sentence to imprisonment for ten years. Prieto was the agent of the firm of Mendez & Co. and to a certain extent was associated with A. C. Carman, the American contractor, also charged with aiding the Filipino insurgents.

South Omaha News

The republican city central committee has arranged for a number of rallies Monday. There will be a rally in Kells' hall, Twenty-fourth and J streets, one in Koutsky's hall, Twentieth and Q streets, one in the Wayne block, Twenty-sixth and P streets, in Evans' hall, Twenty-eighth and R streets, and another in Rex hall, Thirty-third and L streets. All of these rallies will be visited by the candidates and the ticket and it is expected there will be considerable enthusiasm. Besides addresses by the candidates, H. C. Murphy, president of the South Omaha Republican club, will speak at several of the meetings. A. H. Murdoch, Harry L. Condon, Haack, Bruce McCulloch and J. H. Van Dusen are also to speak. The South Omaha Republican club raised \$100 for election expenses and this will be turned into a fund for hiring carriages to carry voters to and from the polls. From present indications a number of women will vote on the school board proposition. As the election of W. A. Bennett as tax commissioner is virtually conceded, the principals fighting will be the candidates for members of the Board of Education. All of the republican candidates are confident of success and there seems to be no reason why they should not be elected, as they are all good, straightforward and honest men. The men indicate that there will be little, if any difficulty in electing the entire republican ticket.

Library Board Meets. Mrs. Talbot, Mrs. Carroll, Mrs. Sloane and Mrs. Lane, members of the South Omaha Library board, met Congressman Mercer at the office of Mayor Kelly yesterday and talked over the Carnegie gift. Mr. Mercer told the women that the first thing to be done was to secure a site, and the proposition to vote bonds was considered the most feasible plan. The suggestion that the Board of Education might donate a couple of lots at Twenty-sixth and M streets was accepted. An offer of a corner is desired members of the Library board will wait upon the officers of the South Omaha Land company to see if the company will donate the corner lot. This location is not considered very favorable and it may not be accepted. It was decided to see what can be done along this line. It is the general impression that bonds in the sum of \$5,000 should be voted and a site somewhere near the post-office purchased.

Banquet to Governor Savage. Mayor Kelly and a number of other city officials had proposed to give an informal banquet to Governor Savage at Maher's. Mr. Mercer told the women that the first thing to be done was to secure a site, and the proposition to vote bonds was considered the most feasible plan. Government Steps In. Judge Munger of the United States court issued an order yesterday restraining the city council from carrying out its idea of opening Y street across the Union Pacific and Rock Island tracks. It was the intention of the city officials to have Y street opened in order to give the residents south and west of the tracks better transportation facilities. The ordinance had been passed and appraisers appointed when a restraining order was sought by the roads mentioned.

Special Easter Music. A choir composed of boys will supplement the regular choir at the First Presbyterian church on Easter morning. Mrs. Nellie Sage has this class in training and is making considerable headway. Here is the list: Harry C. Stanley, Earl C. Sage, first soprano; Clair F. Young, Earl W. Kenworthy, Wilbur A. Young, Lester Phillips, second soprano; William R. Young, first alto; Thomas H. Enser, Ralph C. Smith, Howard Bliss, William Bower, second alto.

Episcopal Services. Rev. Irving P. Johnson will preach at St. Martin's Episcopal church at 11 o'clock today on the topic: "Purity of Mind." The first meeting of the confirmation class

PROMOTION OF JOHN A. KUHN

Popular Northwestern Man Becomes General Freight Agent of the Elkhorn.

MR. MOREHOUSE RESIGNS UNEXPECTEDLY

Kuhn, Who Had Started on Hunting Trip, Was Called Back to City to Fill the Vacancy.

John A. Kuhn, for the last five years general agent of the Chicago & Northwestern in this city, has been appointed general freight agent of the Fremont, Elkhorn & Missouri Valley and the Sioux City & Pacific railroads, with headquarters in this city. Mr. Kuhn will probably leave his present home, who resigns in order to devote his entire time to other business affairs. The change in the administration of the freight department will take place Monday. The appointment of Mr. Kuhn to this responsible position came to him as an entirely unexpected compliment. In fact, the resignation of Mr. Morehouse was a surprise to his associate officials on the Elkhorn road, and when it was tendered a few days ago the first man considered in connection with an appointment to the position was Mr. Kuhn.

