

IOWA COUNTY CONVENTIONS

Three of Them Are Favorable to Cummins for Governor.

HARDIN INSTRUCTS FOR HARRIMAN

Marshal Wants N. S. Ketcham for Railroad Commissioner—Cummins Leads in Number of Delegates—Schools Consolidate.

(From a Staff Correspondent.)

DES MOINES, June 1.—(Special.)—Five republican county conventions were held in Iowa today. Hardin county instructed for Cummins for governor, Lyon county instructed for Colonel J. K. P. Thompson for lieutenant governor, Marshall county instructed for N. S. Ketcham for railroad commissioner and Wayne county instructed for Judge H. M. Towner for supreme judge. The Marshall and Lyon county delegations are supposed to be favorable to Cummins for governor and the Wayne county delegation against him. The name of Ketcham for railroad commissioner is an entirely new one. The present incumbent is Colonel Welcome Mowry, an old soldier, a farmer, serving his first term on the commission. He lives in Tama county, but a candidate for lieutenant governor has been brought out in his county for the special purpose of injuring Mowry's chances for renomination, as support of a candidate for lieutenant governor would mean support for Mowry as railroad commissioner. Marshall county is in the same congressional district, and in view of the local quarrel in Tama county Ketcham has been brought out as a candidate.

The only other candidate is E. C. Brown, a Sheldon banker, who will have some support in northwestern Iowa, although his candidacy was first started to injure Perkins in his canvass for governor. Mr. Ketcham is a dealer in agricultural implements in Marshalltown, and it is believed that unless the trouble is patched up in Tama county he will get most of the support which would have gone to Brown in the state convention.

The candidacy of Colonel Thompson for lieutenant governor is in response to the general feeling that an old soldier should be on the ticket for governor or second place, but no other county of his district has instructed for him.

Result of the Conventions.

Thus far there have been twenty-nine republican county conventions held, including those held today. These have been mainly in counties which were favorable to the candidacy of the Des Moines man for governor. There are 501 delegates selected. Of these 319 are instructed for Cummins and sixty-one are for Cummins without instructions. Harriman has fifty-eight instructed for him, Herriott has fifteen, and fifty are not instructed and are opposed to Cummins. The following table shows the score to date:

School Consolidation.

One of the most exciting school elections ever in Iowa occurred in Lincoln township, Black Hawk county, on the question of consolidation of the schools in accordance with the recommendations of the state superintendent. The county superintendent has been a firm believer in the consolidation of rural schools and worked hard to get the

plan started in Black Hawk county. In only one other township of Iowa has there been complete consolidation of schools and that is in Winnebago county, where the small schools of one township have been abandoned and the pupils are transported to one central graded school at a village in the township.

The voters of Lincoln township all turned out and the vote stood for consolidation 118, against non-consolidation 102. Of these voting eighty-three were women. All the rural school houses will be abandoned and a central school will be established at the town of Voorhees on the Northwestern railroad. There are threats of taking the matter into the courts to prevent carrying out the consolidation scheme, as the opponents of the plan are much disappointed. A similar movement is in progress in many parts of the state.

Killed by a Tramp.

News has been received here of the strange murder of a young man at Perry. This was A. D. Daugherty, a man about 25 years old, who was walking on the edge of town in company with two other men, when they overtook a group of tramps. One of the tramps had something to sell and they engaged in a quarrel among themselves. Finally one drew a revolver and shot at his companions. The shot missed his aim and hit young Daugherty, killing him instantly. The tramps immediately fled, but were followed by officers and captured this afternoon near Redfield. A strange thing in connection with the killing is that Daugherty's mother was almost killed a few days ago by being thrown downstairs by unknown persons. She had gone to the office of her husband in a block and encountered some strangers in a block and one of them pushed her over the railing. She fell down the stairs and sustained a broken leg and other serious injuries.

Earning Way Through College.

President MacLean of Iowa university reports that about 200 of the students attending that institution are earning all or a large part of their living while they attend college. Of these four hundred are women. The university encourages this outside work of students wherever it is possible, and a large part of the copying for the university is done by students on pay. Besides there is a steady demand for students who can do odd jobs out of school hours. The number engaged thus in earning their way through the state university is larger now than ever before.

Gift for College.

Archbishop Keane recently purchased two valuable lots in Dubuque and presented them to the Josephine college of that city, and with this addition to the grounds the plans of the faculty for a considerable enlargement of the college will be finished. A \$50,000 addition to the college will be built next fall.

Contract for Railroad Grading.

The contract for grading the new North & South railroad near Nevada, on the Northwestern, and Des Moines, has been let to Robert Eizy of Marshalltown and the papers have been signed. Not all of the right-of-way has been secured, but the surveys are completed and much work has been done in securing right-of-way along the route, which passes through a rich agricultural region. According to the contract the work must be completed within a year. Work has already been commenced on the parallel road to run northeast from Des Moines, known as the Iowa Falls road. The work has commenced within the city limits of Des Moines and will be continued during the summer along the right-of-way. The two roads cover the same territory and thus far it appears that both will be built.

SALOON WAR AT ATLANTIC

Opposing Parties Get Out Daily Papers to Help Their Cause Along.

ATLANTIC, Ia., June 1.—(Special Telegram.)—Petitions were prepared today and will be filed early Monday morning asking the courts to restrain Ernest Fisher from selling intoxicating liquor and the Rock Island railroad and its agent, D. J. Vance, from handling it. Petitions have been filed against Druggists J. B. Jones, F. D. Jeffroy and J. S. Gosz. An effort has been made to secure removals of enough names from the petition of consent to make the establishment of saloons impossible. H. H. Abrams, president of the Anti-Saloon league, is here leading the work of the anti-saloon people, supported by the ministers. He is getting out a daily sheet called The Forerunner. Today the other side got out a sheet called The Afterrunner. The question comes up before the Board of Supervisors next week.

