The score was 4 to 2 and it is perhaps unnecessary to say that William Hulen's Colorado Springs aggregation drew the short line.

It was the first instance this season where the locals won two games in succession and so overjoyed were the members of Captain Stewart's crew that they shook hands all around after the struggle was ended and resolved that they had settled down to their paces at last. Daddy Rourke smiled and patted each of the boys on the back and told each individual one that he was "hot stuff."

It was a mighty nice game to witness. True, the error column was not altogether avoided, but offsetting the quartet of miscues there were all kinds of circus catches, tip-top fielding and high-grade stick work. The result, too, was a matter of doubt until the last Coloradoan was sent to the stable in the very last inning.

Graham Twirls for Omaha.

Graham did the twirling for Omaha and he did a fairly good job of it. He was a bit wild and gave a half dozen of his oppopents free passage to first and hit another, but he was touched up for but five hits and all of them were singles. Gaston, the slab artist for the visitors, didn't do badly himself. Up until the seventh inping he was touched for but three hits, each of them a single and each in a separate inning. But the locals finally got their batting habiliments buckled closely about them and started in for some doings.

The visitors started off and appropriated a run in the very first inning. McHale was given free transportation to first and while he was cavorting aroung the bag Gonding threw down in an attempt to catch him napping. But Mr. Gonding miscalculated the distance and threw several parasangs above Davey Calhoun's head. Before the leather was recaptured McHale had advanced around to third. Hulen's hit, which immediately followed, scored McHale.

There was no further scoring until the sixth. In the first Carter made a hit and advanced to second on Stewart's sacrifice. None of our men got that far around the diamond again until the sixth. Then Carter started off with a free ride to first and was advanced to third on Stewart's dandy drive to right field, but he died in his tracks by virtue of a strike-out and two flies which fell into the outstretched mitts of a couple of Coloradoans.

McHale Starts with Hit.

in the first of the sixth McHale started on with a hit. Hulen's sacrifice advanced him a notch and Donahue's out at first sent him along to third. Hemphill's hit permitted McHale to cross the plate with his second run, which ended the scoring sheet 2 to 0 in favor of the visitors.

That was all the run-getting in that act. but the eighth was a repetition of the preceding inning. Letcher chalked up the first out and Calhoun drove a sizzler down to Schaefer, who fired the spheroid over to Law. The latter gentleman, however, dropped the ball and Davey hugged the plate until Toman advanced him to second on a single. Gonding distinguished himself at this juncture by lifting a high fly out in right field. Gonding did it purposely. He felt it in his bones that Hulen wouldn't he able to correl the ball, for the sun beat down in his eyes unmercifully, and, sure enough, the horsehide escaped the vigilant right fielder and Gonding scurried aroundto third with about as much speed as a furniture van. Calhoun and Toman both scored and the game was won right there.

GREAT IS GARRY HERRMANN WITH

Three-Year-Old Colt Beats Beney Foy at Hawthorne.

PROVES HIMSELF ONE OF THE GAMEST EVER

His Four-Year-Old Competitor Runs in Good Form and It is a Horse Race Clear to the Wire.

CHICAGO, May 28 .- Garry Herrmann, the king of western three-year-olds, made his first appearance of the season today at Hawthorne and at least answered the question as to whether he is to be a factor in the American Derby. The answer was in the affirmative. The colt won a grand race from Boney Boy, at a mile and a sixteenth. Boney Boy ran vastly better than yesterday, when he was beaten by Strangest, who this afternoon was defeated a dozen lengths. Strangest, Boney Boy and Garry Herrmann being the only starters. Garry Herrmann cut out the pace, with Boney Boy right at his beels. Strangest was unable to keep up and dropped out of it at the half-mile pole. Turning into the stretch Boney Boy made his challenge and it was a strong one. Herrmann responded vigorously, but despite his efforts the four-year-old got a neck in front. Woods drew his whip. At first it made no effect on the Derby colt. but at last the latter seemed to realize that something more was required, and with bull-dog courage he settled down, overhauled Boney Boy, then got his head in front and kept it there to the finish. Garry Herrmann won the race on courage alone, and is undoubtedly one of the gamest horses that ever lived. He was unquestionably short of condition and today's race should do him a great deal of good. He conceded Boney Boy twenty-two pounds, but was 7 to 10 favorite in the betting. together friskily-as if to say to them: "Be good and I'll give you what exercise I can up and down the car."

President McKinley was the picture of health, his face had a ruddy glow, his eyes were bright and his step as elastic as that of a man thirty years his junior. Those in the crowd who had not seen him for two or three years were surprised by his excellent appearance. The pallor of his face and the duliness of his eyes, brought on by many continuous days and nights of worry over the troubles of the Spanish war, have disappeared entirely and the man looks as though he were ten years younger than he appeared to be two years ago. At 7:50 o'clock, just twenty-one minutes after the arrival of the train. Conductor William Keene shouted "All aboard," and

the special moved on toward the Missouri river bridge, with the president standing on the rear platform acknowledging the plaudits of the crowd by bowing repeatedly. Secretary Hitchcock Talks.

Transfer to Northwestern

At Council Bluffs the presidential train. which is composed of a baggage car, a dining car and six Pullman sleepers, was turned over to the Chicago & Northwestern for the run into Chicago. R. H. Aishton, general superintendent from Chicago, and H. J. Slifer, division superintendent, and Master Mechanic Bentley from Boone are the Northwestern officials who are conducting the train through Iowa and on into Chicago. A plot engine will precede the train all the way and another locomotive will follow it. At Chicago the train will be transferred to the Pennsylvania

line, over which it will run to Washington. Splendid Police Arrangements. The police arrangements at the Union station yesterday morning were more than ade quate, and trouble of any kind would not have found easy sailing for the smallest fraction of a minute. Captain Hayes was on hand with sixteen uniformed men, divided into squads of four each, and under the immediate command of Sergeants Dempsey and Davis. The uniformed men guarded the gates and formed a line about the president's car, not for the purpose of keeping anyone back, but merely to see
