THE CLOSE OF OUR CLUB OFFER

On the Century Dictionary and Cyclopaedia and Atlas. Our half-price club offer on The Century will close at 10 o'clock this evening. Our exhibition room, 101 Bee building, will be kept open during the day and evening to accommodate all who desire to take advantage of our offer. The number of subscriptions taken for The Century through our club offer speaks well for Omaha's appreciation of the best works, and is greatly in excess of many cities having a greater population. The Bee guarantees to fill all orders for this great reference library that may be taken up to 10 o'clock tonight. The opportunity is yours.

Announcements of the Theaters.

In addition to the regular bill at the Orpheum tonight there will be one of the biggest amateur carnivals ever held in this city. There are some twenty acts, comprising a program that is full of comedy and good, clean fun. Although there are no children on the bill there are several big surprises to greet the patrons. Lew Sully is one of the big hits on the regular bill and always has his audiences in a roar of laughter. Miss Van Studdiford, the well known operatic star, is another hit on the bill and her singing is highly entertaining to the large audiences. While there is a big advance sale, there is still lots of good seats to be had, but it is advisable to get the seats in advance. This is the last night of this season. The regular matinee will be given this afternoon.

Dance Tonight. Jolly Eight's lively ball this evening. Washington hall, Eighteenth and Harney streets. Fine orchestra; a good time for you. Gents, 25c. Welcome.

To Members of the Modern Women of America. The Chicago, Milwaukee & St. Paul Railway company has made a rate of one fare for the round trip from Omaha and points on their line to St. Paul Head Camp, June 10 to 15. This makes the round trip rate from Omaha \$19.65. F. A. NASH, General Western Agent, 1504 Farnam St.