DES MOINES, June 1.—The Evangelical Lutheran general synod today celebrated the twentieth anniversary of the establishment of a western superintendency of home missions and the appointment of Dr. Samuel B. Barnitz of Des Moines as western secretary. A reception was tendered him by the delegates at the Savery hotel this afternoon, the receiving party consisting of Dr. and Mrs. Barnitz, President W. S. Frens of Baltimore, Dr. and Mrs. John A. Wirt of Des Moines, Dr. M. W. Hanna and wife of Washington and Dr. A. Stewart Hartman, general secretary of the Home Mission board.

MEET NEXT AT WATERLOO

Hahnemann Medical Society Decides on Place for Following Year's Convention.

WATERLOO, Ia., June 1.—(Special Telegram.)—Word has been received here of the decision of the Hahnemann Medical society at the annual meeting at Des Moines to hold the convention next year in this city. Sioux City was a bidder for the honor, but was defeated by a vote of 33 to 7. The doctors of the homeopathic branch of practice will endeavor to get a bill through the next legislature for a building for their use at the State university, as they now have no chance to test their remedies or treatments. They will also endeavor to secure recognition from the medical management of the hospital at Cherokee.

WIDOW THROWN AND KILLED

Mrs. John Trowbridge of Carroll Suffers Fatal Injuries While Driving Home.

CARROLL, Ia., June 1.—(Special Telegram.)—While driving home from Carroll tonight Mrs. John Trowbridge, a widow whose home was a short distance from town, was thrown from the buggy in which she was riding and killed instantly. Her little son was with her. Her shoelace becoming entangled with the reins, she and the team stopped to tie it. While doing so the team became frightened and rearing into the air threw her out of the buggy to the ground. The boy returned to town at once and summoned medical aid. Deceased was a sister-in-law to the present county treasurer, William Trowbridge.

MISSOURI VALLEY CLASS

DENISON, Ia., June 1.—(Special.)—The commencement of the Denison High school was at the Germania hall Friday afternoon and evening. The class is the largest ever graduating from the school, being composed of seventeen young men and women. They are: Horace Gregory, Harry Morris, Charles Gable, Harold Van Winkle, Ella Cole, Effie Myers, Edna Hoagland, Isabella Marshall, Florence Odell, Edna Gilbreath, Willetta Strahan, Myrtle McCormick, Effie Norris, Irene Garber, Carrie Morris, Ethel Gulick and Carrie Chapin. The baccalaureate sermon was preached Sunday at the Presbyterian church by Rev. E. M. Holmes of the Methodist church.

Doctors Called to Account.

COLUMBUS, Neb., June 1.—(Special.)—Dr. Dassel has filed complaints against Dr. C. L. White, an alleged magnetic healer, and Dr. Newman, an eye specialist. The latter was bound over to the district court in \$200 bonds and furnished the same by the Germania hall Friday afternoon. He claims that he only treated the eye by report adjusting glasses. Dr. White's case was continued.

Challenge from Wymore.

WYMORE, Neb., June 1.—(Special.)—The horse team of the Wymore fire department has raised a purse of \$100 and challenges any volunteer horse company in the state to race for it on the Fourth of July. Several teams have entered for the contest. The officials elected to serve the fire department are: R. P. Bacon, chief; H. L. Anderson, assistant; R. G. Knowles, secretary; John Mohrbacker, treasurer.

Where there's Ayer's there's Hope. "Where there's life there's hope." Never give up, that's the idea; for often the most serious cases take a sudden turn for the better and rapid recovery follows. Perhaps you are very ill now and have a doctor; yet the medicine doesn't seem to go just to the spot. Then why not ask your doctor if he doesn't think that Ayer's Sarsaparilla is what you need. Doctors are very friendly toward this Sarsaparilla, for it is the oldest, safest, and strongest. They say there's more cure in a teaspoonful of it than in a tablespoonful of the ordinary kind. No matter if you have taken other Sarsaparillas and any quantity of other medicine, remember—Where there's Ayer's there's hope.

One dollar a bottle. All druggists. Ask your doctor what he thinks of Ayer's Sarsaparilla. The probability is he has prescribed it a great many times and knows just what it will do. Then ask him if he does not think it is precisely the medicine you need this spring. J. C. AYER CO., Lowell, Mass.

The Prettiest Woman in Omaha. Has beautiful hair. She has to have that or she is not the prettiest woman in Omaha. Any one, man or woman, can have beautiful hair if they are not troubled with the Deadly Dandruff Germ. Dandruff causes itching, brittle hair, falling hair and finally baldness. To cure Dandruff you must KILL THE DANDRUFF GERM, and you cannot do that with any of the hundreds of hair preparations on the market but NEWBRO'S HERPICIDE.

NEWBRO'S HERPICIDE. Stops itching instantly, stops falling hair in a few days; impels hair growth after a few applications, and inevitably destroys the deadly dandruff germ. No other preparation is even made with a view to killing the dandruff germ, and none other does kill the dandruff germ, and without dandruff, hair must grow abundantly and be luxuriously soft. A physician's experience: Have noted after using one full-size bottle of your Herpicide that it certainly has the properties of stopping the hair from falling out, and leaves the scalp clean and free from Dandruff.
