This was brought about mainly by a bill of sale for a Broadway grocery, which was filed for record a few days ago. The bill gave the valuation as over \$5,000, while the assessor's books showed it as only \$3,000. The council added \$500 to this stock and proceeded to bring some of the others up level with it.

In a similar manner the lightning struck the shoe stores. The valuation of one stock was known to be about right, but the comparison between this and other prominent stores was said to be unfair. The consequence was that one was raised from \$8,000 to \$10,000, and another from \$10,000 to

The makeup of the council furnishes men from many lines of business, who are well posted on the several enterprises in the city, and the estimates which could be given in some cases were felt to be close. An opportunity will now be given the property owners for examination and protest of the valuation.

Will Operate International Packing Plant Within Another Month.

SIOUX CITY, Ia., May 8 .- (Special Telegram.)-Sioux City tonight is rejoicing over the news that Armour & Co. of Chicago have come into possession of the old International packing plant and will be operating the plant within thirty days. The plant originally was built by the Silberhorns. In 1899 it passed into the hands of the International Packing company, which operated it principally for killing hogs. Upon the reorganization of the International company the Sloux City Provision company became the owner of the plant. Since it has had charge of the plant practically no cattle have been killed.

The original cost was \$400,000. The buildings, sheds and vards of the plant cover about five acres of ground at the extreme south end of the stock yards district. The capacity of the plant is 500 cattle, 3,250 hogs and 1,000 sheep. The plant recently has been the property of the Sioux City Stock Yards company, and the Armour people have carried on their negotiations with that company. Armour's plans are not definitely known, but those who know the ompany say it will not allow Cudahy & Co., who operate a large plant here, to outstrip it, and the probabilities are that it will at once take steps to enlarge the plant.

TO FIGHT THE EIKER BILL

State Federation of Labor Will Oppose Garnishment of Laboring Man's Pay.

SIOUX CITY, May 8 .- (Special Telegram.) -The Iowa State Federation of Labor is holding its annual session in Sloux City. There is a good attendance. The federation has decided to use all its strength against the Eiker bill when it comes before the legislature. The Iowa Retail Grocers' association is fighting for this bill. It provides that not more than \$8 of a laboring man's wages shall be exempt from garnishment, whereas now no wages can be garnisheed. The fight for the next convention is among Cedar Rapids, Council Bluffs and Des Moines, with the chances seemingly in favor of Cedar Rapids. Des Moines is making au effort to have the offices of the federation made into one and the location of the annual conventions established permanently at Des Moines. Cedar Rapids will ask the federation to make a per capita tax to help out its striking machinists. W. E. O'Bleness of Des Moines, president of the federation, is in charge of the meeting.

Lunatic Jumps from Moving Train-State High School Athletics-One Hundred Applicants for Admission to Bar.

DES MOINES, May 8 .- (Special.) - The result of the county conventions thus far in Iowa indicate that A. B. Cummins of Des Moines will have the largest following in the republican state convention and will probably be nominated for governor. Four each one has there been instructions for governor. Butler county has instructed E. A. Pippen, E. Melrun, G. F. Maxwell sixteen delegates for Harriman of Franklin county. Polk, Boone and Story counties have instructed their delegates for Cumgave an overwhelming victory to Cummins held and the delegation will be for Cummins and will probably be instructed. This will give Cummins 143 delegates already selected.

Polk county has the largest delegation in the state and Woodbury next. The Cumand are doubly confident their man will be nominated, although a determined effort is to be made to secure delegations for Minister Conger and to bring his name before the convention with a strong following. The changed situation in the Eleventh district with Perkins out of the race, makes it probable that Colonel J. K. Thompson of Rock thews (American), one-third to Dr. Gold Rapids will be a formidable candidate for lieutenant governor, as it is recognized there must be an old soldier for either governor or lieutenant governor. There will be a few other important conventions in the president had put his finger on the right next few weeks and the political situation will become quieter.

Help for Women

Who Are Always Tired. "I do not feel very well, I am so tired all the time."

You hear these words every day; as often as you meet your friends just so often are these words repeated. More than likely you speak the same significant words yourself, and no doubt you do feel far from well most of the time. Mrs. Ella Rice, of Chelsea, Wis., whose portrait we publish, writes that she suffered for two years with bear-ing-down pains, headache, backache, and had all kinds of miserable feelings,

MRS. ELLA RICE.

all of which was caused by falling and inflammation of the womb, and after doctoring with physicians and numerous medicines she was entirely cured by Lydia E. Pinkham's Vegetable Com-

pound. If you are troubled with pains, fainting spells, depression of spirits, reluctance to go anywhere, headache, backache, and always tired, please remember that there is an absolute remedy which will relieve you of your suffering as it did Mrs. Rice. is monumental that Lydia E. Pinkham's Vegetable Compound is the greatest medicine for suffering women.
