FOR THE CLOTHING AND WE ARE SELLING THEM THE SAME WAY.

Men's \$18 Suits on Sale for \$10.

If the maker of these suits would see them marked \$10 for Saturday's sale he might recall an incident he'd rather forget. His penalty for over production was a severe one. When you see the quality of the clothing and note the superior workmanship, excellent fit and correct styles you'll marvel at the price. However it's the manufacturer's loss and your gain—via Boston Store. His supply was greater than the demand—that's why we got them so cheap and that's why you will get them so cheap. CREEDON LASTS SIX ROUNDS

Hart of Louisville Too Flaccid for Australian to Stay With.

IMPROMPTU MIXUP ENLIVEN THE NIGHT

Second Sullivan Uses the Sprinkler Before His Man is Counted Out and a Real Merry Time Ensues.

LOUISVILLE, May 21—

Marvia Hart of Louisville tonight knocked out Dan Creedon of Australia in the sixth round of a twenty-five-round bout before the Southern Athletic club. The contest was desperate and bloody from the start. Hart, the plumber pugilist, had won fifteen straight victories and Creedon, owing to his greatly improved condition of late was conceded to be the most dangerous proposition of them all. Hart weighed in at 170 pounds and Creedon at one pound less. Hart was the aggressor and in the second round Creedon's left eye was closed. Hart played hard after this spot, while Dan cautiously waited for a decisive blow. Three times he landed left hooks to the point of Hart's chin, but Hart would not down. In the fourth round they exchanged vicious rights and lefts to face and wind and both were very groggy. Takes Nearly Full Count. Dan was given his first backset in the third when a left hook sent him to the floor for the count of eight. He recovered rapidly, but when the fourth was over his own efforts for a knockout and Hart's terrific swings to the Australian's battered jaw and eye left him unable to do much. In the fifth the going saved him, though he managed to get in a few hard ones. Hart appeared fresh and strong and shortly after the beginning of the sixth Hart landed a left hook to the chin and Dan was out.

SETS SONS OF ELI THINKING

Result of Intercollegiate Preliminaries Reveals that Sale is Not the Only Possibility.

NEW YORK, May 21.—The preliminary trials and qualifying competitions of the twenty-sixth annual track and field championships of the Intercollegiate Association of the Amateur Athletes of America was held today at the Berkeley oval under the most favorable auspices. The finals will take place tomorrow and if the weather prove favorable several new records should be made. The weather today was ideal. Up to the hour of starting today it looked as if Yale would easily walk away with the championship cup, but as the competition progressed matters became serious and even the most sanguine old Eli's adherents admitted that it would have a hard task in the finals. Harvard surprised the critics by a splendid showing and not a few predicted victory for the wearers of the crimson. Princeton, too, will be rather a stiff competitor in the final reckoning and it looks as if the issue would rest between the trio named. Pennsylvania won the championship for the last three years, but is steadily out of the hunt this year. For the first time in the history of the association the middle west was represented. The last fell to the University of Michigan, whose small team made a magnificent showing among the eastern crack teams. In every event in which the Michigan athletes appeared they were applauded to the echo, especially as it was noted that they qualified for the finals in every contest in which they appeared. Several of the smaller clubs scored with telling effect and among these were Cornell, Georgetown and Bowdoin. The feature of today's meet from an athletic standpoint was the running of Arthur H. Duffy of Georgetown. He won his heat of the 100 yards in the most decisive fashion in the world's record time of 0:29.5, but a slight breeze blew against his back and the record will hardly be accepted. Duffy's of the opinion that he can repeat the performance to a flat calm, and the same idea was shared by many experts present. One of the surprises of the day was the poor performance of Meyer Prinstein in the running high jump. The Syracuse man holds the world's record of 21 feet 7 inches, but in his attempt today he could not qualify and only jumped 21 feet 1.5 inches; the crowd was dumbstruck. A nasty spill occurred in the first heat of the one mile cycle race. Barnitz of Pennsylvania and Levick of Princeton came down at the lower turn and Rae of Columbia and Van Vorst of Michigan lost control of his wheel and was precipitated over the rail for a distance of about fifteen feet into the stand. Outside of a few bruises around the face and arms he was 100-yard run, trial heat: Won by H. H. Cloud of Bowdoin, 1:16.6; second, H. H. Cloud of Bowdoin, 1:20.1. Second heat: Won by F. M. Duffee of Princeton, 1:16.2; second, H. H. Hargrave of Harvard second, 1:18.4. Eighth heat: Won by C. Dupree of Yale, 1:16.2; second, H. H. Hargrave of Harvard second, 1:18.4. Ninth heat: Won by N. H. Hargrave of

Brown of Yale, 18 feet 1 1/2 inches; H. H. Hargrave of Princeton, 16 feet 8 inches; H. C. Breen of Michigan, 16 feet 8 inches; P. A. Moore of Princeton and W. Plisheigh of Michigan cleared 16 feet 8 inches after a tie with J. J. Gray of Pennsylvania and H. L. Gardner of Syracuse at 16 feet 2 inches. Football and Moore will start in the finals tomorrow. One mile bicycle trial heats, first heat: Won by E. W. Farley of Yale, E. P. Barnhart of Princeton second. Time, 2:37. Second heat: Won by H. G. Gentry of Yale, R. Ripley of Princeton second.
