Lord and Lady Linton Take Another Whirl at Litigation Before Local Tribunals. Phoebe R. E. E. Linton and her husband, Adolphus F. Linton, are subjects of the king of Great Britain and Ireland, and live at Brighton, England, but they seem to like the article of litigation put up by Uncle Sam's courts. They appeared in the federal court in Omaha today as applicants for an injunction to restrain the sale of a forty-acre tract of land in Sarpy county to satisfy a deficiency judgment against Mrs. Linton's father, the late John Bor-

land Finley, who bought the land in 1887 for \$13,300, and who died in New York in In 1802 Finley gave a mortgage for \$25,000 upon certain Omaha realty to the National Life Insurance company of Vermont, . It was foreclosed two years ago, and when sold it left a deficiency judgment for \$1,982. This has been certified to Sarpy county for levy upon the farm in that county.

temporary restraining order was issued and

TENTH STREET ON THE LEVEL

Will Put Thoroughfare in Readi-

As soon as President Murphy of the Street Railway company returns from New York Councilman Hascall will present to him for submission to the next meeting of the Board of Directors of the company his plan for the change of grade on South Tenth street. The plan has already been approved by President Murphy and it is understood that as soon as it is carried out the extension of the Farnam street line to Riverview park will be started. The change in grade contemplates a fill of seven feet at Frederick street, which will make an easy grade from the present terminus of the line at Bancroft street to the ea

trance of the park. KILL THE DANDRUFF GERM.

Become Bald.

Modern science has discovered that dan druff is caused by a germ that digs up the scalp in scales, as it burrows down to the roots of the hair, where it destroys the hair's vitality, causing falling hair, and, utimately, baldness. After Prof. Unna of Hamburg, Germany, discovered the dandruff germ all efforts to find a remedy fatied until the great labratory discovery was made which resulted in Newbro's Herpicide It alone of all other hair preparations kills the dandruff germ. Without dandruff hair grows luguriantly. Destroy the cause, you remove the effect."