Interferes with Hunt. At the time Mr. Morehouse announced his intention of retiring from his position Mr. Kuhn was in the western part of the state, arranging for a few days' hunt. His plans were interfered with on receipt of a telegram from General Manager Bidwell of the Elkhorn calling him to the city.

The general agent of the Northwestern had no idea why his last return to Omaha was sought and it was with just a tinge of disappointment that he boarded an Omaha-bound train last Thursday morning, a handsome costume came to him as he arrived in Omaha and was informed that he had been chosen to fill the important position made vacant by Mr. Morehouse's resignation. He searched the pockets of his hunting jacket and found the telegram that had brought him back to Omaha and cut short his hunting trip. That telegram now occupies a little frame and hangs in Mr. Kuhn's den.

Kuhn's Advancement Rapid.

Mr. Kuhn has been in the service of the Northwestern railroad for several years and his advancement has been rapid. He began a minor clerical position in 1882 and learned all of the details of the traffic department, having had experience in both freight and passenger affairs. Previous to his appointment as general agent in Omaha Mr. Kuhn was chief clerk in the general freight office of the Northwestern in Chicago. During his residence in Omaha Mr. Kuhn has been one of the most popular railroad men in the city. His appointment to the important position of general freight agent of two of the prominent railroads operating in Nebraska is a matter of gratification to his friends. The appointment of Mr. Kuhn's successor has not yet been officially announced. It is likely, however, that H. C. Cheney, general agent of the Northwestern at Sioux City, will be transferred to this city to assume the position.

TO BUILD NEW BRANCH LINES

Chicago Great Western to Make Two Extensions of Its Road in Iowa.

FORT DODGE, Ia., March 30.—(Special Telegram)—General Manager S. S. Stickney, General Superintendent Tracy Lyon and Chief Engineer F. R. Coats of the Chicago Great Western railroad were in the city this morning. Mr. Stickney said in an interview that the Great Western would proceed immediately to build lines from Manley Junction to Mason City, a distance of eight miles, and from Belmont, on the Summer branch of Great Western, to Clarion, on the Mason City & Fort Dodge road recently purchased by the Great Western, a distance of forty miles. The survey on the line from Manley Junction to Mason City began today. The management of the Mason City & Fort Dodge railroad will continue as formerly.

Itching Burning Scaly Blotchy Humors Instantly Relieved and Speedily Cured by CUTICURA

The itching and burning I suffered in my feet and limbs for three years were terrible. At night they were worse and would keep me awake a greater part of the night. I consulted doctor after doctor, as I was traveling on the road most of my time, also one of our city doctors. None of the doctors knew what the trouble was. I got a lot of the different samples of the medicines I had been using. I found them of so many different kinds that I concluded I would have to go to a Cincinnati hospital before I would get relief. I had frequently been urged to try CUTICURA REMEDIES, but I had no faith in them. My wife finally prevailed upon me to try them. Presto! What a change! I am now cured, and it is a permanent cure. I feel like kicking some doctor or myself for suffering three years when I could have used CUTICURA remedies. H. JENKINS, Middleboro, Ky.

Complete Treatment \$1.25.

Consists of CUTICURA SOAP (25c.), to cleanse the skin of crusts and scales and soften the thickened cuticle, CUTICURA Ointment (50c.), to instantly allay itching, irritation, and inflammation, and soothe and heal, and CUTICURA Rasoir Cream (50c.), to cool and cleanse the blood. A Sixpence Six is often sufficient to cure the most torturing, disfiguring skin, scalp, and blood humors, rashes, and irritations, with loss of hair, when physicians, hospitals, and all else fail. Sold throughout the world. PORTER DRUG AND CHEM. CO., Sole Props., Boston. "How to Cure Itching Humors," free.

Millions of Women Use Cuticura Exclusively for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and healing red, rough, and sore hands, in the form of baths for annoying irritations, inflammations, and chafing, or too free or offensive perspiration, in the form of washes for ulcerative weasels, and for many sensitive and delicate purposes which readily suggest themselves to women, and especially mothers, and for all the purposes of the toilet, bath, and nursery. No amount of persuasion can induce those who have once used it to use any other, especially for preserving and purifying the skin, scalp, and hair of infants and other. The foreign and domestic toilet soap, however expensive, is to be compared with it for preserving, purifying, and beautifying the skin, scalp, hair, and hands. For the purposes of the toilet, bath, and nursery. This it combines in ONE SOAP at ONE PRICE, viz., TWENTY-FIVE CENTS, the BEST skin and complexion soap, and the BEST toilet and baby soap in the world.
