Gloomy Weather Does Not Prevent a Large Attendance and the Rooters Are Specially Active-Details of the Game.

There was a real old-fashioned charivari party out at the Vinton atreet reservation yesterday afternoon, and, while the Omahas didn't win, they came so close to It that the defeat was all the more heart-

The weather was dark and lowering, but despite this unfavorable condition a large and select crowd of spectators was on hand, ready to cheer or jeer, just as circumstances warranted.

Freeland was switched in to deal out the benders in lieu of 'Dusty' Coons at the last moment. His escape in the first inling was as attenuated as a victim of tuberculosis, and at the opening of the third Papa Bill chased Luther under the grandstand. In the second, Lether began by presenting Captain O'Brien with editorial mileage it of first, then, when Robinson Crusoe hit a small grounder to him, he snatched it up and in a laudable endeavor to head off the captain at the second angle he catapulted the spheroid away out in center field and both runners were safe. Messitt poked out a single, but both Ewing and Ketchem expired, and it looked as if Ketchem expired, and it looked as if things weren't going to be so all-fired bad PHILLIES WIN PITCHERS' BATTLE, after all. But they were. Luther imme-

the beginning of the eighth Toman permitted Messitt's easy one to get away from him and without further ceremony the Cowboys proceeded to knock out the game,

At the beginning of the ninth O'Brien was thrown out at first, but he didn't think so and proceeded to tell Colonel Carruthers that he was decayed, and the colonel retaliated by assessing him a tax of 28 simoleons, and to make him feel better had him put out of the grounds. But it took a policeman to do it at that. The

The challenge is addressed to the sporting editor of The Bee and is directed against Ed Morgan, Oscar Nast or John Holden, the latter preferred. Mr. Loch has posted a forfeit agreeing to meet either of these men at any date between June is and 20 for a side bet of \$100.
